A Sampler of Jewish-American Folklore Josepha Sherman, 1992 In this American Folklore Series volume Josepha Sherman presents the rich and varied folklore of the American Jew This affectionate and unflinching examination of the traditions of American Jews offers insights for expert and casual students of folklore and makes an ideal gift for anyone interested in the origins of Jewish culture Includes line drawings collection notes motif index and bibliography

Blind Men and Elephants Arthur Asa Berger, 2011-12-31 In *Blind Men and Elephants* Arthur Asa Berger uses case histories to show how scholars from different disciplines and scholarly domains have tried to describe and understand humor He reveals not only the many approaches that are available to study humor but also the many perspectives toward humor that characterize each discipline Each case history sheds light on a particular aspect of humor making the combination of approaches of considerable value in the study of social research Among the various disciplines that Berger discusses in relation to humor are communication theory philosophy semiotics literary analysis sociology political science and psychology Berger deals with these particular disciplines and perspectives because they tend to be most commonly found in the

scholarly literature about humor as well as being those that have the most to offer Blind Men and Elephants covers a wide range of humor from simple jokes to the uses of literary devices in films Berger observes how humor often employs considerable ridicule directed at diverse groups of people women men animals politicians African Americans Jews Catholics Protestants gay people straight people and so forth The book also explains the risk factor in ridicule as a humorous device Blind Men and Elephants depicts how one entity or one situation can be viewed in as many different ways as the number of people studying it Berger also shows how those multiple perspectives the Rashomon Effect can be used together to create a clearer understanding of humor Blind Men and Elephants is a valuable companion to Berger s recent effort about humor An Anatomy of Humor and will be enjoyed by communication and information studies scholars sociologists literary studies specialists philosophers and psychologists **Encyclopedia of Jewish Folklore and Traditions** Raphael Patai,2015-03-26

This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind

Folktales of the Jews, Volume 2 Dan Ben-Amos,Dov Noy,2006 Folktales from Eastern Europe presents 71 tales from Ashkenasic culture in the most important collection of Jewish folktales ever published It is the second volume in Folktales of the Jews the five volume series to be released over the next several years in the tradition of Louis Ginzberg s classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives at The University of Haifa Israel IFA a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the Ashkenasic culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition **The New York Times Book Review** ,1960 The Hungry Clothes and Other Jewish Folktales ,2008 A collection of classic Jewish folktales which emphasize values and moral lessons each with an introduction that places it in context with other Jewish teachings Index to Jewish Periodicals ,1997 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *Antisemitism and the American Far Left*

Stephen H. Norwood, 2013-08-19 Stephen H Norwood has written the first systematic study of the American far left's role in both propagating and combating antisemitism. This book covers Communists from 1920 onward, Trotskyists, the New Left, and its black nationalist allies and the contemporary remnants of the New Left. Professor Norwood analyzes the deficiencies of the American far left's explanations of Nazism and the Holocaust. He explores far left approaches to militant Islam from condemnation of its fierce antisemitism in the 1930s to recent apologies for jihad. Norwood discusses the far left's use of long-standing theological and economic antisemitic stereotypes that the far right also embraced. The study analyzes the far left's antipathy to Jewish culture as well as its occasional efforts to promote it. He considers how early Marxist and Bolshevik paradigms continued to shape American far left views of Jewish identity, Zionism, Israel, and antisemitism. Jewish Wry

Sarah Blacher Cohen, 1990 *Jewish Wry* examines the development of Jewish humor in a series of essays on topics that range from Sholom Aleichem's humor to Jewish comediennes through to the humor of Philip Roth. *The Jewish Story Finder*

Sharon Barcan Elswit, 2012-08-02 Storytelling as oral tradition and in writing has long played a central role in Jewish society. Family educators and clergy employ stories to transmit Jewish culture, traditions, and values. This comprehensive bibliography identifies 668 Jewish folktales by title and subject, summarizing plot lines for easy access to the right story for any occasion. Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns, and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross-references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish folklore. *Only in America*

William Ungar, David Chanoff, 2005 Mass merchandising, direct mail, advertising, the rise of credit cards, the financing instruments that drove development to the suburbs and helped alter the inner city's manufacturing base, the productivity revolution, the coming of the superstores, the place of ethics in business, now especially so relevant—all these are part of this compelling tale of business life told by a man whose spiritual rebirth is a testimony both to mankind's astonishing resiliency and to the vibrancy of a society that has empowered so many with hope and opportunity. Jacket **The Penguin Dictionary of American Folklore**

Alan Axelrod, Harry Oster, Walton H. Rawls, 2000 The Penguin Dictionary of American Folklore is a comprehensive and highly readable encyclopedic dictionary perfect for students and anyone who wishes to explore our country's immensely varied folk traditions. In its pages are the characters, fictional and otherwise, who have become figures of folklore as well as concepts and legends that are woven into America's consciousness. From the Alamo, alien abductions, and Gene Autry to Bigfoot, the Blues, and Buffalo Bill to Yankee Doodle, Yiddishisms, and Zydeco, it's all here. American Jewry and the Re-Invention of the East European Jewish Past

Markus Krah, 2017-11-20 The postwar decades were not the golden era in which American Jews easily partook in the religious revival, liberal consensus, and suburban middle-class comfort. Rather, it was a period marked by restlessness and insecurity born of the shock about the

Holocaust and of the unprecedented opportunities in American society American Jews responded to loss and opportunity by obsessively engaging with the East European past The proliferation of religious texts on traditional spirituality translations of Yiddish literature historical essays photographs and documents of shtetl culture theatrical and musical events culminating in the Broadway musical *Fiddler on the Roof* illustrate the grip of this past on post 1945 American Jews This study shows how American Jews reimagined their East European past to make it usable for their American present By rewriting their East European history they created a repertoire of images stories and ideas that have shaped American Jewry to this day *The Publishers' Trade List Annual* ,1880 *Classical Liberalism and the Jewish Tradition* Edward Alexander,2017-10-24 The incongruence if not antagonism between modern liberalism and the Jewish sense of the world has been most notably articulated by Lionel Trilling Certainly the imaginative limitations and intellectual smugness he discerned in his own ideological party found a parallel in his view in the embrace of liberalism by the American Jewish community The consequences of that embrace entail both a superficial intellectual and religious culture and a misunderstanding of the social and political dimensions of Judaism In *Classical Liberalism and the Jewish Tradition* Edward Alexander engages in a wide ranging exploration of the roots of the fundamental antagonism between liberalism and Jewish tradition from the nineteenth century to the present day Central to Alexander's arguments is his incisive critique of the distortion of modern Judaism as a child of the Enlightenment and the notion that specifically Jewish concerns whether with Zionism the Holocaust or sacred and secular writings constitute a narrow and parochial betrayal of liberal interests The chapters are divided among political religious and literary subjects The opening chapter on Mill's ambivalent attitude toward the Jews establishes terms of conflict between Judaism and liberal secularism and universality as do chapters on the antisemitism of Thomas Arnold and Marx and the more ambiguous Jewish self identification of Disraeli Alexander examines such disparate topics as the hostility to the idea of a Jewish state on the part of numerous Israeli intellectuals the disdain among liberals toward the specifically Jewish dimension of the Holocaust and the capitulation of the Modern Language Association to the anti Zionism of Edward Said Turning to the uneasy status of Jewish religious texts and secular literature as sources of cultural revitalization Alexander deals with the attempt by the Israeli scholar Adin Steinsaltz to bring the Talmud to the attention of contemporary Jewish readers and includes a chapter on his nineteenth century precursor Emanuel Deutsch and his relationship to George Eliot An analysis of Ruth Wisse's efforts to establish a modern Jewish literary canon is rounded out by chapters on two of the major figures of that canon Isaac Bashevis Singer and Philip Roth While diverse in subject matter *Classical Liberalism and the Jewish Tradition* is consistent in its unapologetic advocacy of a Jewish point of view and in its depth of scholarship in tracing the historical roots of contemporary attitudes and ideologies **America's Folklorist** Lawrence R. Rodgers,2014-10-20 Folklorist writer editor regionalist cultural activist Benjamin Albert Botkin 1901 1975 was an American intellectual who made a mark on the twentieth century even though most people may be unaware of it This book the first to reevaluate the legacy of

Botkin in the history of American culture celebrates his centenary through a collection of writings that assess his influence on scholarship and the American scene Through his work with the Federal Writers Project during the New Deal the Writers Unit of the Library of Congress Project and the Archive of American Folksong Botkin did more to collect and disseminate the nation s folk cultural heritage than any other individual in the twentieth century This volume focuses on Botkin s eclectic but interrelated concerns work and vision and offers a detailed sense of his life milieu influences and long term contributions Just as Botkin boldly cut across the boundaries between high and low popular and folk this book brings together reflections that range from the historical to the philosophical to the disarmingly personal One group of articles looks at his career and includes the first extended analysis of Botkin s poetry another probes the fruitful relationships Botkin had with leading musicologists composers poets and intellectuals of his day This is also the first book to bring together a collection of Botkin s best known writings giving readers an opportunity to appreciate his wide ranging mind and clear often memorable prose For Botkin the blurring of art and science literature and folklore was not just a philosophy but a way of life This book reflects that life and invites fans and those new to Botkin to appraise his lasting contributions
