A Taste of Freedom Peng Ming-Min, 2008 A Taste of Freedom Ming-min Peng, 1972 *A Taste of Freedom* Mingmin Peng, 1972 *Организации труда--научную основу*, 1967 **A Taste of Freedom** Ming-min Peng, 1994 A Taste of Freedom Ming-Min Peng, 2017-06

Peng Ming min was imprisoned by the Kuomintang regime in Taiwan during the White Terror era for subversion While he was later under house arrest he evaded his minders and fled to the US where he led the fight for democracy in his homeland He returned to stand as a candidate in the first democratic presidential elections in 1996 *Whither Taiwan and Mainland China* Zhidong Hao, 2010-01-01

Hao Zhidong has provided essential background on the types of thinking that could create a unified island mainland polity Do the politicians in Beijing and Taipei want one enough to make the symbolic sacrifices that would be needed to bring their citizens peace with prosperity The thinkers whom Hao analyzes in this book can show them ways to do this Lynn White Princeron University A tour de force survey of the dilemmas and possibilities facing intellectuals and policy makers in the Chinese speaking world when dealing with Taiwan as a problem of Chinese nationalism Christopher R Hughes London School of Economics and Political Science A sane thoughtful and thoroughly grounded study of what intellectuals are doing and could do to mediate the contentious patriotism in both Mainland China and Taiwan Hao brings the sensibilities of a native to a rigorous comparative sociological analysis of the states and the intellectuals involved and what it would take to resolve this key relationship Timothy Check University of British Bolumbia This volume makes a significant contribution to understanding the complexities of the development of nationalisms and divided nations identity politics and the roles of the state and intellectuals not only across the Taiwan Strait but also around the world Professor Hao Zhidong s proposed solution to a unified cross Strait polity is extremely thoughtful and stimulating and deserves serious attention from all parties concerned Timothy Ka Ying Wong The Chinese University of Hong Kong This is one of the few books that argues for a feasible compromise solution to the political conflict across the Taiwan Strait that still troubles greater China The author elaborates on the factors both enabling and constraining the formation of a hybrid of federation and confederation In a unique way he deals with the role of the state and intellectuals organic professional and critical as well as their interaction in shaping national identities The important questions raised are Can China become a true world leader Will Taiwan be a key player in China s transformation The book should be of interest to students in political science sociology and history as well as policy makers and businesspeople who are concerned about the development of cross Strait relations **Baseball Beyond Our Borders** George Gmelch, Daniel A. Nathan, 2017-03

Baseball Beyond Our Borders celebrates the globalization of the game while highlighting the different histories and cultures of the nations in which the sport is played This collection of essays tells the story of America s national pastime as it has spread across the world and undergone instructive entertaining and sometimes quirky changes in the process Covering nineteen countries and a U S territory the contributors show how each country imported baseball how baseball took hold and

developed how it is organized played and followed and what local and regional traits tell us about the sport's place in each culture But what lies in store as baseball's passport fills up with far flung stamps Will the international migration of players homogenize baseball What role will the World Baseball Classic play These are just a few of the questions the authors pose

Taiwan and Chinese Nationalism Christopher Hughes, 2013-04-15 For China Taiwan is next in line to be unified with the People's Republic after Hong Kong in 1997 China's claim on Taiwan is of great importance to the politics of Chinese Nationalism and is central to the dynamics of power in this most volatile of regions The democratic challenge from Taiwan is very potent and its status and identity within the international community is crucial to its survival Taiwan and Chinese Nationalism explores how Taiwan's status has come to be a symbol for the legitimacy of the Chinese regime in the evolution of Chinese nationalism It also demonstrates how this view has been challenged by demands for democratization in Taiwan The KMT regime is shown to have allowed sovereignty to be practised by the population of the island while maintaining the claim that it is a part of China The result is a post nationalist identity for the island in an intermediate state between independence and unification with the PRC

Trade and Protectionism Takatoshi Ito, Anne O. Krueger, 2007-12-01 During the first three decades following the Second World War an increasingly open international trading system led to unprecedented economic growth throughout the world But in recent years that openness has been threatened by increased protectionism regional trading arrangements Europe 1992 and the U S Canada Free Trade Agreement and setbacks in negotiations on the General Agreement on Tariffs and Trade In *Trade and Protectionism* American and East Asian scholars consider the dangers of this trend for the world economy and especially for East Asian countries The authors look at the current global trading system and at the potential threats to East Asian economies from possible regional arrangements such as separate trading blocks in the Western Hemisphere and Europe They cover trade between the United States and Japan Korea and Japan and Japanese East Asian trade policies trade in agriculture and semiconductors and the frictions that have jeopardized this trade and direct foreign investment The contributors round out the work with discussions of the political economy of protection in Korea and Taiwan and political economy considerations as they affect trade policy in general This is the second volume of the National Bureau of Economic Research East Asia Seminar on Economics The first volume *The Political Economy of Tax Reform* also edited by Takatoshi Ito and Anne O Krueger addresses tax reform in the global economy

The Generalissimo's Son Jay Taylor, 2009-06-01 Chiang Ching kuo son and political heir of Generalissimo Chiang Kai shek was born in 1910 when Chinese women nearly all illiterate hobbled about on bound feet and men wore pigtails as symbols of subservience to the Manchu Dynasty In his youth Ching kuo was a Communist and a Trotskyite and he lived twelve years in Russia He died in 1988 as the leader of Taiwan a Chinese society with a flourishing consumer economy and a budding but already wild woolly and open democracy He was an actor in many of the events of the last century that shaped the history of China's struggles and achievements in the modern era the surge of nationalism among Chinese youth

the grand appeal of Marxism Leninism the terrible battle against fascist Japan and the long destructive civil war between the Nationalists and the Communists In 1949 he fled to Taiwan with his father and two million Nationalists He led the brutal suppression of dissent on the island and was a major player in the cold sometimes hot war between Communist China and America By reacting to changing economic social and political dynamics on Taiwan Sino American rapprochement Deng Xiaoping s sweeping reforms on the mainland and other international events he led Taiwan on a zigzag but ultimately successful transition from dictatorship to democracy Jay Taylor underscores the interaction of political developments on the mainland and in Taiwan and concludes that if China ever makes a similar transition it will owe much to the Taiwan example and the Generalissimo s son

Asian Nationalism Michael Leifer, 2002-05-03 Asian Nationalism brings together internationally renowned experts in the field analysing current theories of nationalism Featuring detailed chapter case studies on Pakistan China Japan Taiwan India Indonesia and the Philippines this book provides a good balance of theoretical and empirical material Completely up to date this book will be invaluable for scholars of both Asian Studies and Politics Key issues covered include theories of nationalism the changing faces of Chinese nationalism Indian National Democracy the imagined community reflections on Asian nationalism

Civil War in China Suzanne Pepper, 1999-07-22 Many books have tried to analyze the reasons for the Chinese communist success in China s 1945_1949 civil war but Suzanne Pepper s seminal work was the first and remains the only comprehensive analysis of how the ruling Nationalists lost that war_ not just militarily but by alienating the civilian population through corruption and incompetence Now available in a new edition this authoritative investigation of Kuomintang failure and communist success explores the new research and archival resources available for assessing this pivotal period in contemporary Chinese history Even more relevant today given the contemporary debates in Hong Kong and Taiwan over the terms of reunification with a communist led national government in Beijing this book is essential reading for anyone seeking a nuanced understanding of twentieth century Chinese politics

Taiwan Denny Roy, 2003 For centuries various great powers have both exploited and benefited Taiwan shaping its multiple and frequently contradictory identities Offering a narrative of the island s political history the author contends that it is best understood as a continuous struggle for security

Security Challenges and Military Politics in East Asia Jongseok Woo, 2011-02-24

Democracy on Trial Ya-Chung Chuang, 2013-06-07 Democracy on Trial is an attempt to begin to negotiate the problem of writing about and understanding democracy and social movements in Taiwan and what they can tell us about a place and country that for me is both home and the field an object of study and yet also an area of hope and engagement Democracy on Trial is as impressive for its conceptual sophistication as it is for its ethnographic depth Chuang s personal experiences and engagement with the movements he describes and analyzes bring to life the wealth of documentary and ethnographic data The study should be of interest not just to Taiwan scholars and readers but also those interested in issues of democracy in China and East Asia the politics of Taiwan PRC relations and social movement scholars and activists y

Arif Dirlik Author of Culture and History in Postrevolutionary China The Perspective of Global Modernity **Sociology and Anthropology in Twentieth Century China** Arif Dirlik,Guannan Li,Hsiao-pei Yen,2012-02-03 Within this text the contributors provide a historical perspective on the development of anthropology and sociology since their introduction to Chinese thought and education in the early twentieth century with an emphasis on the 1930s and 1980s The authors offer different windows on theoretical and research agendas of anthropologists and sociologists of the PRC and Taiwan shaped as much by their political context as by disciplinary training In examining the careers of several individual scholars they also make note not only of their creative contributions but also of the resonance of their intellectual concerns with contemporary issues in sociology and anthropology culturalism frontiers women Finally the volume is organized loosely around the problem of how to translate these disciplines into a Chinese context s the issues of indigenization bentuhua or making Chinese Zhongguohua which have haunted the two disciplines since their establishment in the 1930s because of the contradictory expectations that they generate This is where the case of China resonates with similar concerns in other societies where the disciplines were imported from abroad as products of a Euro American capitalist modernity conflicting with aspirations to create their own localized alternative modernities *Routledge Handbook of Contemporary Taiwan* Gunter Schubert,2024-12-31 This fully revised 2nd edition of the Routledge Handbook of Contemporary Taiwan provides a comprehensive overview of both contemporary Taiwan and the Taiwan studies field Written by an international team of Taiwan experts the Handbook includes major topics in Taiwanese history domestic politics political economy society culture and international relations Each chapter summarises the major findings in the field and highlights long term trends recent observations and potential future developments in Taiwan revealing its long journey from a frontier island to a highly industrialised country struggling for international recognition Up to date interdisciplinary and academically rigorous the Handbook offers the reader an accessible and fascinating insight into contemporary Taiwan and will be of interest to students academics and policymakers with an interest in all things Taiwan **Beer in East Asia** Paul Chambers,Nithi Nuangjamnong,2023-03-17 Chambers Nuangjamnong and their contributors look at how the development of the beer industry in East Asia presents a unique opportunity for understanding the region s political economy Asia is both the world s largest beer consuming and beer producing region and the fastest growing beer market Per capita consumption is lower than Europe but catching up fast Beer consumption is also widely understood to correlate closely with economic growth and urbanization much more so than other alcoholic beverages like spirits With ten country case studies from both Northeast and Southeast Asia the contributors to this volume look at the history of beer production and consumption across East Asia through a lens of historical institutionalism and political economy In doing so they not only examine the development of the beer industry in the region but also what it tells us about the countries themselves They ask questions such as To what extent have state versus societal actors influenced the path of beer production How has beer production changed Was there a

critical juncture at which beer production abruptly changed course A valuable resource for students and scholars of modern East Asian History and particularly those with a focus on colonial history industrial history and state society relations

Contesting 'Good' Governance Eva Poluha, Mona Rosendahl, 2012-10-12 Research in localities in India Cuba Ethiopia Taiwan and Lebanon is used to develop a broader understanding of global political phenomena such as democracy representation and accountability To contextualise aspects of good governance the articles in the volume deal with people's perceptions of and interactions with the state how they interpret government laws and regulations how they interact with officials and how they comment on acts and speeches made by local bureaucrats and national power holders Through a discussion of the much debated distinction between private and public the articles show how the notions of public and private are interconnected in many ways how they are contested and reformulated by people based on their experiences and how they can be used as a tool in questioning dominant ideas and ways of executing good governance
