Johnson, 2019-05-23 We Evangelicals struggle with mysteries Answers are sought meanings defined and theology put in nice neat boxes for clarification or simply to justify our denominational notions As Augustine notes we are talking about God after all Why is it surprising that we do not understand If we did understand then it would not be God Mysteries remind us that God is bigger than our preconceived ideas about his involvement with those created in his image Divine Mysteries Concise and Thoughtful Ancient Biblical Wisdom addresses some of these mysteries in a provocative and succinct manner *The Shepherd of Hermas* Caroline P. Buie, Michael Svingel, 2024-11-28 A notoriously puzzling text the Shepherd of Hermas has been as challenging to scholars as it was revered in the patristic period This volume offers a new lucid translation recreating the original colloquial tone of the work to help dispel some of the mystery and misunderstanding surrounding this work With introductory essays exploring authorship genre and theological and practical content this volume draws out the powerful images and practical principles which remain relevant for readers Accompanied by a commentary that unpacks the meanings of this ancient text this volume allows the Shepherd of Hermas unique voice to be illuminated and understood **The Future Jew** Michael Carin, 2001 Views the Holocaust as a pivotal event in history and concludes that God does not exist Argues for a secular humanistic Judaism of the future Jew Holocaust memory is central to this vision which aims at preventing another holocaust or any other genocide Presents an example of a Holocaust seder and stresses that every day should be Holocaust Day States that antisemitism is a constant in history and despite the utopian rationality and science based humanism espoused expresses a commitment to cut off the hands of any antisemitism that threatens before it can harm the Jews This combination of humanism and perpetual memorializing of the Holocaust is seen as giving some redemptive meaning to the Holocaust Much attention is paid to arguing that God's failure to save the Jews proves His non existence **The Ten Commandments Guidebook** Michael Alan Ross, Michael A.
