Language planning and policy in Quebec Jakob Leimgruber, 2019-09-23 This book presents an in depth study of the language policies present in the Canadian province of Quebec and considers them from a comparative perspective with special focus on Singapore and Wales In so doing it uses a mix of methods to look at the effects of language planning on language use questionnaires linguistic landscapes visible language in public space ethnography and psycholinguistic experiments Besides offering background information on Canada and Quebec the comparative element uses data from Singapore and Wales to shine a new light on how language is managed in Quebec

Global Brand Strategy Jan-Benedict Steenkamp, 2017-01-03 Steenkamp introduces the global brand value chain and explains how brand equity factors into shareholder value The book equips executives with techniques for developing strategy organizing execution and measuring results so that your brand will prosper globally What sets strong global brands apart First they generate more than half their revenue and most of their growth outside their home market Secondly their brand equity is responsible for a massive percentage of their firm's market value Third they operate as single brands everywhere on the planet We find them in B2C and B2B industries among large and small companies and among established companies and new businesses The stewards of these brands have a set of skills and knowledge that sets them apart from the typical corporate marketer So what's their secret In a world that is globalizing but not yet globalized how do you build a powerful global brand that resonates universally but also accommodates local nuances How do you ensure that it is dynamic and flexible enough to change at market speed World class marketing expert Jan Benedict Steenkamp has studied global brands for over 25 years on six continents He has distilled their practices into eight tools that you can start using today With case studies from around the world Steenkamp's book is provocative and timely *Global Brand Strategy* speaks to three types of B2C and B2B managers those who want to strengthen already strong global brands those who want to launch their brands globally and get results and those who need to revive their global brand and stop the bleeding

Textbook of Global Health Anne-Emanuelle Birn, Yogan Pillay, Timothy H. Holtz, 2017 Fully revised and updated this fourth edition equips students advocates and health professionals with building blocks for a critical understanding of global health It explores societal determinants of health and health inequities within and between countries and an array of actions seeking to address these issues in spheres of health and development aid solidarity cooperation global and domestic policymaking and civil society mobilization

The SAGE Encyclopedia of Food Issues Ken Albala, 2015 The SAGE Encyclopedia of Food Issues explores the topic of food across

multiple disciplines within the social sciences and related areas including business consumerism marketing and environmentalism In contrast to the existing reference works on the topic of food that tend to fall into the categories of cultural perspectives this carefully balanced academic encyclopedia focuses on social and policy aspects of food production safety regulation labeling marketing distribution and consumption A sampling of general topic areas covered includes Agriculture Labor Food Processing Marketing and Advertising Trade and Distribution Retail and Shopping Consumption Food Ideologies Food in Popular Media Food Safety Environment Health Government Policy and Hunger and Poverty This encyclopedia introduces students to the fascinating and at times contentious and ever so vital field involving food issues

Mindf*ck Christopher Wylie,2019-10-08 Please please please read Mindf ck Richard Dawkins What if you could peer into the minds of an entire population What if you could target the weakest with rumours that only they saw In 2016 an obscure British military contractor turned the world upside down Funded by a billionaire on a crusade to start his own far right insurgency Cambridge Analytica combined psychological research with private Facebook data to make an invisible weapon with the power to change what voters perceived as real The firm was created to launch the then unknown Steve Bannon s ideological assault on America But as it honed its dark arts in elections from Trinidad to Nigeria 24 year old research director Christopher Wylie began to see what he and his colleagues were unleashing He had heard the disturbing visions of the investors He saw what CEO Alexander Nix did behind closed doors When Britain shocked the world by voting to leave the EU Wylie realised it was time to expose his old associates The political crime of the century had just taken place the weapon had been tested and nobody knew

Intellectual Property Licensing and Transactions Jorge L. Contreras,2022-06-30 A comprehensive and practical textbook in the field of intellectual property licensing

Food in America Andrew F. Smith,2017-02-16 This three volume work examines all facets of the modern U S food system including the nation s most important food and agriculture laws the political forces that shape modern food policy and the food production trends that are directly impacting the lives of every American family Americans are constantly besieged by conflicting messages about food the environment and health and nutrition Are foods with genetically modified ingredients safe Should we choose locally grown food Is organic food better than conventional food Are concentrated animal feed operations destroying the environment Should food corporations target young children with their advertising and promotional campaigns This comprehensive three volume set addresses all of these questions and many more probing the problems created by the industrial food system examining conflicting opinions on these complex food controversies and highlighting the importance of food in our lives and the decisions we make each time we eat The coverage of each of the many controversial food issues in the set offers perspectives from different sides to encourage readers to examine various viewpoints and make up their own minds The first volume Food and the Environment addresses timely issues such as climate change food waste pesticides and sustainable foods Volume two entitled Food and Health and Nutrition addresses subjects like antibiotics food labeling and the

effects of salt and sugar on our health The third volume Food and the Economy tackles topics such as food advertising and marketing food corporations genetically modified foods globalization and megagrocery chains Each volume contains several dozen primary documents that include firsthand accounts written by promoters and advertisers journalists politicians and government officials and supporters and critics of various views related to food and beverages representing speeches advertisements articles books portions of major laws and government documents to name a few These documents provide readers additional resources from which to form informed opinions on food issues

Punishing the Vulnerable Jeremiah Wade-Olson, 2019-05-10 Few studies look at the treatment of those inside America's prisons Discussing race discrimination alongside gender ethnic and religious discrimination in contemporary American prisons this book finds that correctional staff are swayed by stereotypes in their treatment of inmates The American Dream is that anyone who works hard enough can be successful It is a dream premised on equal opportunity however millions of racial ethnic religious and gender minorities have found their opportunities for success limited even in prison What accounts for the discriminatory treatment of people who are already imprisoned Relying on national data and interviews conducted by the author this book argues that American prisons are not a tool for justice but a tool for the persecution of the weak by the powerful The book details how African American American Indian and Hispanic inmates receive harsher punishments including solitary confinement and fewer rehabilitative programs such as substance abuse treatment and mental health counseling It also examines other injustices including how female inmates suffer from a lack of rehabilitative services Muslim inmates are placed in solitary confinement for practicing their religious beliefs American Indians are disproportionately punished and undocumented immigrants are forced from prison to prison in the middle of the night

How to Talk about Videogames Ian Bogost, 2015-11-15 Videogames Aren't they the medium of the twenty first century The new cinema The apotheosis of art and entertainment the realization of Wagnerian gesamtkunstwerk The final victory of interaction over passivity No probably not Games are part art and part appliance part tableau and part toaster In How to Talk about Videogames leading critic Ian Bogost explores this paradox more thoroughly than any other author to date Delving into popular familiar games like Flappy Bird Mirror's Edge Mario Kart Scribblenauts Ms Pac Man FarmVille Candy Crush Saga Bully Medal of Honor Madden NFL and more Bogost posits that videogames are as much like appliances as they are like art and media We don't watch or read games like we do films and novels and paintings nor do we perform them like we might dance or play football or Frisbee Rather we do something in between with games Games are devices we operate so game critique is both serious cultural currency and self parody It is about figuring out what it means that a game works the way it does and then treating the way it works as if it were reasonable when we know it isn't Noting that the term games criticism once struck him as preposterous Bogost observes that the idea taken too seriously risks balkanizing games writing from the rest of culture severing it from the rivers and fields that sustain it As essential as it is he calls for its pursuit to unfold in this spirit God save us from a future of games critics gnawing

on scraps like the zombies that fester in our objects of study
