## **A Silence Of Mockingbirds The Memoir Of A Murder:**

*A Silence of Mockingbirds* Karen Spears Zacharias, 2011-10-11 Investigative journalist and author Karen Spears Zacharias never anticipated that she would become one of the characters involved in a high profile murder. But when she reconnects with a young woman named Sarah who lived in the Zacharias home at one time and was treated like family, Karen discovers that something unspeakable has happened to Sarah's daughter, Karly. Compelled to consider her own culpability in this tragic case, Karen pieces together what happened to Karly through court documents, investigators' interviews, and interviews with friends, family, law enforcement officials, and key witnesses. As the terrible story unfolds, the hard question emerges for everyone involved: indeed, all of us. Why was no cry raised to protect Karly? *A Silence of Mockingbirds* Karen Spears Zacharias, 2012 An examination of the abuse that led to the murder of a three-year-old girl reveals the tendency of people to disregard or keep silent about predatory behavior and brings to light many instances in which the abuse could have been stopped.

**Mother of Rain** Karen Spears Zacharias, 2013 Maizee Hurd was an easy target for hard times according to Burdy Luttrell, the town healer. Burdy is a Melungeon woman with striking features and mysterious ways. She owns the land the Hurds leased following their marriage on June 3, 1940. Maizee moved upriver at the age of ten after tragedy struck and she was sent off to be raised by a childless aunt and her doctor husband. This is Zacharias's debut historical novel.

**Love Me to Death** Linda Wolfe, 1999 When Richard Caputo surrendered to the FBI and confessed to the brutal murders of four women, Wolfe, a New York journalist, set out to link her friend's murder to him. This book reveals what she discovered about this Don Juan figure who moved with ease across the United States and Mexico, murdering women who loved him. Wolfe met with the victims' families, people associated with the justice system, and Caputo himself for this account. 8 page photo insert.

*Furious Hours: Murder, Fraud, and the Last Trial of Harper Lee* Perfection Learning Corporation, 2019 *Rip in Heaven: A Memoir of Murder and Its Aftermath* Jeanine Cummins, 2004-06 This intimate memoir tells of one family's immediate and widely publicized story of surviving a shocking crime and suffering in the aftermath.

**Obeying Evil** Ryan Green, 2017-07-02 Obeying Evil presents the shocking true story of Ronald Gene Simmons and the most disturbing family killing spree in the United States. Over the course of a week in 1987, he murdered 14 members of his own family, a former co-worker, and a stranger. In 1979, Simmons retired as an Air Force Master Sergeant following 20 years of service. The instability that followed his military days exacerbated his desire for control over his family. Simmons used intimidation, humiliation, and violence to assert dominance over all but one of his family members. He allowed a softer side to surface for his favourite daughter, Shelia, whom he forced into an incestuous relationship and eventually fathered her child. His need for total control led to isolation within his family and an inability to hold down a job. His frustration grew to untold levels when Sheila left the family home and married another man. With his plans in ruin and his grip softening, Simmons surprisingly supported his family's desire for a big Christmas celebration. The stage was set for a heartwarming reunion, but he had laid a very different

set of plans Obeying Evil portrays the Mockingbird Hill Massacre from the perspective of Ronald Gene Simmons It s a shocking true story about dominance intimidation and extreme violence If you are especially sensitive to accounts of the suffering of children it might be advisable not to read any further If however you seek to understand the darker side of human nature by coming face to face with it then this book is written for you *We Keep the Dead Close* Becky Cooper,2020-12 You have to remember he reminded me that Harvard is older than the U S government You have to remember because Harvard doesn t let you forget 1969 the height of counterculture and the year universities would seek to curb the unruly spectacle of student protest the winter that Harvard University would begin the tumultuous process of merging with Radcliffe its all female sister school and the year that Jane Britton an ambitious 23 year old graduate student in Harvard s Anthropology Department and daughter of Radcliffe Vice President J Boyd Britton would be found bludgeoned to death in her Cambridge Massachusetts apartment Forty years later Becky Cooper a curious undergrad will hear the first whispers of the story In the first telling the body was nameless The story was this a Harvard student had had an affair with her professor and the professor had murdered her in the Peabody Museum of Archaeology and Ethnology because she d threatened to talk about the affair Though the rumour proves false the story that unfolds one that Cooper will follow for ten years is even more complex a tale of gender inequality in academia a cowboy culture among empowered male elites the silencing effect of institutions and our compulsion to rewrite the stories of female victims *WE KEEP THE DEAD CLOSE* is a memoir of mirrors misogyny and murder It is at once a rumination on the violence and oppression that rules our revered institutions a ghost story reflecting one young woman s past onto another s present and a love story for a girl who was lost to history *My Ghost Has a Name* Rosalyn Rossignol,2022-04-13 This memoir about a friend s murder and the mystery surrounding her daughter s role in it is a true crime work that digs deeper Foreword Reviews On October 20 1999 thirty eight year old Nell Crowley Davis was bludgeoned strangled and stabbed to death in her backyard in Bluffton South Carolina near Hilton Head Island In this blend of true crime and memoir Rosalyn Rossignol tells the story of how Davis s sixteen year old daughter Sarah Nickel along with two teenage boys came to be charged in the case Since no physical evidence tied Nickel to the murder she was convicted of armed robbery and given the same sentence as the boys thirty years In the months that followed Nickel vehemently insisted she was innocent Torn by Nickel s pleas Rossignol a childhood friend of the murder victim committed herself to answering the question that perhaps the police detectives press and courts had not whether Sarah Nickel was indeed guilty of this crime During five years of research Rossignol read case files and transcripts examined evidence from the crime scene listened to the 911 call and watched videotaped statements made by the accused in the hours following their arrests She also interviewed family members detectives the lawyer who prosecuted the case and those who represented the defendants and the judge who presided over the trial as well as Nickel herself What Rossignol uncovers is a fascinating maze of twists and turns replete with a memorable cast of characters including a shotgun toting grandma a self
