A Guide To The Icc Rules Of Arbitration:

A Guide to the ICC Rules of Arbitration Yves Derains, Eric A. Schwartz, 2005-01-01 The ICC Rules of Arbitration constitute one of the world's oldest and most widely used sets of rules for the resolution of international commercial disputes. In 1998, shortly after the entry into force of the current version of the Rules, the First Edition of this book appeared and quickly became an indispensable resource for all those involved or interested in ICC arbitrations including arbitrators, counsel, and parties. In this updated and revised edition, the authors, two of the world's leading experts on ICC arbitration, have revised the Guide in order to take stock not only of the evolution in ICC practice over the last seven years but of new arbitral and judicial decisions bearing on the interpretation and application of the Rules and of developments in international arbitration practice generally. The Guide's notable features include article by article commentary on the ICC Rules enriched by the authors' and personal involvement in their drafting and years of experience as arbitrators, counsel, and former Secretaries General of the ICC International Court of Arbitration; ample and greatly expanded references in respect of the Rules and individual provisions to relevant national court judgments and arbitral awards together with extensive bibliographical sources; and up to date statistics on ICC arbitration and copies of all ICC rules on dispute resolution mechanisms in addition to arbitration. A truly comprehensive reference work on ICC arbitration practice, the Second Edition of the Guide will be of immeasurable value to corporate counsel, international lawyers, and business people as well as to all those interested in the international arbitration process.

A Guide to the New ICC Rules of Arbitration Yves Derains, Eric A. Schwartz, 1998-06-08 The ICC Rules of Arbitration, the Rules constitute one of the world's oldest and most widely used sets of rules for international commercial disputes. On January 1, 1998, new rules took effect which represent the first major reform of the Rules in two decades. Both authors had an intimate involvement in the preparation of the new Rules: Mr. Derains as chairman of the working party that prepared them and Mr. Schwartz as Secretary General of the ICC Court during their preparation. Mr. Derains has also served in this position. In the Guide, they draw on their knowledge of ICC Court practice and of issues that commonly arise in connection with the application and interpretation of the Rules. The result is a unique practical reference for anyone dealing with or expecting to deal with the new ICC Rules.
