A Last Kiss for Mummy: A teenage mum, a tiny infant, a desperate decision Casey Watson, 2013-10-24 Bestselling author and foster carer Casey Watson tells the heartbreaking true story of a teenage mother and baby in need of a safe and loving home

[A Last Kiss for Mommy](#) Casey Watson, 2016-07-12 Bestselling author and foster carer Casey Watson tells the heartbreaking true story of a teenage mother and baby in need of a safe and loving home At fourteen Emma is just a child herself and one who's never been properly mothered She has been in foster care several times already and when she discovered she was pregnant and refused to have an abortion her mother threw her out of the house Casey and her family instantly form a strong bond with Emma's baby Roman but dealing with Emma's behaviour and constant lack of responsibility is a far tougher challenge And before long Casey finds she's doing something she never thought she would covering up for Emma's shortcomings as she allows her personal involvement to colour her judgement But the more Casey gets to know Emma the more she's convinced that with the right help and guidance this lonely and unsupported girl can become a good mother to her gorgeous little boy That's what makes it even harder when Casey and her family have to make a stark choice to hold on to Emma or look after Roman to help a teenage girl desperate to turn her life around or offer an innocent baby a safe home and much needed good start in life

Fulfilment K.M. Golland, Sometimes you have to risk everything to discover so much more I had to follow my heart and not my head to find the man of my dreams and I had to do what was wrong to figure out what was right Bryce Clark was my boss and I was happily married or so I thought He showed me what true love was and that it was worth fighting for Now I'm living a new life with a new man and a baby on the way We're happy In love Excited about what's to come Except not everyone shares our joy One person lurks in the shadows and he wants me out of Bryce's life for good

Jungvolk Wilhelm Gehlen, Don Gregory, 2008-06-19 An extraordinary account of a young boy caught up in the middle of a war frank and even funny at times utterly absorbing Books Monthly This is the wartime memoir of a boy named Will who happened to be the nephew of the head of Nazi Germany's intelligence agency The author only ten years old when the war began became a helper at the local Luftwaffe flak battery fetching ammunition It was exciting work for Will a member of the Jungvolk and by the end of the war he had become expert at judging attacks As fighter raids increased in frequency he noted that the pilots became less skilled Gehlen's town was repeatedly bombed and he often had to help with the wreckage or to pull survivors from basements He witnessed more death than a child ever should nevertheless his flak battery continued firing until US tanks were almost on top of the position In this book Gehlen provides an intimate glimpse of the chaos horror and black humor of life just behind the front lines As seen through the eyes of a child who was expert in aircraft identification and bomb weights food rationing and tank types one encounters a view of life inside Hitler's wartime Reich that is both fascinating and rare Although the memories Gehlen shares are narrow and offer little insight into the Reich itself they're remarkable for the child's perspective they bring to bear on a warring country's ferocious struggle Publishers

Weekly A real gem a quiet tour de force Despite its serious subject matter the book reads as an adventure story from start to finish Military Modelling

Aftershock: an Eye of the Storm Companion Novel Dianna Hardy, Aftershock is a companion novel to the Eye of the Storm series and also acts as a PREQUEL to a brand new series to come You don t have to read Eye of the Storm to enjoy this novel some background is given However we always recommend you do in order to gain full understanding of how the characters have arrived at this point Self sufficient and travellers at heart Pete and Claire packed bags five years ago and headed on a journey that would change their lives forever After the unexpected death of her childhood best friend Sarah Claire has nurtured both an open wound and Sarah s baby a miracle born on her deathbed Pete has been nothing short of a father to baby Jasmine and partner to Claire the werewolf in him one of the few things in the world Claire connects with However despite their love for their adopted daughter and each other fate s about to test the foundation they ve built Jasmine has been having episodes seizures the doctors aren t sure exactly what they are or what triggers their onset but when a little boy is hurt by Jasmine s hand they can no longer wait for answers They consider taking to the road once more believing a life of travel might be safer than planting roots But there s a Supermoon coming the first in thirty years and with it a total lunar eclipse Pete can feel the charge in the air and it seems so too can Jasmine With her terrible secret legacy threatening to break through the shadows Pete and Claire have a devastating reality to face Can you ever escape what you truly are Blood never lies NOTES This is a dark paranormal fantasy novel Contains some explicit scenes Written in British English
