Agitation with a Smile Stephen Bird, Adam Silver, Joshua C. Yesnowitz, 2015-11-17 Agitation with a Smile offers a reappraisal of Howard Zinn's political thought and situates his efforts in a contemporary context looking toward the nature of activism and dissent in the future This is the first book to provide a substantive account and assessment of Zinn's philosophy and approach to collective action and to a larger extent democracy The contributors to this book explore the most effective mechanisms by which to arouse public support for seemingly radical positions and how current technological advancements may alter our perception of Zinn's activism The book is a valuable guide to a new generation of activists and scholars of politics in gauging the lasting relevance and legacy of Zinn's ideals concepts and methodology The text is neither fawning nor unduly critical unlike many discussions of Zinn in popular culture Rather the contributors engage the various complexities and tensions present throughout Zinn's work and subject them to contemporary assessment This is a multidisciplinary and international approach to Howard Zinn's intellectual and activist canon

For almost twenty years, Ilan Stavans, described by the *Washington Post* as Latin America's liveliest and boldest critic and most innovative cultural enthusiast, has interviewed path-breaking intellectuals and artists in a wide range of media. As host of the critically acclaimed PBS series *La Plaza*, he interviews guests on pressing issues that affect the Western Hemisphere today, asking hard-hitting questions on immigration, religion, bilingualism, race, and democracy. This book collects for the first time in one volume Stavans's most provocative and enlightening interviews with Hispanics from both sides of the Rio Grande. Spontaneous and surprising, these conversations reflect Latino life in the United States in all its facets. Among the more than two dozen selections, Edward James Olmos talks about Hispanics in Hollywood, John Leguizamo describes how he shapes a stage show, author Richard Rodriguez reflects on his gang background, Esmeralda Santiago takes on the Puerto Rican stereotype, and Piri Thomas shares thoughts on the writing of *Down These Mean Streets*. A conversation is a tango, writes Stavans; for it takes two to dance it. *Conversations with Ilan Stavans* invites readers to catch the rhythm and enjoy these unique meetings of minds. **Windows and Doors** Natasha Saje, 2014-08-06 A poetry handbook rooted in theory, history, and philosophy. **The Wound and the Dream** Cary Nelson, 2002

When the United States and other powers declined to help fight fascist power at the onset of the Spanish Civil War, forty thousand private citizens from fifty-two countries rallied to join the International Brigade's defense of the Spanish Republic. Born out of the struggle between fascism and democracy and considered the first battle of World War II, the Spanish Civil War holds tremendous ideological significance and has inspired a remarkable range of American poetry. *The Wound and the Dream* represents the sixty-year

tradition of American poetic responses to the Spanish Civil War and provides an overview of progressive American poetry as a whole Four of the featured poets Alvah Bessie William Lindsay Gresham James Neugass and Edwin Rolfe were members of the International Brigade Their poetry appears alongside lesser known works by some of the greatest American poets of the twentieth century including Wallace Stevens Edna St Vincent Millay Randall Jarrell Langston Hughes and Philip Levine Cary Nelson s introduction discusses the collective nature of the poems puts them in their international context and provides a sturdy framework for interpreting the Spanish Civil War as a historical conjecture that has dramatically altered the ways we read and write poetry The book also includes a brief biography of each poet and a glossary of related terms
