A Journey Of Self Discovery Combining Biblical Principles With Psychology:

A Journey of Self-Discovery Harris Mike Harris, Mike Harris, 2010-02 Many Christian teachers dismiss the field of psychology and self discovery similarly is often discounted But this author begs to differ For inasmuch as we were created in God s image to learn more about self is to learn more about the Father we were fashioned after and vice versa After all we look a lot alike ALL truth is compatible with Scripture because God is the author of it all and that includes many of the theories of psychology True psychology typically leaves out the main character of the biblical story but that s not to say we still can t learn from this discipline as long as we keep things in proper perspective In this book six psychological theories of human behavior are given a Christian interpretation The goal is to incorporate all of God s truth to more fully understand our struggle to become princes *Finding Purpose Through Scripture: A Yearlong Bible Study for Women's Empowerment*
