Audretsch,2017-12-30 This book features latest research insights into the study of the

entrepreneurial ecosystem The focus is on understanding its influence on the development of socially and physically defined places and how these factors are related with each other The book argues that regardless of how the concept of a place is defined be it cities regions nations or otherwise the impact of new technologies will influence much of our business social and economic landscapes Evidently there is an increasing pressure on places to embrace new opportunities for strategic development and confront complacency The solution may very well be in creating and sustaining entrepreneurial ecosystems where entrepreneurial action thrives and innovation drives the new economy Mergent OTC Unlisted Manual ,2009
