Charles Fensham

A Lily Among The Thorns Imagining A New Christian Sexuality:

A Lily Among the Thorns Miguel A. De La Torre, 2007-07-20 A new way for Christians to think about sexuality Author Miguel De La Torre a well respected ethicist and professor known for his innovative readings of Christian doctrine rejects both the liberal and conservative prejudices about sex He instead develops an ethic that is liberative yet grounded soundly in the Bible a sexuality that celebrates God's gift of great sex by fostering intimacy vulnerability and openness between loving partners In A Lily Among the Thorns De La Torre examines the Bible current events history and our culture at large to show how and why racism sexism and classism have distorted Christianity's central teachings about sexuality The author shows how the church's traditionally negative attitude toward sex in general and toward women people of color and gays in particular have made it difficult if not impossible to create a biblically based and just sexual ethic But when the Bible is read from the viewpoint of those who have been marginalized in our society preconceived notions about Christianity and sex get turned on their heads Taking on hot button topics such as pornography homosexuality prostitution and celibacy the author examines how reading from the margins provides a liberating approach to dealing with issues of sexuality

Reenvisioning Sexual Ethics Karen Peterson-Iyer, 2022 In Reenvisioning Sexual Ethics Karen Peterson Iyer applies a feminist Christian framework to practical sexual issues facing young adults today from sexting and hook up culture to sex work and sex trafficking This feminist justice based approach to sexual ethics will facilitate meaningful discussion about sexual agency and flourishing

God, Desire, and a Theology of Human Sexuality David H. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ's incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the ramifications of the Lord's Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics

Inclusion and Sexuality in Catholic Higher Education Mark A. Levand, 2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States making it the largest study of its kind this volume explores effective practice in improving institutional policy relating to issues of sexuality The text calls attention to campus cultures of fear shame or denial around sexuality and highlights possible points of institutional resistance to changes in policy Discussing topics such as sexual identity sexuality education in the curriculum Title IX employee termination and morality clauses the book shows how staff and faculty are crucial in effecting change across Catholic campuses providing valuable insight into the unspoken rules around sexuality within the shadow culture at Catholic institutions Moreover the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity solidarity and the common good to achieve sexual inclusivity A unique study demonstrating how Catholic teaching can help support inclusive change around issues of

sexuality and gender in higher education it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions It will thus appeal to researchers and academics working in the fields of Higher Education Management Gender and Sexuality in Education Religion Gender and Sexuality and the Sociology of Religion Making Love Just Marvin M. Ellison,2012 These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability It s time to redraw the ethical map But how should a contemporary Christian ethic of sexuality be formulated Marvin Ellison a pioneer in contemporary Christian rethinking of sexuality and sexual ethics uses a series of provocative questions to increase readers skills and confidence for engaging in ethical deliberation about sexuality Students and all adults will welcome this book for enabling their personal clarity approach to relationships and mindful participation in respectful moral debate Publisher description **College Hookup Culture and Christian Ethics** Jennifer Erin Beste,2018 What do undergraduates really think about parties hookups and relationships After analyzing their own complex social reality Jennifer Beste s students engage in dialogue with theologians ethicists and social scientists about paths to happiness and the best ways to create sexual and relational justice on their college campuses *Latinx Perspectives on the New Testament* Osvaldo D. Vena,Leticia A. Guardiola-Sáenz,2022-03-17 Going against the false perception that all Latinx views on the Bible are homogeneous the contributors in this book use different hermeneutic perspectives to interpret the New Testament Each chapter examines one of the twenty seven documents thematically instead of following the traditional verse by verse commentary format *Who Told You that You Were Naked?* Beverly Dale,2024-10-15 A devotional for self image and self love In this collection of meditations and reflections Rev Beverly Dale critiques the theology and culture of shame that negatively impact so many lives She offers an alternative theology rooted in embracing who we are as sexual beings Both self help guide and theological and cultural criticism this volume will appeal to anyone interested in practical applicable engagement with the intersection between theology and sexuality Celibate Sex Abbie Smith,2014-02-27 With transparency Abbie Smith examines the raw emotions of always being the bridesmaid but never the bride She delves into the heartache and confusion of being single when your heart longs for something else By using a conversational style and her personal story Abbie helps you acknowledge the feelings and reality of being single in today s world where sexuality is misconstrued and widely exploited The Embrace of Eros Margaret D. Kamitsuka,2010-01-19 The topic of sexuality intersects directly with the most contested historical theological and ethical questions of our day In this edgy yet profound volume noted scholars and theologians assay the Christian tradition s classic and contemporary understandings of sex sexuality and sexual identity The project unfolds in three phases contemporary assessments of the Christian tradition new thinking about eros and being human religiously and new perspectives on classic mysteries in light of eros and embodiment **Our Lady of Everyday Life** María Del Socorro Castañeda-Liles,2018 For Mexican Catholic women in the United States devotion to Our Lady of Guadalupe La Virgen is a necessary aspect of their

cultural identity In this masterful ethnography Mar a Del Socorro Casta eda Liles considers three generations of Mexican origin women between the ages of 18 and 82 She examines the Catholic beliefs the women inherited from their mothers and how these beliefs become the template from which they first learn to see themselves as people of faith She also offers a comprehensive analysis of how Catholicism creates a culture in which Mexican origin women learn how to be good girls in a manner that reduces their agency to rubble Through the nexus of faith and lived experience these women develop a type of Mexican Catholic imagination that helps them challenge the sanctification of shame guilt and aguante endurance at all cost This imagination allows these women to transgress strict notions of what a good Catholic woman should be while retaining life giving aspects of Catholicism This transgression is most visible in their relationship to La Virgen which is a fluid and deeply engaged process of self awareness in everyday life

Men and Masculinities in Christianity and Judaism Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men s privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study

Misguided Love Charles Fensham, 2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop

Charles Fensham

Doing Christian Ethics from the Margins Miguel A. De La Torre, 2014-04-30 Miguel De La Torre opens up Christian ethics to the rich diversity found among those who are often excluded from academic and Eurocentric ethical considerations This book seeks to help students realize that because the gospel message itself was proclaimed to the marginalized peoples of Judea the people who occupy the same disenfranchised spaces in our contemporary cultures are the ones who hold the interpretive key to understanding that gospel message The binding effects of power and privilege institutional or not can be overcome by a justice based ethics that avails itself of the perspectives and experiences of those on the margins Provided by publisher

#ChurchToo Emily Joy Allison, 2021-03-09 When Emily Joy Allison outed her abuser on Twitter she launched ChurchToo a movement to expose the culture of sexual abuse and assault utterly rampant in

Christian churches in America Not a single denomination is unaffected And the reasons are somewhat different than those you might find in the MeToo stories coming out of Hollywood or Washington While patriarchy and misogyny are problems everywhere they take on a particularly pernicious form in Christian churches where those with power have been insisting since many decades before MeToo that this sexually dysfunctional environment is in fact exactly how God wants it to be ChurchToo turns over the rocks of the church's sexual dysfunction revealing just what makes sexualized violence in religious contexts both ubiquitous and uniquely traumatizing It also lays the groundwork for not one but many paths of healing from a religious culture of sexual shame secrecy and control and for survivors of abuse to live full free healthy lives *Feminine by Design* John D. Garr, 2013-05-23 Women are the product of divine design the exquisite creation that God fashioned with careful meticulous and loving care Understanding how and why God created woman enables both women and men to recognize the rightful contributions that God designed women to make for the welfare of humanity Despite millennia of misguided efforts by men to control and dominate them women were originally designed by God to be coequal with men and to have complete freedom to use any gift and to fulfill any role that he has given to them That design is still God's ideal for the God-fashioned woman and includes the following subjects Designed to Be Feminine Designed for Beauty Designed for Purity and Modesty Designed for Sexual Fulfillment Designed for Nurture and Relationship Designed for Freedom Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have restricted the roles of women As you are reconnected with the Hebraic foundations of your faith you will clearly understand God's original design and purpose for women and you will begin to help remove obstacles that have kept women from assuming their God-given roles in the family in society and especially in the community of faith *Thinking Globally and Responding Locally in the Church* Thomas Knieps-Port le Roi, Shaji George Kochuthara, David Dawson Vasquez, 2023-07-01 How has Pope Francis's groundbreaking document on marriage and family *Amoris Laetitia* been implemented in Africa In Asia In Latin America In this volume scholars from across these regions reflect on their experiences correcting the overly western focus of most reactions to AL The contributions look at local issues like polygamy in Africa as well as more global issues in a local context like feminism in Indonesia and synodality in Colombia The reader will find that concerns about marriage and family can be similar throughout the world or specific to different contexts As a whole the book contributes to a more diverse and revisited catholic understanding of marriage and family **God's Babies** John McKeown, 2014-12-17 The human population's annual total consumption is not sustainable by one planet This unprecedented situation calls for a reform of religious cultures that promote a large ideal family size Many observers assume that Christianity is inevitably part of this problem because it promotes family values and statistically in America and elsewhere has a higher birthrate than nonreligious people This book explores diverse ideas about human reproduction in the church past and present It investigates an extreme fringe of U S Protestantism including the Quiverfull movement that use Old

Testament fruitful verses to support natalist ideas explicitly promoting higher fecundity It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas This book argues that natalism is inappropriate as a Christian application of Scripture especially since rich populations total footprints are detrimental to biodiversity and to human welfare It explores the ancient cultural context of the Bible verses quoted by natalists Challenging the assumption that religion normally promotes fecundity the book finds surprising exceptions among early Christians with a special focus on Saint Augustine since they advocated spiritual fecundity in preference to biological fecundity Finally the book uses a hermeneutic lens derived from Genesis 1 and prioritising the modern problem of biodiversity to provide ecological interpretations of the Bible s fruitful verses *Latinas/os in the United States* Havidan Rodriguez,Rogelio Saenz,Cecilia Menjivar,2007-11-21 Clara E Rodr guez As is befitting a book on Latinas/os at the start of the 21st century the chapters in this volume reflect the contemporary panorama of Latinas/os in the United States Today Latinas/os are the largest minority group They accounted for 12.5% of the total U.S. population in the last decennial census recent estimates showed the Hispanic population to be 41.3 million as of July 1, 2004 or 14% of the nation s total population However this estimate does not include the 3.9 million residents of Puerto Rico who are also U.S. citizens and would raise the total to 24.52 million This would make the U.S. population of Latinos the second largest Spanish origin population in the hemisphere after Mexico The growth of this population since 1980 has been dramatic Hispanics/Latinos grew more than seven times faster than the population of the nation as a whole increasing by half whereas the white non Hispanic population increased by only 6% between 1980 and 1990 U.S. Bureau of the Census 1991 Table 1 U.S. Bureau of the Census 1993 p.2 In the 1990s the Hispanic population increased 58% Moreover between 2003 and 2004 one of every two people added to the nation s population was Hispanic/Latino Consequently not only are Latinos a substantial part of the U.S. population but they account for half its population growth *Sex + Faith* Kate Ott,2013-01-01 Talking with your child about sex can be scary Sex Faith helps parents incorporate their faith values with sexual information so they can answer questions discuss sexuality at each stage of childhood and show support of sexual differences Section one explains how faith relates to sexuality and the essential role parents play in forming healthy faithful sexually educated children The second section designates a chapter for four age groupings of children from infancy through high school Each chapter explains the biological and developmental issues of the age answers questions children tend to have provides relevant Biblical and faith stories helpful to discuss with children of that age and lists five to ten key educational issues for parents to keep in mind Shaded text boxes are interspersed throughout the book with real life practical questions that parents and children ask Expertly written by Kate Ott Sex Faith is an easy to use reference guide for parents of kids of all ages

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **A Lily Among The Thorns Imagining A New Christian Sexuality**

In a world inundated with screens and the cacophony of quick transmission, the profound power and mental resonance of verbal artistry frequently fade in to obscurity, eclipsed by the constant assault of noise and distractions.
