A Story Is A Promise The Spirit Of Storytelling:

A Story Is a Promise & the Spirit of Storytelling Bill Johnson, 2014-03-01 Bill Johnson's writing workbook has three sections each designed to help new and experienced authors alike to better understand the craft of storytelling. A Story is a Promise explores the mechanics of how a story transports an audience. Deep Characterization explores what happens when story characters are an extension of authors. The Spirit of Storytelling suggests techniques for authors to create characters with fully realized inner lives: characters who are vibrant, dynamic and resonate with readers. The book includes an outline of *The Lovely Bones* and detailed reviews of *Romeo and Juliet* the play, *The Heidi Chronicles* play, *The Shawshank Redemption*, *The Usual Suspects* movies and *The Exorcist* novel. These reviews are meant to help writers understand the underlying process that creates popular stories. From author Carolyn J. Rose, Bill's work made me take a longer look at what matters to readers and what matters to me as a reader at the emotional core. I feel my characters are deeper and more memorable because of what I learned.

Narrative Dynamics in Paul Bruce W. Longenecker, 2002-01-01 Are Paul's letters undergirded and informed by key narratives and does a heightened awareness of those narratives help us to gain a richer and more rounded understanding of Paul's theology? The last two decades of the twentieth century witnessed an increasing interest in the narrative features of Paul's thought. A variety of studies since that period have advanced story as an integral and generative ingredient in Paul's theological formulations. In this book a team of leading Pauline scholars assesses the strengths and weaknesses of a narrative approach looking in detail at its application to particular Pauline texts.
