A Young Mans Journey Healing For Young Men With Unwanted Homosexual Feelings:

A Young Man's Journey Floyd Godfrey, Janette K. Gibbons, Daniel Garner, Arthur Goldberg, 2012-10-01 As a young man Floyd struggled with unwanted attractions to other boys He worked furiously to keep God's commandments and pray but the feelings wouldn't go away He was tormented by temptations on a daily basis and started to consider that perhaps he was born gay Ultimately he met a man who had changed his own homosexual attractions Floyd attended a conference organized and taught by others who had changed their orientation The stories at the conference were life changing Although he had spent a couple of years with a counselor it was the first time he heard information that actually made sense Floyd began to realize the attractions were symptoms of emotional needs and wounds As he focused himself on the emotional issues his attractions to other boys diminished This workbook is written for young men who want to understand the emotional needs and wounds which generate homosexual feelings It provides insight and understanding in a simple format It can be used for parents clergy and counselors as a format for supporting young men who want to change Goals and healing activities can be established from concepts in each chapter Thousands have experienced change Born that way is a myth BACK COVER

Can You Be Gay and Christian? Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family *¿Gay y cristiano?* Michael Brown, 2014-06-03 Respuestas a las preguntas difíciles acerca de la homosexualidad y la iglesia con AMOR y VERDAD Como deben responder los cristianos a quienes llevan un estilo de vida gay pero que afirman que aman profundamente al Señor Como les respondemos cuando dicen que la ley más importante es el amor y que este nos obliga a aceptarlos tal como son Qué hacemos con el argumento de que las leyes del Antiguo Testamento ya no son válidas Gay y cristiano responde a estas y otras preguntas con una perspectiva y un conocimiento bíblicos ofreciendo una guía útil para todos los cristianos que tienen amigos o miembros de la familia que son gays o luchan con su propia sexualidad No hay duda de que la homosexualidad se ha convertido en un gran problema moral y espiritual para la iglesia en esta generación Pero ¿qué piensa Dios sobre este asunto Qué está escrito en su Palabra Qué quiere Jesús que hiciéramos Con amor misericordia y sin diluir la verdad de la Escritura Michael Brown le guía a través de diversos debates argumentos y puntos de vista para que llegue a una conclusión compasiva franca y cimentada en la Palabra de Dios **Recovery from Sexual Addiction: a Man'S Guide** Paul Becker, 2012-05-14

Reparative Therapy of Male Homosexuality Joseph Nicolosi, 2024-07-30 Reparative Therapy of Male Homosexuality is the first of a series of books by the late Dr Joseph Nicolosi originator of Reparative Therapy TM In this groundbreaking book Dr Nicolosi describes the patterns of family relationships particularly the Triadic Narcissistic Relationship which so often contribute to the psychological traumas that typically disrupt the normal process of masculine identification experienced by pre adolescent males An eminent and pioneering clinician Dr Nicolosi dedicated his

professional life to helping men who are suffering from unwanted same sex attractions SSA resume the journey toward full masculine identification that was interrupted during childhood Dr Nicolosi believed that the human being is designed for heterosexuality and that departures from that norm are inherently problematic According to reparative drive theory we are romantically drawn to the gender we do not identify with in simple terms the exotic that which is unfamiliar and exciting takes on erotic significance Homosexual attractions are a reparative drive an attempt to fulfill the normal male bonding needs that were unmet during childhood By de mystifying maleness and other men the client can resume his journey into full masculine identification and begin to explore his heterosexual potential Dr Nicolosi's humane insightful and non judgmental approach to gender affirmative psychotherapy does not pretend to cure i.e. erase all homosexual feelings but it has helped thousands of non gay homosexual men understand the source of their SSA develop confidence in their masculinity and promote non erotic same sex relationships which in turn diminishes the erotic feelings they have toward other men thus leaving room for the natural development of heterosexual attractions and ultimately satisfactory heterosexual relationships

Hounded by God Joseph Gentilini, 2017-10-05 Hounded by God the author writes about his struggle to integrate his homosexuality with his personality and his Catholic Christian spirituality Born in 1948 he grew up in the 50s 60s and 70s when homosexuality was considered either a mental illness or a major sin In 1968 he had his first homosexual experience Feeling shame and trying to repress his feelings he spent over six years in therapy Raised a strict Roman Catholic Joseph confessed his many sins to a priest and attended Mass daily He felt hopeless in accepting his homosexuality and living happily as a gay man repeating nightly If it gets too bad I can always kill myself By 1974 he knew that therapy was not changing his sexual orientation and felt desperate Joseph experienced God as hounding him to accept his gay identity and to believe that God loves him as he is His autobiographical journal reveals his gradual awakening to live his vocation not only as a gay man in relationship with his partner and with God but also as someone willing to share his

journey with those who struggle with their homosexuality and their faith
