Bard, Ph.D., 2008-09-02 Fully updated fourth edition The Middle East is perhaps the most tumultuous area on earth with ancient battles still being fought This updated guide offers an intense look through the lens of present day knowledge at current events and the everchanging political and social landscape as well as the region's history And it addresses The re arming of Hezbollah Iran's increased threat of acquiring nuclear weapons The odds of Palestinian unity in peace talks The evacuation from Gaza

A Comparison of the Egyptian Revolutions of 1952 and 2011 Muhammet Musa Budak, 2021-12-15 The 2011 uprisings across the Arab world directed the attention of the international community to the Middle East once again Millions of people took to the streets to demonstrate against their autocratic regimes This was an important indication of the Arab people's

desire for change along with an opportunity to restore their dignity Although over time these movements weakened they gave rise to discussions of politics economy social organisms and civil militia relations To understand this phenomenon various theories including revolutionary ones were discussed The revolutionary experiences of these countries are important to examine as these very countries had similar waves of change over 50 years ago The Arab countries of Egypt Tunis Libya Syria and Yemen had gone through coup d tats and leader changes during the 1950s and 60s Comparing these two periods may provide very useful insights to understand the demands of people and how they act to reach these goals This book will particularly analyze the revolutionary periods of Egypt in the 1950s and 2010s As such it will be useful not only to scholars and students of Middle Eastern studies but also to people who want to understand the nature of the demands for change in this region

Iran's Reconstruction Jihad Eric Lob,2020-02-27 The first full length study to examine the significance of the critical but neglected Iranian organization and ministry Reconstruction Jihad

Survey of Arab-Israeli Relations 1947-2001 David Lea,2003-09-02 A definitive survey of one of the highest profile and longest running contemporary international disputes

The Jews of the Ottoman Empire and the Turkish Republic Stanford J. Shaw,2016-07-27 This book studies the role of the Ottoman Empire and Republic of Turkey in providing refuge and prosperity for Jews fleeing from persecution in Europe and Byzantium in medieval times and from Russian pogroms and the Nazi holocaust in the nineteenth and twentieth centuries It studies the religiously based communities of Ottoman and Turkish Jews as well as their economic cultural and religious lives and their relations with the Muslims and Christians among whom they lived

Modernity Dietrich Jung,2023-01-01 This book combines sociological theorising with studies on the Middle East and Islam The diversity of modernities that can be observed in our world is linked to the claim of living in a global modernity in a world society The book underpins this claim with numerous excursions into Islamic history It criticises the view that modernisation can be equated with westernisation and considers different projects of specifically Islamic modernities as integral parts of world society From this perspective the study contributes to the provincialisation of European history in contemporary social scientific thought Contrary to the theories of postcolonialism associated with the call for the provincialisation of Europe however this book adheres to essential traditions of classical sociology It thus aims to make a contribution to the social theoretical discussion on modernity which is empirically underpinned with the help of data from the history of the Middle East and Islam The translation was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of content **Recovering 9/11 in New York** Robert Fanuzzi,Michael Wolfe,2014-04-23 This collection of

essays offers a rich variety of approaches to how people and institutions in greater New York have sought to find meaning in the 9 11 attacks on the World Trade Center now a decade on The views and practices documented here join memory recovery and rebuilding together to form a vital new chapter in New York s metropolitan history Contributors contest the dominant nationalist narrative about 9 11 to generate a more local and socially engaged form of scholarship that connects directly with the experiences of people who lived or came to work in New York that fateful day and the years that followed In doing so these essays give academics and clinical professionals an opportunity to reflect upon and work with the people of a community in this case metropolitan New York as essential partners and even the main protagonists in creating new paradigms to capture the significance of these events and their aftermath The collection is comprised of sixteen essays by experts drawn from a wide range of scholarly and professional fields They investigate how people across the New York metropolitan region initially responded to and have since remembered the events of September 11th as they rippled out into the city the surrounding metropolitan region and the nation at large They engage directly with the emotional and psychological aftermath of the attacks approaching the questions of healing and teaching from a variety of institutional professional and non professional perspectives The volume concludes with a selection of essays that grapple with the challenge of Representing 9 11 Contributors to this section evaluate contemporary novels and films that have risked engagement with deep narrative traditions to translate the recent memory of public events into resonant stories and

imaginative language Readers are invited to consider how all these responses in literature memorials media representations and the words and actions of diverse individuals still contribute to the complex yet inescapable challenge of making meaning of 9 11

Egypt After Mubarak Bruce K. Rutherford, 2013-02-24 Egypt after Mubarak demonstrates that both secular and Islamist opponents of the regime are navigating a middle path that may result in a uniquely Islamic form of liberalism and perhaps democracy Essential reading on a subject of global importance Egypt after Mubarak draws upon in depth interviews with Egyptian judges lawyers Islamic activists politicians and businesspeople It also utilizes major court rulings political documents of the Muslim Brotherhood and the writings of Egypt's leading contemporary Islamic thinkers BOOK JACKET

The Contemporary Middle East Ann Elizabeth Mayer, 2010-07-27 An updated collection of incisive essays on contemporary political situations in the Middle East with emphases on Israel Palestine Iraq and Iran
