## **A Life Less Interrupted:**

**Life Interrupted** Karen Lynne Duffie, 2010-02 I have learned a few lessons since Kourt's death. One death is not negotiable. Once someone has entered the realm of death they totally cross over they are gone. That lesson has been the most difficult for me to accept. For the first time I was unable to help Kourtney with a problem. There was no phone call I could make, nothing I could do for him. I felt like I had failed him. I was not there to protect him. On the night of June 11, 2007, death took on a whole new meaning for Karen Lynne Duffie, a Michigan mother of three. That's the night her twenty-two year old son Kourtney was murdered. In this memoir Duffie provides a personal look into her day to day struggles, thoughts and activities after her first born child's death. Through journal entries Duffie tells her emotional and heart wrenching story of loss, grief and recovery. A raw and captivating narrative. **Life Interrupted** reveals this mother's innermost thoughts and feelings. By sharing this memoir Duffie provides grief support to others facing the death of a loved one. The story serves as a beacon of enlightenment, inspiration and hope for the future.

**Boy Interrupted** Patrick King, 2019-07-27 Imagine you are five years old. You haven't started kindergarten and your only knowledge of the outside world are those trips to the park where your nanny Bella lets you swing as high as you want and teeter totter and jungle gym to your little heart's content. Or when your sweet mother shows up by surprise and spirits you away to the ice cream shop for your favorite cone, very berry, strawberry, cherry, thank you very much or better still when she takes you to the movies for one of those fantastical adventures on that gigantic screen. Man, that Darth Vader is one scary dude. At home you are ensconced in the space they call your bedroom, but to you it is the universe. You designed it and in it you are the master of all. There you line up your army of soldiers and battle the Pteranodon while every stuffed critter under your watch spies it all from the edge of your bed. Your imagination is king and all is well with the world until one night. The assault had been brutal, pure physical torture. It had shocked you to the core, left you breathless and stunned. Witless. Took you weeks to recover. But that was only your body. Where does a five year old take such a thing? To whom do you speak? How do you even wrap your head around such cruelty? Such pain. Such betrayal. Daddy.

**Life's Interruptions** Innocent Leburu Eekpa, 2013-08-21 My life was interrupted on March 21, 2009, the day I was hit by a car. Upon impact I immediately lost consciousness and remained in that state for the next forty-eight hours. Completely unaware of the medical treatment that I received in the emergency room, it was as though I had been temporarily taken away from this world. Those who witnessed this scene would later tell me of the terrible accident. Since my recovery has slowly progressed, I now feel compelled to take the stand, so to speak, and tell my story so that everyone, including my family, may have a greater understanding and knowledge of my situation.
