A Scoop Of Love Sons Of Ishmael Book One:

Love Amid the Ashes (Treasures of His Love Book #1) Mesu Andrews,2011-03-01 Readers often think of Job sitting on the ash heap his life in shambles But how did he get there What was Job s life like before tragedy struck What did he think as his world came crashing down around him And what was life like after God restored his wealth health and family Through painstaking research and a writer s creative mind Mesu Andrews weaves an emotional and stirring account of this well known story told through the eyes of the women who loved him Drawing together the account of Job with those of Esau s tribe and Jacob s daughter Dinah Love Amid the Ashes breathes life romance and passion into the classic biblical story of suffering and steadfast faith *Ellicott's Commentary on the Whole Bible Volume I* Charles J. Ellicott,2015-03-27 ELLICOTT S COMMENTARY ON THE WHOLE BIBLE is a practical and ideal commentary for Sunday school teachers Christian workers Bible students libraries and ministers Each of the durably bound volumes in this handsome set is designed with an eye to the convenience of the user The large double column pages are distinctive and easy to read The helpful running commentary is always on the same page with the actual Bible text making it simple for the user to locate the information he or she seeks The comments in every case are crisply written and wonderfully practical and up to date You the user will not have to read pages of extraneous material to get the important information If you ever need help for Sunday sermons Prayer Meeting talks Messages for Young People s Groups etc Sunday school lessons Personal Bible study Messages for special occasions you will find it in ELLICOTT S COMMENTARY ON THE WHOLE BIBLE **The Book of the Torah, Second Edition** Thomas W. Mann,2013-10-23 The first five books of the Bible contain many of its most famous stories populated by vivid characters altogether human in their triumphs and failings and an equally complicated deity Many works of Western art and literature appeal to these stories from Michelangelo s painting of Adam and Eve to a novel like William Faulkner s The three great Abrahamic religions Judaism Christianity and Islam are rooted here So is much of Western political theory and constitutional polity for a good half of these books contains legislation torah of various kinds as indicated by the ancient title the book of the Torah Law and narrative together render the character of the ancient covenant community known as Israel as well as the God who rules over that community In this revised and expanded version of his popular book of 1988 Mann engages literary criticism and theology in attending both to the composite nature of the Torah or Pentateuch and to its final canonical shape Mann s study provides a lucid introduction to the heart of the Hebrew Bible suitable for students and general readers but also of interest to biblical scholars **The Book of All Books** Roberto Calasso,2021-11-16 Beautiful intellectually thrilling unlike anything else Telegraph Promise and separation Grace and guilt The chosen and the damned Roberto Calasso s captivating retelling of key stories from the bible evokes the dramatic world of the Old Testament and casts one of the founding texts of Western civilization in an astonishing and disquieting new light The Book of All Books is the culmination of a lifetime s work and the tenth part of a series that began with The Ruin of Kasch Engaging enlightening Financial Times

Surprising vivid Spectator **The Publishers Weekly** ,1890 **The American Bookseller** ,1876 **The Third Prophecy** Kiyoshi Kobayashi,2021-01-28 Though the series is a coherent unit with the unified purpose each book is designed to be read independently from the others The first three books are preparing for the proposal and the last book is augmenting the proposal His core proposition is in Book Four The Third Prophecy in fact it can be expressed in one simple sentence To love a child is not to make one **Grove chapel pulpit: discourses** Joseph Irons,1849 **A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical: O.T. v.1. Genesis, or, The First Book of Moses ... by J.P. Lange. 1868** Johann Peter Lange,1870 **An Exposition of All the Books of the Old and New Testaments** Matthew Henry,1804 Artificial Love Paul Shephard,2003-05-09 A vision of architecture that includes sculpture machines and technology and encapsulates the history of the human species According to Paul Shephard architecture is the rearranging of the world for human purposes Sculpture machines and landscapes are all architecture every bit as much as buildings are In his writings Shephard examines old assumptions about architecture and replaces the critical theory of the academic with the active theory of the architect citizen enamored of the world around him Artificial Love weaves together three stories about architecture into one The first about machines as architecture leads to speculations about technology and the human condition and to the assertion that machines are the sculptures of today The second story is about the ways that architecture reflects the tribal and personal desires of those who make it In the West ideas of community multiculturalism and globalization compete furiously leaving architecture to exist as it always has as the past in the present The third story features individual people experiencing their lives in the context of architecture Here Shephard borrows the rhetorical device of Shakespeare s seven ages of man to propose that each person s life imitates the accumulating history of the human species Shephard s version of the history of humans is a technological one in which machines become sculpture and sculpture becomes architecture For Shephard our machines do not separate us from nature Rather our technology is our nature and we cannot but be in harmony with nature The change that we have wrought in the world he says is a wonderful and powerful thing **A Kingdom of Priests** Martha Himmelfarb,2013-05-29 According to the account in the Book of Exodus God addresses the children of Israel as they stand before Mt Sinai with the words You shall be to me a kingdom of priests and a holy nation 19 6 The sentence Martha Himmelfarb observes is paradoxical for priests are by definition a minority yet the meaning in context is clear the entire people is holy The words also point to some significant tensions in the biblical understanding of the people of Israel If the entire people is holy why does it need priests If membership in both people and priesthood is a matter not of merit but of birth how can either the people or its priests hope to be holy How can one reconcile the distance between the honor due the priest and the actual behavior of some who filled the role What can the people do to make itself truly a kingdom of priests Himmelfarb argues that these questions become central in Second Temple Judaism She considers a range of texts from this period including the Book of Watchers the Book of Jubilees legal documents

from the Dead Sea Scrolls the writings of Philo of Alexandria and the Book of Revelation of the New Testament and goes on to explore rabbinic Judaism's emphasis on descent as the primary criterion for inclusion among the chosen people of Israel a position she contends that took on new force in reaction to early Christian disparagement of the idea that mere descent from Abraham was sufficient for salvation The Methodist new connexion magazine and evangelical repository ,1856 Asking What: No More Whys Wilma Marler,2014-05 The story of being the victim of threats and related actions served as the predictor of my life journey My writing about my anger at the outcome of that event led a professor to suggest I change my major from sociology to journalism Although I did not heed that suggestion I am following that advice now I was trapped in my anger and it seemed every day there was a new inquiry of why this or why that In changing the question from why to what I discovered God's reason for my journey Questioning the reason for events elicits from God the response children are prone to get from parents because I said so or because I am your parent God is my Father and I am His child God received the same response that my parents received to that explanation I chose to be angry Once I learned that anger was my choice God could patiently and lovingly lead me to my ministry Two days after losing my sister to cancer I understood the lesson Being a minister is a title or label The what of my journey with God is to be available to minister to those individuals He places in my life Through obedience to God the what in my life became anger of motivation in my life It was anger that taught me to ask what and the lesson to be shared with others is start asking what Anthology of the Biblical Revolution Evolution Series Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again **Desert Love** Joan Conquest,2018-09-20 Reproduction of the original Desert Love by Joan Conquest *A full Report of the Discussion between B.
