**A Season of Angels** Thomas Kinkade, Katherine Spencer, 2012-11-06 The residents of Cape Light and Angel Island will learn to speak what's in their hearts this holiday season in this heartwarming novel in the New York Times bestselling series. Adele Morgan has made mistakes in her life. After a serious medical scare she realizes her greatest regret is that she sat idly by while a petty dispute tore her family apart. She has returned to Cape Light determined to mend broken relations and bring everyone together for the holidays. But Adele's arrival elicits little delight. Neither Molly Willoughby nor Sam Morgan has time for their grandmother's plan to reconcile. It will take a miracle to unite Adele's family. Luckily for Adele, miracles can happen at the Inn at Angel Island. Meanwhile, there's another visitor, a skeptic determined to debunk Angel Island's legend. Grad student Jonathan Butler plans to prove the angel lore is nonsense and leave with a grand, bah humbug. Stuck on the island for Christmas, he spends his time doing research in the Historical Society where he meets local undergrad Tess Wyler. It's only a matter of time before he too falls under the island's spell and realizes that the proof of Angel Island and Cape Light's magic lies within.

Thomas Kinkade's Cape Light: Together for Christmas Katherine Spencer, 2015-11-03 The holiday season finds one treasured relationship about to be torn apart while another is just coming together in this Christmas novel in Thomas Kinkade's Cape Light series. As Christmas approaches, Molly Harding and her partner and best friend Betty Bowman are swept up in the annual holiday rush at Willoughby's Fine Food and Catering. With the business on shaky financial ground this year, the stakes are high. Suddenly, Betty must step back from the race to care for her husband, who is recovering from a serious injury. Molly is secretly overwhelmed but can't bring herself to burden her friend with bad news. But Molly knows that sooner or later the truth will come out. Then what? Will her independent I can do it attitude bring ruin to the business that means so much to them? Even more important, will it destroy her close and loving friendship with Betty? Meanwhile, a single mother, Carrie Munro, and her son Noah have come to Cape Light with the dream of starting a new life. Out of work, Carrie can hardly believe her luck when she gets a job working for Reverend Ben. Noah likes his new school and he's especially happy with a new friend named Theo, whom Noah insists is an angel. Carrie is at first amused, then concerned. She hopes Dr. Jeffrey Carlson, a child psychologist, can help her son and help her understand the cause for Noah's need for this imaginary friend. But as Christmas draws closer, Carrie starts to wonder if she's the one who really needs Jeff's guidance to help her see the world again with the open, trusting heart of a child and with the faith that anything is possible. Even angels. Even love.

**Domestic Modernism, the Interwar Novel, and E.H. Young** Chiara Briganti, Kathy Mezei, 2016-12-05 Domestic Modernism: the Interwar Novel and E. H. Young provides a valuable analytical model for reading a large body of modernist works by women who have suffered not only from a lack of critical attention but from the assumption that experimental modernist techniques are the only expression of the modern. In the process of documenting the publication and reception history of E. H. Young's novels, the authors suggest a paradigm for analyzing the

situation of women writers during the interwar years Their discussion of Young in the context of both canonical and noncanonical writers challenges the generic label and literary status of the domestic novel as well as facile assumptions about popular and middlebrow fiction canon formation aesthetic value and modernity The authors also make a significant contribution to discussions of the everyday and to the burgeoning field of homeculture as they show that the fictional embodiment and inscription of home by writers such as Young Virginia Woolf Elizabeth Bowen Ivy Compton Burnett Lettice Cooper E M Delafield Stella Gibbons Storm Jameson and E Arnot Robertson epitomize the long standing symbiosis between architecture and literature or more specifically between the house and the novel

**The Columbia Guide to South African Literature in English Since 1945** Gareth Cornwell, Dirk Kloppe, Craig MacKenzie, 2010 From the outset South Africa's history has been marked by division and conflict along racial and ethnic lines From 1948 until 1994 this division was formalized in the National Party's policy of apartheid Because apartheid intruded on every aspect of private and public life South African literature was preoccupied with the politics of race and social engineering Since the release from prison of Nelson Mandela in 1990 South Africa has been a new nation in the making inspired by a nonracial idealism yet beset by poverty and violence South African writers have responded in various ways to Njabulo Ndebele's call to rediscover the ordinary The result has been a kaleidoscope of texts in which evolving cultural forms and modes of identity are rearticulated and explored An invaluable guide for general readers as well as scholars of African literary history this comprehensive text celebrates the multiple traditions and exciting future of the South African voice Although the South African Constitution of 1994 recognizes no fewer than eleven official languages English has remained the country's literary lingua franca This book offers a narrative overview of South African literary production in English from 1945 to the postapartheid present An introduction identifies the most interesting and noteworthy writing from the period Alphabetical entries provide accurate and objective information on genres and writers An appendix lists essential authors published before 1945

**The Testing of Barbara Pym** Emily Stockard, 2023-10-23 The Testing of Barbara Pym a companion volume to The Making of Barbara Pym Palgrave Macmillan 2021 completes a comprehensive analysis of Pym's novels and her life focusing on her complex view of the necessity of change at both the individual and

cultural levels Newly published archival material supports this treatment of Pym's vision of a changing world a vision premised upon the principle of continuity a linking together of past present and future In her novels published from 1955 1980 beginning with Britain's emergence from post war austerity Pym portrays in an optimistic fashion several changing aspects of British culture expansion of the suburbs acceptance of homosexual men erosion of the class system inclusivity in the Anglican Church But with these changes new strains emerge as well the principle of continuity undergoes radical testing and is then emphatically reasserted Likewise despite upheavals to established patterns in her life chiefly the inability to publish her work Pym persisted in cultivating such elements of continuity as she could an effort rewarded while she was in rural retirement by a return to the publishing world Thus in both Pym's novels and her life continuity survives the duress of testing circumstances
