

Wedding Thank you Speech

Amanda and I want to thank all of our guests for taking the time to celebrate with us today. We understand that being here was a special sacrifice for some as there is a Red Sox/Yankees game going on as we speak.

We truly are humbled by the show of love and support that we have received from family and friends not just today, but also over the last several months. So many of you have helped with various aspects of the planning and I can say this wedding would not have been nearly as beautiful or as organized without your help.

This is certainly a special day for Amanda and me, and I hope that the support that you've shown us will continue. As we embark on our new life together, I hope that those of you who have been married for many years will be willing to offer advice when needed. We are committed to staying married for the long haul, and we know it will be so much easier with all of your by our sides.

Enjoy the rest of the party, and again, thank you all so much for being here today. It means more to both of us than I could ever express.

As you can see, it doesn't take a lot of talking to let your guests know how much you appreciate their support. When you write your wedding thank you speech, just be sincere. You'll be surprised at how easy it can be to express your gratitude.
