QUILL QUIRE BEST BOOKS OF THE YEAR SHORTLISTED FOR THE 30TH ANNUAL HAMILTON LITERARY FICTION AWARD A bold and absurd new take on the dystopian plague novel where people are treated like IKEA furniture Distraught and hopeless an eighteen year old distance runner Regan decides to end her life And she ll do it through an unusual new method available only on the dark web Enter lle a woman with amnesia who will inadvertently make Regan s wish come true But lle begins to remember her past and the outrageous steps her government took to combat a deadly pandemic of parasitic infections which have brought her to this new country and to Regan s house Meanwhile Regan might be changing her mind and she finds herself more and more concerned about keeping both lle and herself alive But the shadowy organization that brought them together wants to keep them both quiet permanently A Suitable Companion for the End of Your Life is a darkly comic dystopian tale that probes our anxieties around boundaries whether territorial or bodily and our fraught desire not to die alone Gripping from the first page Robert McGill s A Suitable Companion for the End of Your Life is a dark speculative novel with echoes of The Handmaid s Tale set against the backdrop of a plague Some of us would do anything to survive down to flatpacking ourselves like IKEA furniture while others would do anything to make our miserable lives end This is timely provocative ethically challenging fiction that asks whether the drive to survive is stronger than the inevitability of death Ian Williams author of Reproduction Terrifying and tender A Suitable Companion s sci fi angle serves to frame a fascinating parable about the post post modern family Unpredictable and completely original this is a propulsive rewarding and thought provoking read Michael Redhill author of Bellevue Square The guy knows what he s doing from missing children to silk parachutes you are never lost and he will catch you Zadie Smith author of Swing Time A storyteller who refuses to keep things straight and for this produces freshly captivating effects Andrew Pyper author of The Demonologist A writer of striking talent and originality Daily Mail on The Mysteries McGill is a talented writer adept at expressing the nuanced unspoken truths that beg the lies by which we live Observer on The Mysteries **Vikram Seth's Poetics of Pastiche** Mélanie Heydari, 2024-09-21 Vikram Seth is a critical enigma He is recognized as one of the most important Indian Anglophone authors of his generation his individual works have been widely reviewed yet his work has rarely been approached as a whole and remains surprisingly understudied Perhaps the chief reason for the paucity of critical response to the full compass of Seth s work is his disregard for intellectual fashion Indeed Seth is at once very popular and deliberately unfashionable His literary affiliations are conservative seemingly uninterested in any revisionary narrative he is equally unconcerned by the interpenetration of cultures in our globalized world representing assimilation rather than cultural difference He defies the expectations of both postcolonial and world literature therefore to discuss his critical neglect is to

shed light on the limitations of these labels As the most thorough attempt to map a general poetics in Seth s work this study the first of its kind on this writer develops a new critical methodology to capture the nuances of Seth s literary strategies It provides scholars and students insight into the key features of Seth s work and uncovers a consistent authorial strategy running through his seemingly disconnected body of work namely a systematic use of intertextual practices **Learning to Love** Raksha Pande,2021-03-19 The politics of marriage and migration in postcolonial Britain Becoming modern and British enacting citizenship through arranged marriages Continuing traditions as a matter of arrangement Becoming a suitable boy and a good girl Learning to love The ties that bind marriage belonging and identity *The Only Cheating Story* Jit Pal Aggarwal,2025-07-20 Tales of Us Virender Arora,2021-10-30 You are a Keralite and we are Bengalis We are on two ends of the Bay of Bengal It shall be tough to marry the two cultures separated as they are by 2 000 kms of ocean Mr Nair Goes to London What about your father He went abroad and forgot us and we have forgotten him I am not sure if he is even alive Do you want to meet your father No not at all I do not want to meet a person who abandoned his family Harry Khanna s Story She exploded in laughter Oh my God what have you done to yourself No hair no pagri You look like a brown American I opened my arms and she came into them in a hearty embrace By God you still smell the same I exclaimed Phillaur to Gurdaspur A Homecoming *AS I REMEMBER* Edna Sadie Major,2019-02-13 This is a family history written by Edna Sadie Major and describes her life in the early 1900s in Wellington New Zealand Sadie as she was known describes her life in some detail the dances the yachting the school years her early employment years and later as the wife of a bank manager The book contains anecdotes about her life for the benefit of present and future generations of the family and to anyone else who may be interested in life in New Zealand in the early 1900s for one particular family *The Bedquilt and Other Stories* Dorothy Canfield Fisher,1997 Two essays and eleven short stories from a 1930s novelist who wrote on a variety of subjects from war to the lot of the black man In An American Citizen a black man leaves America for another country to escape the humiliation he suffers Through Pity and Terror is a war story set in France on a woman whose home is invaded by German soldiers and in the title story the protagonist finally wins recognition as an artist **A Girl's Best Friend** Jan Fook,Renate Klein,2001 Annotation With contributions about what their dogs mean to them this collection presents over eighty women and girls from diverse backgrounds ages and countries share their feelings and experiences of living with dogs God and Primordial People Paul Poulton,2018-02-16 The modern world is in a position to view the divine sculptor s work as no other generation has Throughout previous generations many people believed that God created life but preceding generations were not privy to the method and manner in which he worked his modus operandi We are now in that position thanks to the fine work of archaeologists geologists paleontologists and scientists some of whom have faith in God the Big Bang Theory itself was first proposed by a Christian priest who was also a scientist This explosion of verifiable information affects the way we view the Bible God and Primordial People investigates and provides a cohesive picture of the Christian doctrine of the rise and fall of
