Invisible Atrocities Randle C. DeFalco,2022-03-17 This book assesses the role aesthetic factors play in shaping what forms of mass violence are viewed as international crimes **Asian Qualitative Research in Tourism** Paolo

Mura,Catheryn Khoo-Lattimore,2018-02-21 This book explores the ontologies epistemologies methodologies and methods that inform tourism qualitative research conducted either by Asian scholars or non Asian scholars focusing on Asia In addition to providing a platform for researchers to publish their qualitative journeys it aims to encourage further Asian qualitative tourism research production The book not only includes chapters from Asian scholars but also non Asian tourism researchers with a focus on Asia as their chapters are crucial to represent the multiplicity of realities constituting Asia It is of interest to the whole tourism academic community as it provides novel methodological insights from a non Western perspective which at the moment are often silenced by dominant Western voices *Protect and to Serve* Winston

Sanks,2023-03-20 No About the Book information available at this time *Historia Animalium Book X* ,2023-06-08 This is the first modern edition of Book X of the *Historia Animalium* It argues that the first five chapters are a summary from the hand of Aristotle of a medical treatise by a physician practicing in the fourth century BCE This gives short shrift to Hippocratic staples such as trapped menses and the wandering womb and describes a woman s climax during sex in terms that can be easily mapped onto modern accounts In summarizing the treatise and examining its claims in the last two chapters Aristotle follows the method described in the *Topics* for a philosopher embarking on a new field of study Here we see Aristotle s ruminations over the conundrum of a woman s contribution to conception at an early stage in the development of his theory of reproduction Far from being an insignificant pseudepigraphon this is a central text for understanding the development of ancient gynaecology and Aristotelian methodology **The Pack** Lee W. Payne,2024-06-08 When a pack of

werewolves start hunting and killing in Pine View County Texas Sheriff Garrett Lambert must end the carnage This task becomes even more urgent when three people he cares about are bitten and become infected If Sheriff Lambert cannot find and kill the alpha werewolf that infected them by the next full moon they will become cursed With the help of his teenage daughter Paige best friend and deputy Tyrone Ty Jackson an English professor who specializes in the occult and folklore Dr James Huff a Native American of the indigenous Cato tribe Trowa Raintree and an elemental witch with the gift of sight who is a decedent of Marie Laveau Lola Laveau Garrett becomes the hunter **An Introduction to American Policing**

Stevens,2017-05-08 An Introduction to American Policing Second Edition connects the US criminal justice system criminology and law enforcement knowledge to the progress of the police community It is the perfect resource for a Police Science course Illustrated History of Siesta Key Thomas Philip Farrell,Philip M. Farrell,2018-03-01 A history of a very popular beach destination near Sarasota on the Gulf coast of Florida Reviewing the past century of Siesta Key development in the context of Florida s ancient and recent emergence this book explains how one small Gulf coast barrier island has become world famous as 1 Beach in the USA Beginning with Amerindian settlers the First Floridians all of the seminal pioneers and a steady stream of pivotal leaders are described with emphasis on their families motivations and challenges Both historical triumphs and tragedies are covered to provide a balanced perspective Lastly the current and future threats are analyzed in detail including the environmental controversies with nearby keys the menace of increasing red tide and the risks of rising sea levels associated with global warming **Spatial Variability in Environmental Science** John P.

Tiefenbacher,Davod Poreh,2020-10-21 Spatial Variability in Environmental Science Patterns Processes and Analyses includes eight studies that examine the issue of spatial variability in four areas of the environmental sciences atmospheric science geological science biological science and landscape science The topics range from monitoring of wind the urban heat island and atmospheric pollution to coastal geomorphology landscape planning and forest ecology the problem of introduced species to regional ecologies and a technique to improve the identification of human constructions in semi natural landscapes A small volume can only offer a small glimpse at the activities of scientists and insights into environmental science but the array of papers herein offers a unique view of the current scholarship From Hysteria to Hormones Amy Koerber,2018-03-15 In From Hysteria to Hormones Amy Koerber examines the rhetorical activity that preceded the early twentieth century emergence of the word hormone and the impact of this word on expert understandings of women s health Shortly after Ernest Henry Starling coined the term hormone in 1905 hormones began to provide a chemical explanation for bodily phenomena that were previously understood in terms of wandering wombs humors energies and balance In this study Koerber posits that the discovery of hormones was not so much a revolution as an exigency that required old ways of thinking to be twisted reshaped and transformed to fit more scientific turn of the century expectations of medical practices She engages with texts from a wide array of medical and social scientific subdisciplines with material from medical archives including patient charts handwritten notes and photographs from the Salp tri re Hospital where Dr Jean Charcot treated hundreds of hysteria patients in the late nineteenth century and with current rhetorical theoretical approaches to the study of health and medicine In doing so Koerber shows that the boundary between older nonscientific ways of understanding women s bodies and newer scientific understandings is much murkier than we might expect A clarifying examination of how the term hormones preserves key concepts that have framed our understanding of women s bodies from ancient times to the present this innovative book illuminates the ways in which the words we use today to discuss female reproductive health aren

t nearly as scientifically accurate or socially progressive as believed Scholars of rhetoric gender studies and women s health will find Koerber s work provocative and valuable **Human Rights and Subjectivity** Elisabeth Roy-Trudel,2024-11-14

This book draws on a range of theoretical frameworks to challenge the limited conception of subjectivity upon which human rights are based The book focuses on some of the ways in which dominant discourses are in tension with human rights fundamental claim to universality by ignoring multiple ways of being Different theoretical and methodological approaches are used to analyse this creation of exclusions These include Hannah Arendt s figure of the refugee posthumanist critiques and non Western critical theories such as Black Indigenous and decolonial approaches Often these approaches are used in isolation but together they reveal how the dominant concept of subjectivity has always needed an Other and that the human at the heart of human rights is not a universal concept The book also pursues an analysis of visual discourses in the field of international human rights with a focus on the ways in which exclusions are represented and entrenched through the visual It argues that international human rights are based on a vision centred sensorium and certain processes of reasoning that exclude emotions Finally the book considers how international human rights could embrace other forms of thinking and being in the world and recognize different sensory experiences This original perspective on the limits of human rights will appeal to legal theorists socio legal scholars and others working in politics sociology anthropology and cultural studies with an interest in contemporary approaches to social justice and critical approaches **The Benefits of Friends** Jana

Mathews,2022-08-02 In 2011 Jana Mathews s career took a surprising turn What began as an effort for a newly minted college professor to get to know her students turned into an invitation to be initiated into a National Panhellenic Conference sorority and serve as its faculty advisor For the next seven years Mathews attended sorority and fraternity chapter meetings Greek Week competitions leadership retreats and mixers and formals She also counseled young men and women through mental health crises experiences of sexual violence and drug and alcohol abuse Combining her personal observations with ethnographic field analysis and research culled from the fields of sociology economics and cognitive psychology this thought provoking book examines how white Greek letter organizations help reshape the conceptual boundaries of society s most foundational relationship categories including friend romantic partner and family Mathews illuminates how organizations manipulate campus sex ratios to foster hookup culture broker romantic relationships transfer intimacy to straight same sex friends and create fictive family units that hoard social and economic opportunity for their members In their idealized form sororities and fraternities function as familial surrogates that tether their members together in economically and socially productive ways In their most warped manifestations however these fictive familial bonds reinforce insularity entrench privilege and at times threaten physical safety *The SAGE International Encyclopedia of Travel and Tourism* Linda L. Lowry,2016-09-01 Taking a global and multidisciplinary approach The SAGE International Encyclopedia of Travel and Tourism brings together a team of international scholars to examine the travel and tourism industry which is expected to
