A Woman's Touchwomen In Design 1860 Till Present:

A Woman's Touch Isabelle Anscombe, 1985 For centuries women have organized supervised and labored in the households they ran but only during the last hundred years or so did they begin to have a say in how homes and furnishings were designed Now in this richly illustrated survey of design and design movements from the 1860s to the 1980s women gain their rightful place in the history of design Isabelle Anscombe illuminates the contributions of women to the Arts and Crafts Movement in Britain the Glasgow School of Art and the Bauhaus school and discusses the great interior decorators of the 1920s and 1930s Drawing on original interviews and on social and art history Anscombe shows how the textiles tableware and furniture created by designers such as Vanessa Bell Sonia Delaunay and Elsie de Wolfe revolutionized ideas about the form and function of the home Thoroughly researched and written with both wit and authority *A Woman's Touch* is an important addition to the literature of design From publisher's description

Women's Places Brenda Martin, Penny Sparke, 2003 What was different about the environments that women created as architects designers and clients at a time when they were gaining increasing political and social status in a male world Through a series of case studies *Women's Places Architecture and Design 1860-1960* examines in detail the professional and domestic spaces created by women who had money and the opportunity to achieve their ideal Set against a background of accepted notions of modernity relating to design and architecture of the late 19th and early 20th centuries this book provides a fascinating insight into women's social aspirations and identities It offers new information and new interpretations in the study of gender material culture and the built environment in the period 1860-1960

American Women Modernists Robert Henri, Marian Wardle, Sarah Burns, Brigham Young University. Museum of Art, 2005 The seven essays included in this volume move beyond the famed Ashcan School to recover the lesser known work of Robert Henri's women students The contributors who include well known scholars of art history American studies and cultural studies demonstrate how these women participated in the modernizing of women's roles during this era
