Low-cost prescriptions make a difference

At Walmart, we don't think you should have to choose between groceries and the medicines you need. Our \$4 prescriptions save American families hundreds of millions of dollars a year.

More \$4 prescriptions than ever

Now our \$4 price covers hundreds of prescriptions. That includes medicines for a wide range of conditions and diagnosis groups. This list is a quick-reference tool that will help you find the specific medicines you're looking for.

90-Day Prescriptions

Taking a regular prescription? Ask your doctor if you can refill it 3 months at a time. At only \$10, our 90-Day prescriptions save you even more than our regular low-cost prescriptions. You save trips to the pharmacy, too.
