Krishnamurti, 2022-05-29 In *The Mystique of Enlightenment* U G Krishnamurti offers a provocative exploration of the elusive nature of enlightenment dismantling conventional spiritual paradigms with an incisive critique that reflects his unique philosophical outlook Employing a conversational and accessible prose style Krishnamurti eschews dogma in favor of a raw examination of the self identity and the psychological constructs that bind us This text stands as a challenge to the romanticized concept of enlightenment presenting it not as an ultimate attainment but rather as a persistent often disconcerting exploration of one s own mind set against the backdrop of Eastern philosophical traditions and Western existential thought U G Krishnamurti s intellectual journey is deeply rooted in his own radical transformation and rejection of established beliefs which fueled his desire to strip away the superficial layers of spiritual teachings Having experienced a profound shift in consciousness he sought to communicate the nuances of this experience devoid of the metaphysical embellishments often associated with spiritual awakening His background which intermingled with theosophical influences and a critical approach to societal norms profoundly informed his perspectives establishing him as a distinctive voice in contemporary spiritual discourse For those seeking a deeper understanding of enlightenment that transcends platitudes and comfortable notions *The Mystique of Enlightenment* is an essential read Krishnamurti s unapologetic examination serves both as a philosophical inquiry and a practical guide inviting readers to question their assumptions and engage with their innermost selves This book will resonate with anyone poised at the intersection of spirituality and existential inquiry urging a reevaluation of what it truly means to be enlightened *Mystique of Enlightenment* U. G., Alvin Bobroff, U. G. Krishnamurti, 1985-12 **God Men Con Men** Robert

Carr,2003 This Book Is A Spiritual Saga Of A Non Conformist Who After A Life Long Search Is Honest Enough To Say That He Has Come To The End Of His Tether And Still Has No Clue To Life S Mystery His Experience Opened The Doors Of Alternative Perception For Him And Gave Him A Fresh View On Reality **No Way Out** U. G. Krishnamurti,2023-12-14 In No Way Out U G Krishnamurti presents a profound exploration of the human condition through a lens that is both philosophical and experiential The text defies conventional spiritual and psychological paradigms employing a unique narrative style characterized by its uncompromising directness and candid reflections By eschewing established dogmas Krishnamurti invites readers to confront the often uncomfortable truths of existence challenging the constructs of spirituality enlightenment and personal identity His writing resonates with a raw urgency that reflects the existential dilemmas of contemporary society urging readers to engage deeply with their own perceptions of reality U G Krishnamurti an influential philosopher emerged from a background steeped in both traditional inquiry and the rigors of personal experience Having rejected the spiritual norms of his time his lifelong investigation into the nature of thought belief and self led him to articulate a vision that resonates with those seeking authenticity in their lives His unconventional insights stem from a synthesis of introspective study and radical skepticism enabling him to confront the limitations imposed by societal conditioning No Way Out is a compelling recommendation for anyone seeking liberation from the confines of intellectual constructs and societal expectations This book offers a transformative experience compelling readers to question the very foundations of their understanding and pursue a path of true self awareness Ideal for those in search of unfettered truth it provides an invaluable perspective on navigating the complexities of existence **The Chemistry of Connection** Patrick Holford,2016-09-06 Discover how understanding and experiencing the true power of connection with others with yourself and with your life s purpose can have drastic effects on your health Acclaimed author Patrick Holford has spent the last 40 years exploring what it means to be 100% healthy In The Chemistry of Connection he shares deep wisdom that will help you feel more fully alive and awake to your life and the lives of others By exploring elemental chemical psychological social philosophical ecological sexual and spiritual avenues says Holford we can gain a deeper understanding and experience of connection In this book he shows you how to Wake up from disconnection to connection Develop your mind body connection and heal your body Generate vital energy and restore your vitality Resolve emotional and relationship difficulties Improve your mental alertness and intellectual clarity Connect with the five elements that make us and our world Explore and experience philosophies that make life worth living Full of practical exercises meditations and contemplations this book will help you enhance connection in all areas of your life **Biology Of Enlightenment** Mukunda Rao,2012-07-21 In this book we meet with the modern sage U G Krishnamurti and listen to his penetrating voice describing life and reality as it is What is body and what is mind Is there a soul Is there a beyond a God What is enlightenment Is there a life after death Never before have these questions been tackled with such simplicity candour and clarity In these unpublished early conversations with

friends 1967 71 U G discusses in detail his search for the truth and how he underwent radical biological changes in 1967 Preferring to call it the natural state over enlightenment he insists that whatever transformation he has undergone is within the structure of the human body and not in the mind at all It is the natural state of being that sages like the Buddha Jesus and in modern times Sri Ramana stepped into And U G never tires of pointing out that this is the way you stripped of the machinations of thought are also functioning

The Natural State Peter Maverick, 2005-06 Taken from many sources this book is an anthology of U G s conversations It aims to offer some of the most startling and penetrating of U G s words U G says that it is our tragedy that we are constantly trying to change ourselves trying to model ourselves after one of the saints sages or saviours of mankind

The Natural State U. G. Krishnamurti, 2022-01-04 This book an anthology of U G s conversations taken from many sources offers some of the most startling and penetrating of U G s words in short easy to read paragraphs The overall effect of the book can stun the reader into a recognition of the futility of many of his deepest held convictions about life Even if one is familiar with U G s way of seeing things this book offers a comprehensive overview that provides a useful clarification If you have newly discovered U G through this book be prepared to experience something so unusual that it cannot be placed in any category of human thought

Indian Review of Books , 1992

Goner Louis Brawley, 2011-05-16 Louis Brawley met UG Krishnamurti in 2002 and spent the following five years travelling with him in the USA India and Europe keeping a record of this remarkable non teacher and documenting his own inner struggles as his ideas about life love and Enlightenment were constantly tossed around and demolished Louis fell into the role of foil and sidekick to UG s bizarre interactions with his friends and audience and as UG s health deteriorated he became his informal caregiver Louis Brawley doesn t use honeyed platitudes to tell the story of a sage and his devoted follower instead he tells an often unflattering story of his own struggles and shortcomings and the dynamic uncertainties of life with a man who tore apart everything human beings have built up inside and out for centuries Goner will teach you the meaning of the phrase paradoxical truth UG Krishnamurti gave up everything for truth but delighted in ridiculous fabrications he was a teacher who refused to teach a man who mocked do gooders but was deeply kind he was chaste but foul mouthed he was a man who decried the supernatural yet there were strange coincidences around him the way he lived his living quarters and his mode of expression were one continuous movement a three dimensional living book of teaching If you were observant you could learn from him on contact with no need for explanation
