Wish of a Mother Uzochukwu Nwankwo, 2022-09-15 Wish of a mother is a debut novel that begins with the journey of Ozoemena who is the protagonist. His father was in charge of his company before he died. When his father Moses Okoronkwo grew older, he took up with the case but later died on the process. Then Ozoemena was still a young teenager who was about to write his West African Examination Council and that was how his journey to his academics began. He drove to survive in life; he was later admitted at Nnamdi Azikiwe University Awka. His poor widow Mrs. Ndidiamaka Okoronkwo sponsored him in a little way, and Ozoemena saved up money from the contract work he was doing. At a point after the COVID 19 pandemic, there was no money to continue with his academics; he travelled to Enugu to his Uncle Elechukwu, who later turned him down. He was frustrated and didn't know what else to do. His poor widow suggested that they relocated to their village Arochukwu since life was difficult for them at the city. Find out his what happened to him next.

Palm of the Rainforest Ikénnà Nn?l?,2020-08-28 I know who I am Kelvin seemed desperate to win his father s approval However Mr Eze not only seemed unwilling to bestow it but hell bent in making life unbearable for his acclaimed son Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child He realised that his quest for recognition was unlikely to succeed so he set his eyes on freedom In the meantime Kelvin expected that a good academic performance would change his luck and put him right with Mr Eze or at least boost his confidence in his abilities With all his attention on his studies competing for the best grades against the leading brains in his class especially Christian an indomitable rival he would not let school romance get in the way fo his goal But slowly and steadily Chioma gained his trust and won him over He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship

New Home New Identity Marginalised and decimated the Biafran people were forced to go to war and secede from Nigeria But decades after losing the war and embracing the Nigerian identity they are still not treated as equal citizens in their home country As a new wave of terrorism sweeps the northern parts of the country the Biafran people predominantly Igbo are again decimated as they have been for decades in every crises and this led to renewed discussions about their independence For Biafra the fight for equality was over and their Sovereignty was not negotiable For Kelvin it wasn t very different and so his quest for truth and independence must begin His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit Perhaps it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity
