A Year of Mercy Pope Francis, 2015 Pope Francis has called mercy the Lord's most powerful message. Published in partnership with the Vatican, *A Year of Mercy* celebrates the Jubilee year of 2016 with a collection of his most moving words on the subject. These short passages reflect the pope's warm, accessible style and powerfully convey the message of God's love and his infinite capacity for forgiveness. Pope Francis addresses not only God's mercy for his people but also our own call to be merciful to our fellow sinners. This inspiring collection is sure to renew and reaffirm your own trust in God's infinite mercy. *Pope Francis and the Event of Encounter* John C. Cavadini, Donald Wallenfang, 2018-01-19 Since being elected to the Chair of St Peter on March 13, 2013, Pope Francis has given unique shape to the meaning of the new evangelization. With his emphasis on the concept of encounter and his stunning expression of pastoral ministry in *Evangelii gaudium*, the present pontiff has breathed new life into the Christian vocation to evangelize. This book brings together the voices of fifteen American Catholic scholars around the theme of Pope Francis and the Event of Encounter. Inaugurating the new series *Global Perspectives on the New Evangelization*, this book incorporates a variety of approaches and questions in order to amplify the theology behind the pontificate of Pope Francis and the most recent developments in the new evangelization. Among the topics treated in the book are mercy, ecology, doctrine, culture, and the life and ministry of Jorge Mario Bergoglio. The reader will be delighted with an array of perspectives that promise to give inspiration for embarking on further frontiers of the new evangelization. *The Crown of Sanctity* Daniel O'Connor, 2019-03-04 2,000 years ago the Son of God prayed to His Father: "Thy Will be done on Earth as it is in Heaven." This prayer, the greatest ever uttered by the lips of man, will not go unanswered. Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment—that is, for the restoration of what was destroyed by Adam 6,000 years ago in the Fall of Man. In brief, the entire world is about to be radically transformed like never before in its history. This is probably something you should know about. This book has been written to inform you about the transformation and to enable you to take part in it and hasten it. But this transformation will not be achieved through human effort. It will be given directly from Heaven by way of God's greatest Gift: the Gift of Living in the Divine Will, which is the Crown of Sanctity, and which even now we must all strive to receive. In this sanctity is found the Culmination of Deification, the Fruitfulness of Mystical Marriage, the Aspiration of the Unification of Wills, and the Essence of Marian Consecration. This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima. It is the coming of the Kingdom of God. This is a long book, but its length should turn away no one, as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal. And any reader is sure to find much that interests him. Within these pages is a treasury of resources, not only concerning Luisa's revelations directly but also on new arguments for God's existence and the truth of Christianity, extensive Catechesis on Private Revelation in general, and on the spiritual life in general, including overviews of the greatest teachings on spirituality.

McElwee,Cindy Wooden,2018 A collection of more than 50 essays by an impressive set of insightful contributors from around the globe each writing on a specific word that has become important in the ministry of Pope Francis Peace on Earth Edwin Jones,2016-05-27 This book posits that it is not possible for a civilization to maintain a human and humane culture without the assistance of religion Religion can be misused or abused into having a negative effect but an authentic religion when properly managed is the only effective source of durable common and humane values throughout society Religion s assertion of the existence of God who alone provides the transcendent power is the only logical

basis for asserting and maintaining common values for all people going far above and beyond the indiscriminate and multifarious opinions of diverse and imperfect human beings Some people can maintain certain values derived from their own consciences but human history and psychoanalysis shows that the majority of people cannot sustain a whole culture or civilization from a purely utilitarian and materialistic basis Human nature is imperfect and needs the help of a transcendent power to support its spiritual needs in a humane society and to create a culture or civilization that lasts
