Bulletin of the Atomic Scientists, 1966-09 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world **Futures**, 2014 **Extension Bulletin - Cooperative Extension Service. Michigan State University**, 1981 *African Studies Center Newsletter*, 1982 **Water Resources Planning Series**, 1978 *SDGs in Africa and the Middle East Region* Ismaila Rimi Abubakar, Izael da Silva, Rudi Pretorius, Khaled Tarabieh, 2024-09-01 Africa is one of the most vulnerable regions and one where the implementation of the SDGs is particularly urgent Underinvestments in natural conservation are increasing the vulnerability of people across many African countries whose well being is endangered by deteriorating socio economic and environmental conditions This volume provides a contribution towards showcasing how natural resources may be more efficiently used and investments may be mobilised to augment the limited public sector funds available to achieve the SDGs This book is part of the 100 papers to accelerate the implementation of the UN Sustainable Development Goals initiative **Transnational Narratives in Englishes of Exile** Catalina Florina Florescu, Sheng-mei Ma, 2017-11-15 Monolingual monolithic English is an issue of the past In this collection by using cinema poetry art and novels we demonstrate that English has become the heteroglossic language of immigration Englishes of exile By appropriating its plural form we pay respect to all those who have been improving standard English thus proving that one may be born in a language as well as give birth to a language or add to it one's own version The story of the immigrant refugee exile expatriate is everybody's story and without migration we could not evolve our human race *Essentials of Pediatric Nursing* Terri Kyle, 2008 *Essentials of Pediatric Nursing* is intended for Pediatric Nursing courses with an integrated pediatric curriculum It provides a unique concept based approach and nursing process focus that helps students go from concept to application by building on previously mastered knowledge from other courses Organized into four logical units Kyle *Essentials of Pediatric Nursing* covers a broad scope of topics with an emphasis on common issues and pediatric specific information In addition it has a variety of learning features to ensure student retention such as Healthy People 2010 boxes Threaded Case Studies and Comparison Charts highlighting common diseases Plus it includes a BONUS CD ROM and companion website that provide numerous resources for both students and instructors including video clips of each developmental stage and care of the hospitalized child *While the Billy Boils* Paul Eggert, 2012-12-03 Fifty two of Henry Lawson's stories and sketches that he had first published in newspapers and magazines from 1888 onwards were gathered in his collection *While the Billy Boils* Angus Robertson 1896 Lawson was not responsible for their ordering and he had to give ground on their texts especially on his idiosyncratic presentation of wordings that helped to breathe life into his characters and situations The present edition dismantles the fait accompli of 1896 by presenting the individual items in the chronological order of their first publication and with their original newspaper

texts This will allow a new appreciation of Lawson's writing one that is attentive to his developing powers The edition also facilitates a close study of Lawson's collaboration with the producers of the collection in 1896 in particular with his copy editor Arthur W Jose and publisher George Robertson Facsimile images available online of the printer's copy that they prepared for While the Billy Boils supplement the edition's listing of the alterations that each of them made revealing the textual history of each story or sketch **Sustainable Management of Cordyceps** Jiping Sheng, Ksenia

Gerasimova, 2025-01-24 This book examines the challenges of sustainably managing and conserving *Cordyceps sinensis* a rare species of fungus largely grown in Tibet currently on the brink of extinction As one of the most expensive commodities in the world particularly valued for its medicinal properties in China the price of *Cordyceps* has risen by over 900% since the 1970s This has made it a very lucrative resource for farmers many of whom are struggling to produce sufficient food to sustain themselves Naturally this has led to overharvesting and coupled with the impacts of climate change the crop itself is now at risk Rarely discussed in Western literature this book provides a novel examination of *Cordyceps* looking into the necessary changes needed to sustainably manage and conserve this important crop Drawing on extensive field work conducted in Qinghai Tibet the book analyzes the supply chain identifying key issues around production and considering the role and impact of relevant stakeholders It discusses the necessary changes needed for a sustainable supply change particularly to stop long term overharvesting The book then discusses the role of policy and the institutional management of this resource in China as one of the main producers and consumers It analyzes current policy instruments and argues for a more coherent policy which is better orientated towards conservation and sustainable management rather than solely market regulation This book will be of great interest to students and scholars of natural resource management environmental conservation environmental policy and sustainable supply chain management Apollo and Vulcan Guido

Guerzoni, 2011-06-01 Guido Guerzoni presents the results of fifteen years of research into one of the more hotly debated topics among historians of art and of economics the history of art markets Dedicating equal attention to current thought in the fields of economics economic history and art history Guerzoni offers a broad and far reaching analysis of the Italian scene highlighting the existence of different forms of commercial interchange and diverse kinds of art markets In doing so he ranges beyond painting and sculpture to examine as well the economic drivers behind architecture decorative and sumptuary arts and performing or ephemeral events Organized by thematic areas the ethics and psychology of consumption an analysis of the demand labor markets services prices laws that cover a large chronological period from the 15th through the 17th century various geographical areas and several institution typologies this book offers an exhaustive and up to date study of an increasingly fascinating topic *Promoting Continence* Kathryn Getliffe, Mary Dolman, 2007-10-18 This title is directed primarily towards health care professionals outside of the United States The 3rd edition of this popular text covers all aspects of continence focusing on continence promotion and measurement of outcomes The core chapters follow a standard structure

for ease of use and case studies are used throughout to link theory to practice contains the latest developments in continence treatment incorporates the most recent NHS guidelines on continence management and current legislation includes international perspectives provides a resource for practitioners caring for all client groups in the community and hospital environments a website providing practical documentation along with downloadable charts and examples of continuing professional development activities a new chapter on vulnerable groups including the frail elderly and mental health and neurological problems points for continuing professional development at end of every chapter research evidence to guide practice

Caffeine Amy Francis, 2016-01-07 Caffeine consumption has become commonplace amongst young adults in recent years with many teens up to 80 percent eagerly reaching for coffee or energy drinks on a regular basis Caffeinated substances are legal widely used by society and often touted as having health benefits yet many teenagers fail to realize that caffeine is also a drug When misused it can lead to dependency or abuse This informative anthology examines the various degrees of caffeine use outlining a variety of perspectives on topics such as caffeine and cognitive performance caffeine as an addictive substance and the complexities of caffeine regulation
