Solving Common

Writing Problems Sharon Hamilton, 2003 Learning to categorize and describe common faults in style and usage and to suggest strategies for writing more effectively **Successful Devices in Teaching German** Rudolph F. Wagner, 1959

Eugene Field and His Age Lewis O. Saum, 2001-01-01 Eugene Field 1850-95 is perhaps best remembered for his children's verse especially *Little Boy Blue* and *Wynken Blynken and Nod*. During his journalistic career however his column *Sharps and Flats* in the *Chicago Daily News* illuminated the shenanigans of local and national politics captured the excitement of baseball and praised the cultural scene of Chicago and the West over that of the East Coast and Europe. Field used whimsy, satire and at times unadorned admiration to depict and encapsulate the energy of a young nation reinventing itself and its political ambitions in the closing decades of the nineteenth century. Foremost Field was a political observer. During his lifetime politics saw more public awareness and involvement than at any other time in American history and Field's great popularity derived mainly from his near ceaseless commentary, arch, outlandish, comic, serious on that arena of affairs. Field also devoted many columns to entertainment and diversions, discussing the baseball idiocy that stormed Chicago and championing and criticizing authors and actors. *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress.
