Women and Romance Susan Ostrov Weisser, 2001-07 Weisser, English. Adelphi U. writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love. In particular, she explores the collision of pervasive media images of romance with feminist values of independence and self-assertion. Several dozen historic and contemporary works of criticism, personal essays, and letters by feminist and anti-feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women. Contributors include Jean-Jacques Rousseau, Charlotte Brontë, Karen Horney, Simone de Beauvoir, Rita Mae Brown, bell hooks, Vivian Gornick, and Carolyn Heilbrunn. c. Book News, Inc. **The President's Daughter** Nan Britton, 2013-11-26 The President's Daughter, America's first major kiss-and-tell political biography, caused a sensation when it was published in 1928. Nan Britton described her six-year affair with the late Warren G. Harding, most famously including trysts in a White House coat closet. President Harding's paternity of Britton's daughter, Elizabeth Ann, born in 1919, was proved by DNA testing in 2015.

Flores,2017-06-17

The year is 2003 Plantation Florida a suburban paradise known for its manicured lawns and sprawling golf courses is a place where dreams of a better life often take root For Paul Sterling a 14 year old eighth grader who recently moved with his mother from Cincinnati Ohio Plantation represented a chance for a fresh start Paul carried with him the weight of a troubled past marked by his father s abusive behavior and the scars of undiagnosed PTSD Seeking solace in his new surroundings he found solace in classic cars and the soothing melodies of country music However his past lingered casting long shadows over his present At Plantation Middle School Paul crossed paths with Jessica Baez a bright and spirited seventh grader with Cerebral Palsy Their connection was immediate blossoming into a passionate love story that defied their age difference However their happiness was short lived

Jessica's parents consumed by their anxieties and concerns intervened forbidding her to see Paul. The heartbreak was unbearable for Paul. Consumed by anger and a sense of injustice, he clung to a single destructive thought: vengeance. In a moment of twisted logic, he believed that by punishing Jessica's parents, he could somehow right the wrongs he felt had been committed against him. On a quiet evening in Plantation, Paul snuck into the Baez residence armed with a baseball bat. The scene that followed was one of unimaginable brutality, forever etching the Plantation Murders into the annals of local crime. This is not just a story about a horrific act of violence; it is a story about the hidden depths of the human heart, a testament to the insidious power of unaddressed trauma and a stark reminder that even the most seemingly ordinary teenager can be driven to unthinkable acts when their pain is left to fester.
