A Star In The East The Rise Of Christianity In China:

A Star in the East Rodney Stark, Xiuhua Wang, 2015-05-02 What is the state of Christianity in China Some scholars say that China is invulnerable to religion In contrast others say that past efforts of missionaries have failed writing off those converted as nothing more than rice Christians or cynical souls who had frequented the missions for the benefits they provided Some wonder if the Cultural Revolution extinguished any chances of Christianity in China Rodney Stark and Xiuhua Wang offer a different perspective arguing that Christianity is alive well and on the rise Stark approaches the topic from an extensive research background in Christianity and Chinese history and Wang provides an inside look at Christianity and its place in her home country of China Both authors cover the history of religion in China disproving older theories concerning the number of Christians and the kinds of Christians that have emerged in the past 155 years Stark and Wang claim that when just considering the visible Christians those not part of underground churches thousands of Chinese are still converted to Christianity daily and forty new churches are opening each week A Star in the East draws on two major national surveys to sketch a close up of religion in China A reliable estimate is that by 2007 there were approximately 60 million Christians in China If the current growth rate were to hold until 2030 there would be more Christians in China about 295 million than in any other nation This trend has significant implications not just for China but for the greater world order It is probable that Chinese Christianity will splinter into denominations likely leading to the same political social and economic ramifications seen in the West today Whether you re new to studying Christianity in China or whether this has been your area of interest for years A Star in the East provides a reliable thought provoking and engaging account of the resilience of the Christian faith in China and the implications it has for the future *Christianity and the Modern Woman in East Asia* Garrett L.

Washington, 2018-09-04 This edited volume explores the complex roles that Christian ideas and institutions played in the construction of modern womanhood in East Asia While contributing to gender dynamics that disprivileged women in China Japan and Korea Christianity was also instrumental in women s efforts to empower themselves and participate in the public sphere Many literate East Asian women mobilized Christian beliefs knowledge institutions and networks to raise the profile of The Woman Question frame the contours of the related debate and craft original responses These chapters examine East Asian women who were markedly influenced by Christianity as students trainees educators professionals and activists Using their increased visibility and resources they addressed the dilemmas and promises of modernity for women in their countries

China's Harvest Fields Tabor Laughlin, 2020-04-29 This book is about specific ministry needs or opportunities in China It is perfect for missionaries who are serving or will serve in China to read to get a better idea for ministry opportunities within China Additionally the chapters are very relevant for Chinese believers in house churches in China Though house churches in China have spread across China and matured over recent decades this book focuses on multi faceted ways that house churches in China can continue to mature in their faithfulness to the gospel This book has multiple authors each of which is

writing a chapter relating to their expertise A chapter in this book written by author John Ensor is about doing ministry through anti abortion pregnancy help clinics in China Another chapter in this book written by Elisabeth Kim is about doing ministry through working in large corporations in China These are just some examples of profound and practical chapters that are written by the authors of this book about ministry opportunities in China Some of the authors in this book are mission professors in the US Some are missionaries with various platforms and ministries in China **China's Urban Christians** Brent Fulton,2016-12-29 China's Urban Christians A Light at Cannot Be Hidden looks at how massive urbanization is redrawing not only the geographic and social landscape of China but in the process is transforming China's growing church as well The purpose of this book is to explore how Christians in China perceive the challenges posed by their new urban context and to examine their proposed means of responding to these challenges Although not primarily political in nature these challenges nonetheless illustrate the complex interplay between China's Christian community and the Chinese party state as it comes to terms with the continued growth and increasing prominence of Christianity in modern China

Research in the Social Scientific Study of Religion, Volume 28 Andrew Village,Ralph W. Hood,2017-07-10 This volume of Research in the Social Scientific Study of Religion includes a wide range of papers from a social science perspective The special section gives a unique insight into the rapidly growing field of psychological studies of religion in China It draws on experts from China and the USA who met for a conference at Fuller Theological Seminary and have together compiled a collection of original research and reviews that helps to locate the current state of the discipline from a specifically Chinese perspective Other papers in the volume examine intergenerational religious transmission and religious problem solving styles in the USA A History of Christian Conversion David W. Kling,2020-05-05 Conversion has played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process A History of Christian Conversion not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling's book is the most satisfying and comprehensive account of conversion in

Christian history to date this major work will become a standard must read in conversion studies Vietnamese Evangelicals and Pentecostalism Vince Le, 2018-11-05 This book offers an analysis of the historical theological and social conditions that give rise to the growth of pentecostalism among contemporary Vietnamese evangelicals Emerging from the analysis is an understanding of how underprivileged evangelicals have utilized the pentecostal emphasis on divine intervention in their pursuit of the betterment of life amid religious and ethnic marginalization Within the context of the global growth of pentecostalism Vietnamese Evangelicals and Pentecostalism shows how people at the grassroots marry the deeply local based meaning dictated by the particularity of living context and the profoundly universal truth claims made by a religion aspiring to reach all four corners of the earth to enhance life *China's Ambassadors of Christ to the Nations* Tabor Laughlin, 2020-03-24 Maybe you are familiar with the growth in recent decades of majority world missionaries being sent all over the world from non Western countries i e countries in Asia Africa Latin America Middle East This book focuses on missionaries sent from one non Western country analyzing the experiences of Chinese missionaries on the mission field The missionaries interviewed were sent from house churches in mainland China have served overseas for at least two years and are ministering cross culturally to non Chinese on the mission field The first research question relates to Chinese missionaries successes and difficulties in cross culturally building relationships with locals learning the local language and adjusting to the local culture The second research question analyzes factors that have contributed to the Chinese missionaries remaining on the mission field This included how pre field preparation and on field support contributed to their retention Also analyzed were other challenges and needs the missionaries had on the field The interviewees were serving in countries in Central Asia Southeast Asia and the Middle East **Counting Christians in China** Chris White, 2017 **The Oxford History of Protestant Dissenting Traditions, Volume V** Mark P. Hutchinson, Mark Hutchinson, 2018 Volume V extends the study of the Oxford History of Dissenting Protestant Traditions series into the twentieth century following the spatial cultural and intellectual changes in dissenting identity and practice as these once European traditions globalized and settled down in other places **Religion and Crime: Theory, Research, and Practice** Kent R. Diversity, Inclusion, and Decolonization Abby Day, Lois Lee, Dave S.P. Thomas, James Spickard, 2023-11-14 Despite progress the Western higher education system is still largely dominated by scholars from the privileged classes of the Global North This book presents examples of efforts to diversify points of view include previously excluded people and decolonize curricula What has worked What hasn't What further visions do we need How can we bring about a more democratic and just academic life for all Written by scholars from different disciplines countries and backgrounds this book offers an internationally relevant practical guide to doing diversity in the social sciences and humanities and decolonising higher education as a whole

All Things New Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2019-09-30 The Christian faith presents a distinctive vision of last things that God in Christ aims to reconcile the world to himself and through his Spirit and a new people to set all things to right This good news is for all nations and peoples but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church In *All Things New* leading theologians and biblical scholars from Africa Asia Latin America and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church's vision of the eschaton

Youth, Emerging Adults, Faith, and Giving Patricia Snell Herzog, 2018-05-04 This book is a printed edition of the Special Issue Youth Emerging Adults Faith and Giving that was published in *Religions*

The Triumph of Faith Rodney Stark, 2023-08-22 God is not dead Wall Street Journal Believe it or not the world is more religious than ever before Everyone seems to take it for granted that the world is getting more secular that faith is doomed by modernity Scientists secularists and atheists applaud the change religious believers lament it But here's the thing they're all wrong and the bestselling author and influential scholar of religion Rodney Stark has the numbers to prove it *The Triumph of Faith* explodes the myth that people around the world are abandoning religion Stark marshals an unprecedented body of data surveys of more than a million people in 163 nations to paint the full picture that both scholars

and popular commentators have missed And he explains why the astonishing growth of religion is happening and what it means for our future Stark's bracing book is full of insights that defy the conventional wisdom With vigorous prose he reveals Why claims about Millennials lack of religion are overblown and historically ignorant Why Islam is NOT overtaking Christianity How 4 out of 5 people worldwide now belong to an organized religion How 50 percent have attended a worship service in the past week Why much ballyhooed studies from the Pew Research Center and others get the religious landscape wrong Why atheists remain few anywhere despite all the talk of the New Atheism As Stark shows secularists have been predicting the imminent demise of religion for centuries It is their unshakable faith in secularization that may be the most irrational of all beliefs As the author of *How the West Won The Victory of Reason* and many other bestselling works Rodney Stark has a richly deserved reputation for writing page turning myth busting books He is also a groundbreaking scholar who has so reshaped the social scientific study of religion that his work has become the basis of a new paradigm Stark puts all those talents on full display in *The Triumph of Faith* This book will change how you see both religion and the forces of secularization

Confucianism's Prospects Shaun O'Dwyer, 2019-08-01 Challenges descriptions of East Asian societies as Confucian cultures and critically evaluates communitarian Confucian alternatives to liberal democracy In *Confucianism's Prospects* Shaun O Dwyer offers a rare critical engagement with English language scholarship on Confucianism Against the background of historical and sociological research into the rapid modernization of East Asian societies O Dwyer reviews several key Confucian ethical ideas and proposals for East Asian alternatives to liberal democracy that have emerged from this scholarship He also puts the following question to Confucian scholars what prospects do those ideas and proposals have in East Asian societies in which liberal democracy and pluralism are well established and individualization and declining fertility are impacting deeply upon family life In making his case O Dwyer draws upon the neglected work of Japanese philosophers and intellectuals who were witnesses to Japan's pioneering East Asian modernization and protagonists in the rise and disastrous wartime fall of its own modernized Confucianism He contests a sometimes Sinocentric and ahistorical conception of East Asian societies as Confucian societies while also recognizing that Confucian traditions can contribute importantly to global philosophical dialogue and to civic and religious life This book makes a significant contribution to the field by analyzing a number of claims of modern Confucianism from a critical philosophical perspective Kiri Paramore author of *Japanese Confucianism A Cultural History*

Enter the Kingdom Kenneth Swanson, 2024-06-21 Although many moral systems have been developed across history *Enter the Kingdom* goes far beyond understanding virtue simply as the means to achieve moral goodness It is a full presentation of the uniqueness of Christian virtue Although the Christian virtues are rooted in natural virtues they are distinct in two ways First Christian virtues can only be known as gifts of grace Second Christian virtues enable people of faith to enter deep intimacy with God *Enter the Kingdom* has a chapter on each of twelve virtues that most enhance Christian spiritual formation All twelve virtues are grounded in Scripture and Christian tradition

Some incorporating spiritual concepts that are impossible to translate precisely into English are presented under their original Greek names They are humility faith hope agape apatheia peace kindness generosity purity of heart praos upomone and wisdom The final chapter The Way Home presents a pattern of spiritual formation designed to move a person of faith from a state of sin and alienation to a state of grace and intimacy with God An Addendum lays out a prayer discipline which will enable a person of faith to fully embrace Christian virtue
