Vocabulary Brochure

INTRODUCING
THE AGE OF EXPLORATION

INTRODUCTION TO THE AGE OF EXPLORATION

The Age of Exploration was a time from 1400 to 1600 when European countries began to explore the world by sea. This era brought many new lands, new cultures, and new goods. Portuguese explorer Ferdinand Magellan completed the first circumnavigation of the globe. The Spanish conquistadors explored the Americas, discovering new lands, including the Aztec and Inca Empires. The English, French, Dutch, and Spanish also expanded their territories, often through colonization and trade routes, and established colonies around the world.

KEY IDEAS

Colonization – European countries began colonizing new lands in Asia, Africa, and South America, primarily for economic reasons, including trade.

Discovery – The process of exploring and learning about new lands.

Trade Routes – The movement of people, goods, or information between different locations, often through land and sea routes.
