

A Hard And Heavy Thing

Josef Leonhard Hilpert

A Hard And Heavy Thing:

A Hard And Heavy Thing Matthew J Hefti, 2015-12-04 Top 10 First Novels of 2016 Booklist 2016 Great Group Reads Selection Contemplating suicide after nearly a decade at war Levi sits down to write a note to his best friend Nick explaining why things have to come to this inevitable end Years earlier Levi a sergeant in the army made a tragic choice that led his team into ambush leaving three soldiers dead and two badly injured During the attack Levi risked death to save a badly burned and disfigured Nick His actions won him the Silver Star for gallantry but nothing could alleviate the guilt he carried after that fateful day He may have saved Nick in Iraq but when Levi returns home and spirals out of control it is Nick s turn to play the savior urging Levi to write Levi begins to type as a way of bidding farewell but what remains when he is finished is not a suicide note It s a love song a novel in which the beginning is the story s end the story s end is the real beginning of Levi s life and the future is as mutable as words on a page

The Fountain of Life John Flavel, 2025-06-01 John Flavel is one of the most Christ centered authors and theologians of all time In his book The Fountain of Life Flavel opens and discusses every detail of Christ s Person and Work but he does not do it in a dry manner He is centering all Christian experience in the glorified Christ He connects the dots between everything that Christ was is and will be and the everyday experience of every true believer Flavel compels us to see that if we trust our Lord with the things of this world and the world to come we can trust Him with every detail of both worlds to our best and to His glory This book was originally published in 1840 This edition has been proofread typeset for eBook readers and lightly updated for modern readers

Words and Meanings Cliff Goddard, Anna Wierzbicka, 2014 This book presents cross linguistic and cross cultural investigations of word meaning from different domains of the lexicon concrete abstract physical sensory emotional and social The words they consider are complex culturally important and basic in a range of languages that includes English Russian Polish French Warlpiri and Malay

Whole John FLAVELL, 1796 *The Whole Works of the Rev. Mr. John Flavel ... To which is Added, an Alphabetical Table of the Principal Matters Contained in the Whole Works. The Latin, Greek and Hebrew Notes and Quotations, are Now First Translated in this Edition* John FLAVELL, 1820

The Virtuous Life in Greek Ethics Burkhard Reis, 2006-07-20 There is now a renewed concern for moral psychology among moral philosophers Moreover contemporary philosophers interested in virtue moral responsibility and moral progress regularly refer to Plato and Aristotle the two founding fathers of ancient ethics The book contains eleven chapters by distinguished scholars which showcase current research in Greek ethics Four deal with Plato focusing on the Protagoras Euthydemus Symposium and Republic and discussing matters of literary presentation

alongside the philosophical content The four chapters on Aristotle address problems such as the doctrine of the mean the status of rules equity and the tension between altruism and egoism in Aristotelian eudaimonism A contrast to classical Greek ethics is presented by two chapters reconstructing Epicurus views on the emotions and moral responsibility as well as on moral development The final chapter on personal identity in Empedocles shows that the concern for moral progress is already palpable in Presocratic philosophy

The Whole Works of the Reverend Mr. John Flavel ... To which are Added, Alphabetical Tables of the Texts of Scripture Explained; and Indexes of Principal Matters Contained in the Whole John Flavel,1740

Platonic Conversations Mary Margaret McCabe,2015 M M McCabe presents a selection of her essays which explore the ways in which the Platonic method of conversation may inform how we understand both the Platonic dialogues and the work of his predecessors and his successors The centrality of conversation to philosophical method is taken here to account both for how we should read the ancients and for the connections between argument knowledge and virtue in the texts in question The book argues that we should attend consequently to the reflective dimension of reading and thought and that this reflection explains both how we should think about the conditions for perception and knowledge and how those conditions in turn inform the theories of value of both Plato and Aristotle
