AA Projects Review

05/06

Experimentation documents a year in the life of the Architectural Association School of Architecture. The book includes 194 full-colour pages featuring 744 illustrations of student work and school events alongside 43 texts by AA teaching staff, providing an overview of the year's work, presentations, worldwide study trips, visiting lectures, conferences, exhibitions, AA public events and other special events that took place during 2005/06. This year's record of the life of the AA School includes, for the first time, a text DVD featuring more than 4,100 images, 50 videos and 40,000 words of text presenting the work of more than 500 students who joined us from more than 60 home countries, making the AA the world's most international school of architecture as well as the setting for a vibrant global form of fast-changing architectural knowledge, learning, culture and exchange.
