A Surprising God Bible Stories For Children And Adults:

God of Surprises Gerard W. Hughes,1987 A Surprising God James V. Parker,James V Parker Ph D,2012-11-02 One day a few years ago I told some six year olds my version of the story of Noah and the flood When I finished one of them said That s a great story where do you get your ideas Bible stories are enthralling tales But we may be in danger of losing them Even though the Bible is still the number one bestseller it is becoming an unread book Why It might be because of implausible beliefs associated with the Bible such as the belief that the Bible contains the very words of God or that God created the world in six days and later wiped all innocent life in a great flood or that God once upon a time spoke to people acted in human affairs and favored a chosen people or that God led armies to destroy wicked and innocent alike Even children s bibles with their simple words and colorful playful illustrations can frighten kids Why daddy would God want Abraham to kill his son Puzzle adults and create skepticism about the God they portray A Surprising God is much more than another collection of Bible stories told in simple words It is a new telling of those stories Rather than starting from the belief that the Bible is the word of God and means exactly what it says A Surprising God begins with human stories stories of people like ourselves who slowly and often after mistakes and detours discover hints of who God may be It relies on contemporary knowledge of ancient history and language and storytelling for new insights into these stories The result is that we find that the things that happened to the family of Israel are the experiences we have in our own lives We are Abraham and Sarah Jacob and Moses David and Job and the God with whom these heroes wrestled is bigger than the one we have heard about or imagined A Surprising God is an adventure in storytelling It is written in two vocabularies and arranged for two distinct audiences First of course it is written for children especially those children between the years of six and twelve Their minds are full of questions that they are not yet too self conscious to ask But A Surprising God is also written for adults parents and teachers who read to their children They will appreciate introductions to each story that reflect up to date biblical scholarship and they will find a Storyteller s Toolkit in the appendix to help them read or tell Bible stories with understanding and feeling A Surprising God is for questioners both young and old the publisher *Something Greater* Jeanne Choy Tate,2013-05-21 Every day Americans rub shoulders with the cultures of the world on the sidewalks of their cities and increasingly in small towns and rural areas As civil discourse becomes increasingly divisive many long for our nation to better deal with its diversity Yet Americans also wonder how far the nation can stretch to embrace diversity and still maintain an identity Ethnic and faith communities Americans of many varieties share a fear of losing their traditions Will the next generation still honor the values of caring for others and contributing to community life Bible Stories for All Ages Margaret Kyle,2007-05-05 Presents one bible story for every Sunday of the year which is paired with an activity suitable for small children which reinforces the moral or lesson appearing in each story *The Voices of Children in the Bible* Rita B. Hays,2012-05-03 THIS BOOK seeks to lift up the voices of children in both the Old and New Testaments Twelve stories

highlight the voices of these children showing ways in which select children play a significant role in the outcome of the biblical narrative. Additionally, readers receive insights into ways they can relate to children today and also relevant lessons they can learn based upon the biblical text. Each chapter offers discussion and reflection questions for individual or group study.

Jesus, Teach Me how to Pray Lynne Modranski, 2011

The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20

Scripture's compelling message of love and justice is powerfully relevant for today. The implications of the Amsterdam way of interpreting Scripture are evident throughout the book. It is both a personal and timely way of speaking to our disintegrating society. *The Prophetic Call to Love and Justice* provides a meaningful and radical yet simple way of re-connecting with the Bible. As one of the founders of the Amsterdam way of interpretation, Karel Deurloo stated: "The opportunity to learn anew and understand the language of the Bible has been taken away. Often the focus is on the assumed origin and history of a text, a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches. Instead, Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today. This alternative is rooted in the Hebrew Scriptures. Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters. Hence the choice of subtitle: *Rediscovering the Old Testament*. It is a joyful journey of discovery, finding new meaning in the Bible for our lives."

Children's Books in Print, 2007, 2006

The Lost Army of Melchizedek Lawrence A. Williamson, 2006-06

This book will change the traditional thinking of the church towards its two most important classes of family: the youngest children and the senior citizens; they are our highest calling.

Bible Stories for Grown-Ups Josh Scott, 2023-04-04

Read the Bible for the first time again. In *Bible Stories for Grown-Ups*, Reading Scripture with New Eyes, pastor Josh Scott looks at familiar Bible stories and reveals new details and interpretations for an adult audience. This six-week Bible study will consider stories many read as children, including Noah's Ark, the binding of Isaac, Jonah and the big fish, Jesus and Zacchaeus, Jesus healing a blind man, and the parable of the talents. Scott reimagines these stories and opens new visions for readers to understand well-known pieces of Scripture in our current cultural environment. The book can be read alone or used by small groups and can be used anytime throughout the year. Additional components include video teaching sessions featuring Josh Scott and a comprehensive leader guide, making this perfect as a six-week group study done throughout the year.

Finding Your Place in God's Great Story for Kids Jim Johnson, Paul Basden, 2021-08-31

By learning about the Bible in eight easy-to-understand sections, children ages nine to twelve will see God's Word as one complete story and find their role in it. From Genesis to Revelation, God has a story to tell. He created us so he could know and love us, and because he knew we wouldn't be able to love and obey him perfectly, he sent his Son to die for us so we can spend eternity with him. Using language, humor, and illustrations that tweens will enjoy, *Finding Your Place in God's Great Story for Kids* introduces children to the major themes and key characters in the Bible so they will better understand the gospel message and see how to apply it to their lives.

They will also discover the narrative threads that run throughout the Bible and gain a deeper appreciation of God's Word and his immeasurable love for them Perfect for parents grandparents youth pastors and Sunday school teachers to share with tweens this book will strengthen children's faith and increase their knowledge of the Bible and God Uncle Roger; Or, A Summer of Surprises. A Story for Children. [With Illustrations.] Evelyn Everett-Green,1885 *Formational Children's Ministry (ēmerſion: Emergent Village resources for communities of faith)* Ivy Beckwith,2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation But what if children's ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God the story of church history the story of the local community and the story of the child intersect and speak to one another What if children's ministry was less about downloading information into kids heads and more about leading them into these powerful compelling stories Beckwith aims to help ministers and parents create a ministry that captures children's imaginations not just to keep them occupied but to live as citizens of the kingdom of God In addition to providing theological reasons for formational children's ministry the book offers examples of how Ivy and other practitioners are implementing a formational model **One Step Closer** Christian Scharen,2006-04-01 U2 is widely hailed as the greatest rock and roll band in the world and lead singer Bono is often seen in the media touting humanitarian goals Now Christian Scharen provides a thoughtful look at the driving force behind the band Bono and other band members are marked by the Christian faith of their Irish backgrounds Scharen reflects on how U2 fits within the longer Christian tradition of voices that point us to the cross to Jesus and to the power of God's ways in the world as he explores the music's honest spiritual questioning Music lovers pastors and anyone on the path to God will value this book **Growing Up with God** Nancy Cocks,2003 How can you help children grow up with God One way is through stories that speak of their concerns helping them to grow up trusting that God will be at the centre of their lives **Surprised by the Power of the Spirit** Zondervan,2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts 333 Journal Pages Linda Wright,2018-02-05 In memory of my husband James A Wright I have written this book of 333 journal pages For each entry I have selected a Bible verse for you to reference or study and

then some of my thoughts on the topic at hand After a short prayer there is room for your thoughts and ideas I love to journal and I pray you will join me in loving it too Discover why this book is titled 333 Journal Pages in my introduction and Journal Page 1 *How to Connect with Your Troubled Adult Children* Allison Bottke, 2019-01-08 What to Do When Parenting Gets Painfully Complicated Are your adult child's mental emotional and physical health issues driving you to despair Are you tempted to bail your son or daughter out of yet another impossible circumstance When your child has reached or long since passed the point of independence it's difficult to know what your help as a parent should look like From the author of bestseller *Setting Boundaries with Your Adult Children* Allison Bottke now offers an in depth guide to help you connect with your troubled adult child and to build your confidence knowledge and hope in challenging situations such as drug addiction mental and emotional disabilities military trauma and PTSD personality disorders financial trouble depression and bipolar divorce incarceration and so much more Whether you're facing these problems for the first time or looking to learn more take a step back and develop effective strategies to truly help your adult child without sacrificing your sanity

Family-Centered Intergenerational Religious Education Kathleen O. Chesto, 1991 FIRE is Family Centered Intergenerational Religious Education As an alternative model of religious education the program covers in a four year cycle the main truths of the faith enumerated in the National Catechetical Directory Various options make it possible to repeat the program for a second four year cycle **The Mystery of the Child** Martin E. Marty, 2007-04-23 Much of today's writing on children treats the child of any age as a problem or a set of problems to be solved effectively reducing the child to a complex of biological and chemical factors explainable in scientific terms or regarding children as objects of adult control In contrast Martin Marty here presents the child as a mystery who invokes wonder and elicits creative responses that affect the care provided him or her Drawing on literature as new as contemporary poetry and as old as the Bible *The Mystery of the Child* encourages the thoughtful enjoyment of children instead of the imposition of adult will and control Indeed Marty treats the impulse to control as a problem and highlights qualities associated with children responsiveness receptivity openness to wonder that can become sources of renewal for adults *The Mystery of the Child* represents a new tack for Martin Marty universally respected as a historian theologian and interpreter of religion and culture but displays the same incisive erudite quality marking the fifty plus books and thousands of articles that he has previously written Marty's broad thoughtful perspective will inspire readers to think afresh about what it means to be a child and to be a caregiver This book is sure to claim a wide readership parents grandparents schoolteachers theologians historians engaging anyone wanting to explore more fully the profound realm of the child

This is likewise one of the factors by obtaining the soft documents of this **A Surprising God Bible Stories For Children And Adults** by online. You might not require more time to spend to go to the ebook creation as capably as search for them. In some cases, you likewise attain not discover the message A Surprising God Bible Stories For Children And Adults that you are looking for. It will entirely squander the time.

However below, later than you visit this web page, it will be thus extremely simple to acquire as capably as download lead A Surprising God Bible Stories For Children And Adults
