## **A Soft Place To Land:**

*A Soft Place to Land* Susan Rebecca White, 2010-04-06 From the award winning author of *Bound South* comes a powerful moving novel of family loss and sisterly redemption For more than ten years Naomi and Phil Harrison enjoyed a marriage of heady romance tempered only by the needs of their children But on a vacation alone the couple perishes in a flight over the Grand Canyon After the funeral their daughters Ruthie and Julia are shocked by the provisions in their will not the least of which is that they are to be separated Spanning nearly two decades the sisters journeys take them from their familiar home in Atlanta to sophisticated bohemian San Francisco a mountain town in Virginia the campus of Berkeley and lofts in Williamsburg Brooklyn As they heal from loss search for love and begin careers their sisterhood once an oasis becomes complicated by resentment anger and jealousy It seems as though the echoes of their parents deaths will never stop reverberating until another shocking accident changes everything once again **Not Weakness** Francesca

Grossman, 2025-07-30 After thyroid cancer Crohn s disease and a slew of other autoimmune conditions ransacked her body in her twenties and thirties Francesca was left feeling completely alone in her chronic pain Constant relentless often indescribable and always exhausting it affected her whole life intimacy motherhood friendship work and mental health Yet it was also fairly invisible and because of that Francesca felt entirely alone in the centrifuge of her own pain But after twenty plus years of living this way isolated and depressed she started to wonder if she lived in pain others must too so why couldn t she name one person in her community who suffered like she did On a whim Francesca started asking women in her community if they had chronic pain only to find that she was surrounded by women also battling in silence The more she spoke to people the more she found common themes and experiences proving that her stories of pain were not unique and neither were her feelings of loneliness and seclusion Liberated by this discovery Francesca realized something while she couldn t alleviate anyone s pain maybe she could lift the shadows surrounding it bring these common stories into the light with the goal of helping her fellow chronic pain sufferers feel a little less alone Imbued with a deep respect for the women who tell their stories in its pages as well as a healthy skepticism of the healthcare world and how it can silence shame and ignore women in pain *Not Weakness* is galvanizing memoir about living and loving with chronic pain *Breathe* Bonnie
