Shadow of a Dark Queen Raymond E. Feist, 1995-05-01 A dread darkness is descending upon a great land called Midkemia a powerful and malevolent race of monsters that has slipped through a hole in the dimensions And two unlikely young heroes a bastard heir denied his birthright and an irrepressible scoundrel with a penchant for thievery must take up arms in the struggle to protect their besieged world two friends chosen by Destiny to stand at the fore of the battle that is to come against the gargantuan reptile army of the terrible Emerald Queen

Flight of the Nighthawks Raymond E. Feist, 2007-03-27 A portent of annihilation awakens the powerful sorcerer Pug in the dead of night a dread vision warning of a vast and terrible army descending upon the exposed heart of Midkemia Even the formidable might of the Tsurani Empire will not beat back the alien invaders And in far Stardock town two boys untrained unready and barely come of age will be called upon by the mysterious Conclave of Shadows to confront a sinister plot that implicates even the highest ranking nobles in the land For a nightmare of treason intrigue and murder is brewing among an ancient Brotherhood of Death a clan of merciless assassins whose name is spoken only in fearful whispers

Honored Enemy Raymond E. Feist, William R. Forstchen, 2006-06-27 As the Riftwar tears Midkemia apart enemies trapped in the frozen Northlands must trust each other to stay alive In the sprawling embattled land of Midkemia fate can form strange alliances Nine years into the bloody and ongoing Riftwar Dennis Hartraft's Marauders are cold hungry and exhausted Having only just survived a disastrous encounter with their sworn enemy the Tsurani the soldiers are headed for a frontier garrison where they will be able to rest and recover But Hartraft's company arrives at the same time as a Tsurani

patrol and both sides discover the stronghold overrun by a migrating horde of dark elves called moredhel a foe so deadly and vicious the bitter enemies must band together and fight as one But can their hatred for their mutual enemy overcome their distrust of each other As the two groups bound to each other by their common foe make their way across the unknown Northlands to freedom they have to struggle with not only the elements and the enemy but also their consciences For with both sides carrying painful scars from past wars each man must ask himself what is more important one s life or one s honor

Talon of the Silver Hawk Raymond E. Feist, 2004-03-30 Evil has come to a distant land high among the snow capped mountains of Midkemia as an exterminating army wearing the colors of the Duke of Olasko razes village after village slaughtering men women and children without mercy And when the carnage is done only one survivor remains a young boy named Kieli A youth no longer there is now but one road for him to travel the path of vengeance And he will not be alone Under the tutelage of the rescuers who discovered him Kieli will be molded into a sure and pitiless weapon And he will accept the destiny that has been chosen for him as Talon of the Silver Hawk But the prey he so earnestly stalks is hunting him as well And Talon must swear allegiance to a shadowy cause that already binds his mysterious benefactors or his mission his honor and his life will be lost forever
