**A Spoonful of Sugar (Your Daily Dose of Laughter)** Emily Alexander,2014-04-11 With a pen in my hand and a lime green avocado face mask on I embarked on writing a short summary of 365 worth reading events in my life In these pages are stories I recall from my poodle haired childhood and lead into my life as a girdle wearin God fearin full time nanny My ultimate prayer is that you will learn as I have that God can show us His truth through any situation no matter how chaotic Maybe you share my love for my Savior and want a fresh way to look at His word or maybe you just really need to laugh today Either way get ready for a years worth of daily readings from your real life less perfect Mary Poppins

**A Spoonful of Sugar** Brenda Ashford,2012-06-21 They say you can never truly love a child that is not your own but that goes against every instinct that runs through me For I have loved children born to other women all my life and every child that I have ever cared for I ve adored with all my heart Many I would have laid down my life for in fact on some memorable occasions when I fled to air raid shelters clutching my charges to my chest I very nearly did In 62 years of being a nanny I have lost count of the number of children I ve cared for but it must be approaching 100 Which means I am inordinately proud to say that despite never having actually given birth I have 100 children How many women can say that Brenda is 91 years old and spent 62 years working as a Norland Nanny Just like a real life Mary Poppins Brenda devoted her life to giving children the best possible start in life Brenda began training at the Norland Institute in 1939 at the age of 18 shortly before war was declared It was a time of great upheaval and uncertainty particularly for children Even as a nervous young trainee Brenda was determined to give the children in her care a wonderful childhood regardless of the horrors that were unravelling on the continent and when the blitz began on their doorsteps Brenda worked poverty stricken evacuees from the East End London as well as in the nurseries of smart Kensington homes She frequently put her life at risk dashing to air raid shelters with her charges clutched to her chest This is a story from a time when nothing was taken for granted and life itself was in peril on a near daily basis But the war was also a time when people pulled together like never before or since and it called upon Brenda to make sacrifices she d never imagined having to make Warm funny and incredibly moving Brenda s memoir brings to life the colourful world of wartime England

**LOL with God** Pam Farrel,Dawn Wilson,2013-02-08 Feeling tired stressed or disconnected with God In this devotional authors Pam Farrel and Dawn Wilson provide real life stories mixed with a splash of humor and an encouraging word from God to help women get through hectic days Joy from God unlike the fleeting happiness of the world transforms the soul and helps to heal frazzled broken women A cheerful heart is still good medicine Proverbs 17 22 and women need it in megadoses There will always be a need for humor to cheer our hearts and when that humor is paired with powerful truth principles from Scripture women will be revived and refreshed To make it fun the authors have taken Scripture verses and made them into text messages similar to those you might see on your cell phone but these are from God s Word

**Coffee, the World, and Jesus, but Not Necessarily in That Order** Ron DeMiglio,2017-06-27 When

many Christians take a long hard look at the lives of the spiritual elite in America they want to shout I don't want to be like that Ron DeMiglio knows how they feel and he's not afraid to do the shouting even when those shouts are sometimes directed at himself Coffee the World and Jesus is a collection of mildly contrarian musings from this international coffee businessman who happens to love Jesus In these humorous vignettes about the relational flawed unwavering faith Ron clings to readers will find glimmers of their own daily struggles to reflect Christ in a fallen world For the religiously cautious the disillusioned and jaded followers of Christianity this is a refreshing look at how God reveals Himself to be so much bigger than politics dogmas or western influences Ron's sidesplitting series of stories about how he found his spiritual groove smack dab in the middle of his God breathed coffee scented uniqueness will appeal to readers looking for a quick bite of spiritual growth with their next latte
