

A large marine iguana is the central focus of the image, positioned on a dark, textured rock surface. The iguana has a dark, scaly body with a prominent dorsal ridge and is facing towards the left. Its head is slightly raised, and its front legs are extended forward. The background shows more of the rocky terrain, with some shadows and highlights that suggest a natural, outdoor setting. The overall tone of the image is somewhat somber due to the dark colors of the rock and the iguana's body.
