and the sky fills with ghost shaped black rain clouds that close in on Molly and Albert and move and morph and forebode the fast approaching ill omened night Then another massive lightning strike with its bone rattling thunder shakes Molly and Albert s nerves raw Did you see that exclaims Albert terrifyingly as he points up to a spot in one of the trees ahead of them See what asks Molly worriedly During the lightning up in that tree I saw something staring at us anxiously responds Albert It was the form of a ghost which looked to me like one of the morbidly wicked spirits that The Sovereign of Sin turned into upon his death As they slowly walk past the tree each stares up at the spot then another lightning flash occurs and instantaneously both their expressions turn ghostly fear stricken They run past the tree Albert exclaims So you saw The Sovereign of Sin s malevolent spirit No cries Molly I saw the Grim Reaper reaching out to grab me Great ghouls declares Albert Aren t we two with our spine chilling imaginations going to have fun in the haunted mansion Albert and Molly have many grand adventures in store for them as they follow clues to a killer lurking near the rich waters of the grand ol river and its lush surrounding forest The Legend of Mighty Mabel is the story of a summer of wonderful joy great adventures scary fun fun for the sake of fun and a bit of romance And it is the story of the bravery the love and the Lessons of Life of Mighty Mabel
