A Trail Of Ink Chronicles Of Hugh De Singleton Surgeon:

A Trail of Ink Melvin R. Starr,2010 Hugh de Singleton searches for books stolen from his mentor s collection pursues a woman dating another man and tries to figure out if a series of strange accidents are connected to the stolen books or his romantic efforts *A Polluted Font: The Chronicles of Hugh de Singleton, Surgeon, Book 16* Mel Starr,2023-10-03 Mel Starr s latest novel is a thoroughly enjoyable medieval crime mystery It may be enjoyed as complete in itself or as part of the Hugh de Singleton series When Hugh and Kate s new born son is taken to the church to be baptized they are astounded to find that the locked font is completely dry The possibility of a leak is quickly ruled out and just as Hugh is beginning to wonder if there may be a sinister explanation for the stolen holy water Fr Robert is found lying motionless by the rood screen in a pool of blood Meanwhile parliament has passed a poll tax stipulating everyone above the age of 14 is to be taxed equally Folk are soon scrambling to find the money to pay and inevitably unscrupulous elements in society see an opportunity to feed off people s desperation and make some cash But what connection can there possibly be between this and events at Bampton

Deeds Of Darkness Mel Starr,2017-08-18 Mel Starr s writing is superb And the stories themselves are captivating Highly recommended Davis Bunn internationally bestselling author To bring justice Master Hugh must foil the corrupt power of great men Many medieval scholars discontinued their university studies before completing their degree Some lacked funds others became bored with a scholar s life Occasionally these young men formed lawless bands robbing and raping and creating chaos They were called goliards In *Deeds of Darkness* Master Hugh learns that the Bampton coroner an old friend has been slain while traveling to Oxford As he seeks the killer or killers he discovers a band of goliards in the area between Oxford and Bampton But how to apprehend these youths They have protectors far above Hugh s station He must deal with the claims of justice on the one hand and the power of great men to protect their henchmen on the other *A Corpse at St Andrew's Chapel* Mel Starr,2013-04-19 Discover the next gripping installment in the Hugh De Singleton s Chronicles series following the life and adventures of Hugh de Singleton surgeon in medieval Bampton Oxfordshire When the beadle of the manor of Bampton disappears after going out to enforce curfew his young wife Matilda turns to Master Hugh de Singleton surgeon and bailiff of the manor for help Two days later Alan s mutilated body is discovered in the hedge near St Andrew s Chapel His throat has been ripped out his head nearly severed from his body and his arms and hands covered in deep scratches At the scene Master Hugh teams up with Hubert the coroner who suggests that a wolf could have caused the fatal wound But why is there no blood and why are there so many scratches As Master Hugh delves deeper into the investigation he uncovers a web of secrets and lies that threaten to tear the community apart With vivid descriptions of medieval life graphic medical procedures and a cast of compelling characters this story is a must read for fans of historical mysteries This skillfully woven story is a delight to read The setting is exceptionally well crafted Highly recommended Davis Bunn best selling author **A Trail of Ink** Mel Starr,2014-09-24 I had never seen Master John Wyclif so afflicted He was rarely found

at such a loss when in disputation with other masters He told me later when I had returned them to him that it was as onerous to plunder a bachelor scholar's books as it would be to steal another man's wife I had at the time no way to assess the accuracy of that opinion for I had no wife and few books So begins another delightful and intriguing tale from the life of Hugh de Singleton surgeon in the medieval village of Bampton near Oxford and bailiff of Bampton Castle at the behest of Lord Gilbert Talbot Hugh sets his cap at the delightful Kate who proves equally resourceful in the search for the missing books Some very determined adversaries are out to stop him permanently if necessary but are they motivated by greed or a more personal animosity Then the corpse of a poor scholar who had tried to sell one of the books is found in the river but he had not simply drowned Without A Trace Mel Starr,2019-09-20 An engrossing read in the successful Chronicles of Hugh de Singleton Surgeon series Lady Philippa the wife of Sir Aymer a knight of the realm disappears while travelling from her husband's manor to Bampton She and her maid are travelling in an enclosed wagon whilst her husband and his grooms and a squire are mounted When the party arrives at Bampton Castle neither the lady nor her maid are within the enclosed wagon they have simply vanished As the disappearance may have happened while the travellers were on Lord Gilbert's lands his surgeon and bailiff Hugh de Singleton is assigned to discover what has happened to the lady Has she been taken Her has she fled her husband Can Hugh help find her or is it already too late *Master Wycliffe's Summons* Mel Starr,2021-10-22 Mel Starr has done it again with another brilliant Sir Hugh de Singleton medieval mystery to keep readers guessing until the very end I was there at the Queen's College dining on pottage getting soaked in the rain in fourteenth century Oxford Mel always draws you into the experience Toni Mount author of the Sebastian Foxley murder mystery series One of Master John Wycliffe's scholars is found dead after a thunderstorm Was he struck by lightning or was there something more sinister to his death Scholar Richard Sabyn a particularly obnoxious fellow was believed to have been struck by lightning However Master Wycliffe believes otherwise and calls upon Sir Hugh de Singleton for help Sir Hugh shares Wycliffe's suspicions and launches a private investigation learning that it might indeed be possible to make it look as though a man has died from a lightning strike But who would go to all that effort and why When fellow scholar Simon Duby dies it raises even more questions and suspicions What is the connection between the two men Sir Hugh believes a bronze pot a bucket of urine and a small quantity of charcoal and brimstone may hold the answer During a bleak 1375 can he survive the insidious plague and several attempts on his life as he continues his quest for truth *Way of Wicked* Mel Starr,2024-09-19 Kendrick Wroe is found dead in the frozen Shill Brook Most suspect he has been poaching Lord Gilbert's fish though Sir Hugh finds reason to believe this may not be so Then one of Kendrick's friends is slain another seems to be in mortal peril and in an apparent attempt to throw Hugh off the scent his comely daughter Bessie is abducted As the town drops all to find her the tension steadily increases a member of a plow team dies in mysterious circumstances Kendrick's surviving friend is forced to flee for safety in Eynsham Abbey and as events seemingly spiral out of control it's all Hugh can do to master his anxiety and uncover the killer Mel Starr

s latest novel is a thoroughly enjoyable medieval murder mystery It may be appreciated on its own or as part of the Hugh de Singleton series **Suppression and Suspicion** Mel Starr,2022-09-23 Edmund Harkins has gone missing Few would confess to liking the man a wife beater and distinctly unsavoury character so when some hungry pigs disinter his corpse in a shallow grave there is hardly an outpouring of grief However this intensifies the problem Sir Hugh faces as bailiff of Bampton it is his duty to discover who has slain Edmund But if he does he will earn the enmity of villagers who are pleased the scoundrel is dead and who knows what repercussions might follow To further complicate Hugh s life the Bishop of Exeter has sent a new vicar to Bampton his nephew who behaves in an obnoxious manner to Lady Katherine s maid and seems obsessed with discovering any heretical views Hugh might hold The vicar also it transpires is contributing to the unhealthy atmosphere of suppression and suspicion that has come to pervade the village **Prince Edward's Warrant** Mel Starr,2018-08-24 Another delightful and absorbing mystery from Mel Starr keeping the reader guessing as the corpses pile up in Prince Edward s palace Hugh de Singleton of the dry wit and engaging humility is one of my favourite sleuths Penelope Wilcock British author and blogger Master Hugh won the Black Prince s favour when he helped to ease the Prince s illness Now in the autumn of 1372 the prince is suffering a relapse and sends to Bampton for Master Hugh to attend him While at dinner in Kennington Palace Sir Giles the knight who escorted Hugh to London is stricken and dies Poison Sir Giles is not popular and there are many who would gladly see the fellow done away with except for Prince Edward The Black Prince feels a debt to the slain man because of his heroic behaviour at the Battle of Crecy where the knight stood firm with the prince when the fight seemed of uncertain outcome Despite caring little for Sir Giles Master Hugh must once again place himself in jeopardy and seek to uncover the perpetrator of the crime **The Easter Sepulchre** Mel Starr,2020-09-18 Sir Hugh is in top form tracking down the wily killer of local clerics while eating his way through a feast of mediaeval dishes A delightful mystery with an authentic historical touch Fiona Veitch Smith author and scriptwriter Time travel from the safety of your armchair with a murderous twist Mel Starr s eagerly awaited new Hugh de Singleton medieval mystery doesn t disappoint his fans Join everyone s favourite physician cum bailiff as he endeavours to solve more dire fourteenth century crimes Toni Mount author of the Sebastian Foxley murder mystery series Keeping watch over the Easter Sepulchre where the Host and crucifix are stored between Good Friday and Easter Sunday is considered a privilege So it is shocking when it is discovered that Odo the priest s clerk has abandoned his post in the middle of the night But as the hours pass and Odo is not found panic rises At first light Bampton s bailiff Hugh de Singleton is roused from his bed It is Hugh that ingeniously finds the clue that leads all to fear for the life of the missing man The question is will Hugh be called to investigate another murder or will he find the man hale and hearty But if the latter where has the blood come from **Ashes To Ashes** Mel Starr,2015-09-18 Master Hugh Kate and their children attend the Midsummer s Eve fire Next morning early Hugh hears the passing bell ring from the Church of St Beornwald and moments later is summoned Tenants collecting the ashes to spread upon their fields have found

burned bones Master Hugh learns of several men of Bampton and nearby villages who have gone missing recently Most are soon found some alive some dead Master Hugh eventually learns that the bones are those of a bailiff from a nearby manor Someone has slain him and placed his body in the fire to destroy evidence of murder Bailiffs are not popular men they dictate labour service collect rents and enforce other obligations Has this bailiff died at the hand of some angry tenant Hugh soon discovers this is not the case There is quite another reason for murder Rest Not In Peace Mel Starr,2013-09-22 Is there reason to suspect evil in this I asked None but that the man was robust one day and a corpse the next Master Hugh surgeon and bailiff has been asked to provide a sleeping potion for Sir Henry Burley a friend and guest of Lord Gilbert at Bampton Castle near Oxford Three days before St John s Day in the year of our Lord 1368 Sir Henry went to his bed hale and hearty after enjoying a long evening music conversation and dancing in Bampton s Castle s hall The next morn his valet found him cole and dead Master Hugh is asked by Lord Gilbert to determine the cause of death despite shrill accusations from Sir Henry s grieving widow **The Unquiet Bones** Mel Starr,2013-04-19 Discover the gripping medieval mystery series featuring Hugh of Singleton Hugh of Singleton fourth son of a minor knight has been educated as a clerk usually a prelude to taking holy orders However feeling no certain calling despite a lively faith he turns to the profession of surgeon training in Paris and then hanging out his sign in Oxford In *The Unquiet Bones* Hugh is asked by a local lord to track down the killer of a young woman She is identified as the impetuous missing daughter of a local blacksmith and her young man whom she had provoked very publicly is in due course arrested and sentenced at the Oxford assizes With graphic medical procedures misdirection and droll medieval wit this tale will keep you on the edge of your seat until the very end Readers have praised this book as absolutely loved realistic and the best medieval mystery I ve read in a while Don t miss out on the chance to delve into this world of ambition romantic distractions and underlying Christian compassion Don t miss out on this thrilling read and join the many others eagerly awaiting the next instalment *Lucifer's Harvest* Mel Starr,2016-08-19 Another exciting page turner by Mel Starr He beautifully depicts the counts sights and smells as well as the emotions of the medieval world in this welcome addition to his long running series Jill Dalladay author of *The Abbess of Whitby* Lord Gilbert Talbot must provide soldiers for Prince Edward s battle in France He wishes his surgeon Hugh de Singleton to travel with the war party to tend any injuries Among those on the road is Sir Simon Trillowe Hugh s old nemesis who had once torched Hugh s house Finding himself in the same war party Hugh resolves to watch his back in the presence of the knight who is still holding a grudge But it is Sir Simon who should not have turned his back When Trillowe s body is found many suspect Hugh has wreaked revenge on his adversary To clear his name Hugh must once again riddle a reason for murder **The Abbot's Agreement** Mel Starr,2014-08-15 Hugh de Singleton is a delight the well crafted plot the excellent period detail and the flashes of humour Donna Fletcher Crow author of *The Monastery Murders* My life would have been more tranquil in the days after Martinmas had I not seen the crows Whatever it was that the crows had found lay in the dappled shadow of the bare

limbs of the oak so I was nearly upon the thing before I recognized what the crows were feasting upon The corpse wore black Master Hugh is making his way towards Oxford when he discovers the young Benedictine a fresh body barefoot not half a mile from the nearby abbey The abbey s novice master confirms the boy s identity John one of three novices But he had gone missing four days previously and his corpse is fresh There has been plague in the area but this was not the cause of death the lad has been stabbed in the back To Hugh s sinking heart the abbot has a commission for him A new and disturbing puzzle for the medieval surgeon turned sleuth **The Surgeon's Daughter** Sir Walter Scott,1901
