A Guide To The Sacraments:

A Guide to the Sacraments John Macquarrie, 2013-01-26 A highly acclaimed account of the sacramental principle and the seven sacraments of the church A Guide to the Holy Sacraments in a Series of Lectures on the Baptismal Service Harry Crosswell, 1857 Understanding the Sacraments Peter M. J. Stravinskis, 1997-01-01 Understanding the Sacraments is a popular guide for prayer and study of all seven sacraments designed for use by individuals and groups Everyday anecdotes and examples enliven the text Questions for group discussion are appended Fulfilled in Christ: The Sacraments. A Guide to Symbols and Types in the Bible and Tradition Fr. Devin Roza, 2015-07-01 The Early Church read the Scriptures with the conviction that in the words of St Augustine The New Testament lies hidden in the Old and the Old Testament is unveiled in the New Drawing inspiration from how both the Apostles and Christ himself read the Old Covenant as referring to the New cf Luke 24 27 1 Peter 3 20 21 1 Corinthians 10 1 5 the Church found the Old Testament to be rich with figures or types that foreshadowed both the mysteries of the life of Christ and the mysteries or sacraments of the New Covenant And yet in modern times the study of types or typology has been largely abandoned by scholars due to the dangers of subjectivity and exaggeration How can typology be studied in a way that is objective and that avoids the excesses present in the past Fr Devin Roza seeks to offer a solution to these difficulties by asking the question According to the Scriptures and the living Tradition of the Church what are the types and symbols of the sacraments and what do they mean As authorized representatives of the living Tradition the Liturgy including the readings from the Church Fathers and the Catechism together with the Scriptures offer both the scholar and pastor the opportunity to study typology as the Catholic Church herself understands and prays it today in those texts the Church considers her own Fulfilled in Christ thus offers a comprehensive and readable summary of references to types and symbols of the sacraments in the Scriptures and the living Tradition of the Church as represented by the Liturgy and the Catechism The result is a highly objective scholarly and at the same time pastoral study of how the Church understands and lives the types and symbols of the sacraments today **The Sacraments** Ross Thompson, 2006 Provides a grounding in the historical development of the Sacraments from the Old Testament through to modern day thinking General ideas of sacraments and ritual are covered as well as Old Testament practices the response of Jesus and the Early Church Sacraments and Prayer Catechist's Guide Patricia Clement, 2009-02 This faith formation program introduces young Catholic adolescents to Jesus Christ in a new way and inspires them to follow him Fostering the faith of young adolescents involves helping them to make connections between the Catholic faith and everyday life **Fellowship with Christ** Stephen Higginson Tyng, 1854 *Manual of Sacred History: a guide to the understanding of the Divine plan of salvation ...
