**Novice Youth Director** L. Seth Duhs, 2023-06-15 After being on staff for nearly a month the youth director was suddenly summoned into the senior pastor's office The pastor quickly shut the door and skipping all pleasantries boldly announced I'd love to help you I just don't have time for you Uncertain of how to respond and with no questions allowed the youth director was dismissed That was the last meeting he ever had with the senior pastor Weren't there supposed to be ample amounts of excitement for the newly appointed fresh youth director This fresh but now confused youth director wanted to do a good job but had no idea where to begin He was young and everyone was too busy to mentor him even when he had asked for help Perhaps you're in a similar situation but you're hesitant to admit it out loud This book is a practical guide aimed at helping anyone struggling with escaping the tempting isolated island of youth ministry and building a network of kingdom minded students parents and church members focused on living for Jesus Christ in what sometimes seems like a Jesus less world

**The Revenge Playbook** Rachael Allen, 2015-06-16 Don't get mad get even In this poignant and hilarious novel Rachael Allen brilliantly explores the nuances of high school hierarchies the traumas sustained on the path to finding true love and the joy of discovering a friend where you least expect In the small town of Ranburne high school football rules and the players are treated like kings How they treat the girls they go to school with That's a completely different story Liv Peyton Melanie Jane and Ana each have their

own reason for wanting to teach the team a lesson but it's only when circumstances bring them together that they come up with the plan to steal the one thing the boys hold sacred. All they have to do is beat them at their own game. Beautifully broken: Juul Heko Adang, 2025-08-21. Autobiographical fiction. That's the feeling you get when you read debut author Juul Heko's book about their connection to K-pop group BTS. A special connection that was developed seven years before Juul Heko even knew of BTS' existence. What do you do when your soul is broken due to early childhood trauma and trauma sustained after multiple medical errors by doctors and hospital staff in your childhood development. And because of these unresolved traumas you develop a rare autoimmune disease because a piece of your DNA gets damaged just after you, as an in-between child, enter female puberty. If your soul is androgynous, your psyche both male and female, Animus and Anima, but your body has a binary gender, does inner chaos then arise. Can you repair your broken Self? And how? To upcycle my inner and outer damaged Self during my 2019-2020 gender transition, I needed a roadmap of the soul. And it just so happened that music group BTS released a musical, *Map of the Soul 7*, at the very moment I felt I no longer wanted to live due to a severe depression in early 2020. A music album inspired by the Red Book of psychiatrist and psychologist C.G. Jung. Whether I succeeded in repairing myself holistically while repairing damaged products from the secondhand store in Wijchen, the Netherlands, using BTS's *Map of the Soul 7*, you can read in my English language memoir e-book *Media Spectrum*, 2002.
