A Killing At The Creek An Ozarks Mystery Ozarks Mysteries:

A Killing at the Creek Nancy Allen, 2024-04-16 Prosecutor Elsie Arnold loves her small town home in the Ozark hills but she's been waiting for a murder to come along and make her career. So when a body is found under a bridge throat cut Elsie jumps at the chance to work on the case even if it's alongside the brash new chief assistant Chuck Harris and her latest flame Detective Bob Ashlock. But when the investigation reveals that the deceased woman was driving a school bus and the police locate the vehicle its interior covered in blood the occupant and only suspect is a fifteen year old boy Elsie's in for more than she bargained for. Win or lose this case will haunt her. No one has successfully prosecuted a juvenile for first degree murder in McCown County. If she loses it's her career on the line and a chilling homicide unresolved if she wins a boy's liberty will be taken from him before he reaches his sixteenth birthday.

The Code of the Hills Nancy Allen, 2014-04-15 To uncover the truth she'll have to break the code of the hills. In the Missouri Ozarks some things aren't talked about even abuse. But prosecutor Elsie Arnold is determined to change that. When she is assigned to prosecute a high profile incest case in which a father is accused of abusing his three young daughters Elsie is ready to become the Ozarks avenging angel. But as Elsie sinks her teeth into the case everything begins to turn sour. The star witness goes missing the girls refuse to talk about their father who terrorizes the courtroom from the moment he enters and Elsie begins to suspect that their tough as nails mother has ulterior motives. To make matters worse Elsie receives gruesome threats from local extremists warning her to mind her own business. While Elsie swears not to let a sex offender walk she realizes the odds and maybe the town are against her and her life begins to crumble. But amidst all of the conflict the safety of three young girls hangs in the balance. A powerful debut with the haunting atmosphere of *Winter's Bone* and the page turning suspense of Alafair Burke's thrillers. *Remembering Ella*

Nita Gould, 2018-10-01 In November 1912 popular and pretty eighteen year old Ella Barham was raped murdered and dismembered in broad daylight near her home in rural Boone County Arkansas. The brutal crime sent shockwaves through the Ozarks and made national news. Authorities swiftly charged a neighbor Odus Davidson with the crime. Locals were determined that he be convicted and threats of mob violence ran so high that he had to be jailed in another county to ensure his safety. But was there enough evidence to prove his guilt? If so had he acted alone? What was his motive? This examination of the murder of Ella Barham and the trial of her alleged killer opens a window into the meaning of community and due process during a time when politicians and judges sought to professionalize justice moving from local hangings to state run executions. Davidson's appeal has been cited as a precedent in numerous court cases and his brief was reviewed by the lawyers in Georgia who prepared Leo Frank's appeal to the U.S. Supreme Court in 1915. Author Nita Gould is a descendant of the Barhams of Boone County and Ella Barham's cousin. Her tenacious pursuit to create an authoritative account of the community the crime and the subsequent legal battle spanned nearly fifteen years. Gould weaves local history and short biographies into her narrative and also draws on the official case files hundreds of newspaper accounts and personal Barham

family documents Remembering Ella reveals the truth behind an event that has been a staple of local folklore for more than a century and still intrigues people from around the country The Chain Rejoined J.
