Common Core Standards for Elementary Grades K-2 Math & English Language Arts

Amber Evenson, Monette McIver, Susan Ryan, Amitra Schwols, 2013-05-20 Smart implementation of the Common Core State Standards requires both an overall understanding of the standards and a grasp of their implications for planning teaching and learning. This Quick Start Guide provides a succinct all-in-one look at the content, structure, terminology, and emphases of the Common Core standards for mathematics and English language arts and literacy in the lower elementary grades. The meaning of the individual standards within each of the four ELA literacy strands and five math domains, with an emphasis on areas that represent the most significant changes to business as usual. How the standards connect across and within strands, domains, and grade levels to develop the foundational language arts literacy and mathematics understanding that will support a lifetime of successful learning. Here, teachers of grades K-2 and elementary school leaders will find information they need to begin adapting their practices to help all students master the new and challenging material contained in the standards. A practical lesson planning process to use with the Common Core based on Classroom Instruction That Works, 2nd Ed, is included along with six sample lessons. **LEARN THE ESSENTIALS OF THE COMMON CORE** The grade level and subject-specific Quick Start Guides in the Understanding the Common Core Standards series, edited by John Kendall, are designed to help school leaders and school staffs turn Common Core standards into coherent, content-rich curriculum and effective classroom-level lessons.

Literacy Success for Emergent Bilinguals

Theresa A. Roberts, 2017 This practical book will help early childhood teachers, preK-2, understand and respond to the multiple influences—school, home, and societal—that affect emergent bilingual children's academic achievement. The author explains the foundations of first and second language development and then provides teaching and curriculum practices specific to reading and English language arts. Chapters address incorporating first language strengths, acquiring a second language, learning to read, building vocabulary, comprehending and thinking with text, and language helping children persevere and more. Approaches for collaborating with families accompany each chapter. This book is designed to help teachers understand the underlying principles so they can modify, develop, and adjust their practice to be most effective for the emergent bilingual children they teach. It is a valuable resource for developing bilingual programs, teacher preparation, and professional development. An excellent resource for PreK
