A Heart Without Borders:

Steal My Heart Andrew Grey, 2024-11-19 Hilliard Bauman's life and his law practice are in Ohio so when he inherits a home in California his first instinct is to sell. Then again his law partner is also his ex partner so maybe starting over wouldn't be so bad. Either way he needs someone to fix up the house first. That's where Brian Mayer comes in. Brian Mayer will do whatever work he can get whether that means dog walking or painting fences. But in a small town where everyone knows everything about everyone finding jobs can be difficult especially if you've been wrongly convicted of theft. When Hilliard hires him to fix up his great aunt's place it's a relief on Brian's strained bank account but tests Brian's heart to its limits. As Hilliard digs into Brian's case and the botched investigation of the original crime things really start heating up both between him and Brian and in what should've been a cold case. This time when cops try to lay the blame at Brian's feet he has Hilliard in his corner. Can they solve the mystery put Brian's past to rest and find a new beginning together? **Eyes Only for Me**

Andrew Grey, 2015-11-23 Eyes of Love Book One For years Clayton Potter's been friends and workout partners with Ronnie. Though Clay is attracted he's never come on to Ronnie because let's face it Ronnie only dates women. When Clay's father suffers a heart attack Ronnie having recently lost his dad springs into action driving Clay to the hospital over a hundred miles away. To stay close to Clay's father the men share a hotel room near the hospital but after an emotional day one thing leads to another and straight as an arrow Ronnie makes a proposal that knocks Clay's socks off. Just a little something to take the edge off. Clay responds in a way he's never considered. After an amazing night together Clay expects Ronnie to ignore what happened between them and go back to his old life. Ronnie surprises him and seems interested in additional exploration. Though they're friends Clay suddenly finds it hard to accept the new Ronnie and suspects that Ronnie will return to his old ways. Maybe they both have a thing or two to learn. **Heart Untouched** Andrew Grey, 2018-10-09 A Hearts Entwined Novel

The sport Todd loves is draining his resources so much so that he's thinking of giving up racing just to make ends meet. As the two men work together their friendship blossoms into much more and suddenly the future is looking brighter than it has in a long time. But just when love happiness and success seem within their grasp the USOC steps in with plans to stop their campaign. That'll mean an end not just to Duncan's business but to Todd's dreams and Duncan isn't about to let that happen to the man who means everything to him. **Dedicated to You** Andrew Grey, 2024-01-09 Dillon Fitzgerald is a famous singer. The Seeking Heart Ian Mobsby,2025-01-28 In the contemporary church the word mission has become synonymous with pace expansion and results Yet such an approach can often leave those with responsibilities in mission or ministry feeling exhausted and overwhelmed Not only that but mission which focuses on the rapid and the growing fails to recognise the rich resources the more contemplative Christian traditions can offer our post secular society and especially those who would call themselves spiritual but not religious

Kinship Across Borders Kristin E. Heyer,2012-10-02 The failure of current immigration policies in the United States has resulted in dire consequences a significant increase in border deaths a proliferation of smuggling networks prolonged family separation inhumane raids a patchwork of local ordinances criminalizing activities of immigrants and those who harbor them and the creation of an underclass none of which are appropriate or just outcomes for those holding Christian commitments *Kinship Across Borders* analyzes contemporary US immigration in the context of fundamental Christian beliefs about the human person sin family life and global solidarity Kristin Heyer expertly demonstrates how current US immigration policies reflect harmful neoliberal economic priorities and why immigration cannot be reduced to security or legal issues alone Rather she explains that immigration involves a broad array of economic issues trade policies concerns of cultural tolerance and criminal justice and at root an understanding of the human person In *Kinship Across Borders* Heyer has developed a Christian immigration ethic grounded in scriptural anthropological and social teachings and rooted in the experiences of undocumented migrants that calls society to promote concrete practices and policies reflecting justice and solidarity

Living Together Across Borders Lynnette Arnold, 2024 In Living Together Across Borders author Lynnette Arnold tells the stories of extended families living stretched between a rural Salvadoran village and the urban locations in the United States where their migrant relatives live In this multi-sited ethnography Arnold examines seemingly mundane conversational practices such as sending greetings negotiating remittances and reminiscing together that are central to family life across borders Arnold underscores the consequentiality of these linguistic practices by tracing how they are shaped by and re-shape gendered and generational norms of family care as well as how they are tied to Salvadoran histories of migration violence and poverty which are powerfully influenced by U.S. economic and foreign policy This book demonstrates that these communicative practices bring inequities between the global North and South into family life by continually reproducing distinctions between relatives in El Salvador and those living in the United States Conversely she examines seemingly mundane interactions including greetings remittance negotiations and reminiscing together Although these relational moments of cross-border connection are fleeting their impacts endure laying the foundation for the ongoing material and economic provisioning necessary to family survival Through cross-border conversations families nurture intergenerational relations that sustain the family and *convivencia* living together over the years despite ongoing separation
