## **A Time For Dignity Crisis And Gospel Today:**

**Truth and Reconciliation** Thomas E. Malewitz, 2024-02-15 Framed within the lens of Robert Greenleaf's Servant Leadership model Truth and Reconciliation examines and explores trends through global historical accounts and examples of diplomatic leadership surrounding the Truth and Reconciliation Commissions of South Africa and Canada as a guide to approach America's divided identity and racial tensions Through the wisdom and diplomacy illustrated during the transition of a South African nation defined by legal racial segregation of apartheid to democracy as well as a Canadian national identity deeply scarred through the cultural genocide of generations of First Nations children and families through the abusive Residential School system and the Sixties Scoop it is the hope that this manuscript will offer insights as well as a theological lens for reflection to approach a nonviolent narrative based option of seeking truth and the first steps toward reconciliation beyond cyclic ideologies By highlighting the historical parallels between South Africa Canada and America this manuscript serves as a conversation starter offering reflective stories and activities to help establish an initial dialogue in a nation whose consciousness remains deeply rooted in unresolved cultural conflict from Indigenous genocide as well as the residual deep cultural challenges and stereotypes of American slavery ideology and practices

**How to Catch Feelings for Jesus** Andrew Christopher Uttaro, 2022-11-09 Jesus Christ is a character not unlike Elvis to many of us born into places that have historically been bathed in Christianity Sure maybe he's a decent guy but I don't want to put on the shiny blazers The whole idea of a relationship with Jesus may be quite off putting on the face of it for those of us not keen on throwing our hands up in the air in praise concerts or kneeling and reciting centuries old creeds on a weekly day off The way to a relationship with Jesus that often gets lost in all the preaching is that it's caught not taught As someone who began his relationship with Jesus with a simple I'll give this Jesus thing a try Uttaro still struggles with the awkwardness of it all Sometimes the only way we can get past all the deafening noise of the faith as it exists in our culture is to give ourselves the opportunity to catch feelings instead of endure being taught the same tired anachronisms that orbit that name Jesus In How to Catch Feelings for Jesus we will go about a personal step by step journey to such a relationship with Jesus

**The Apocalyptic Year 1000** Richard Landes, Andrew Gow, David Van Meter, 2003-06-05 The essays in this book challenge prevailing views on the way in which apocalyptic concerns contributed to larger processes of social change at the first millennium Several basic questions unify the essays What chronological and theological assumptions underlay apocalyptic and millennial speculations around the Year 1000 How

broadly disseminated were those speculations Can we speak of a mentality of apocalyptic hopes and anxieties on the eve of the millennium If so how did authorities respond to or even contribute to the formation of this mentality What were the social ramifications of apocalyptic hopes and anxieties and of any efforts to suppress or redirect the more radical impulses that bred them How did contemporaries conceptualize and then historicize the passing of the millennial date of 1000 Including the work of British French German Dutch and American scholars this book will be the definitive resource on this fascinating topic and should at the same time provoke new interest in and debate on the nature and causes of social change in early medieval Europe     The Demands of Freedom Helmut Gollwitzer,1965     **A Time for Dignity** Mel Lawrenz,2015-10-15 An urgent call Os Guinness What is a human being worth That is the opening question in this new book by Mel Lawrenz which explores the meaning of human dignity and its connection with the Christian gospel and mission Human dignity is a widely held ideal but there is much confusion over what it means Is it simply autonomy the supposed right that people have for complete self determination Is it good behavior Is human dignity the basis for protection for all people especially the vulnerable founded on the reality that people are created in the image of God Lawrenz speaks to the issue of dignity not just as a philosophical topic but as an everyday reality This is a time for dignity because of the many indignities that diminish people whether abuse illness aging injustice terrorism economic crises etc The mandate of the gospel requires specific commitments to recognizing and respecting human worth all carried out in obedience to Jesus Christ CONTENTS What is a Human Being Worth Slap in the Face The Insults of Indignity Restoring Dignity The Mandate of the Gospel The Dignity of Jesus ENDORSEMENT The dignity of the person is the bedrock of any society with a human face But if the last century witnessed some of history s greatest violations the coming century may well prove worse A Time for Dignity is an urgent call Followers of Jesus must not fail to rise to the challenge of the hour Os Guinness author and social critic EXCERPT Despite all the painful circumstances of life that can make us feel incomplete or less than fully human most people do not give up the hope that they have some worth some dignity Illness makes us less than whole Aging diminishes the body and oftentimes the mind Abusive relationships violate Loss and trauma fracture people s lives like earthquakes that weaken the whole structure of life Unemployment and under employment rob people of a sense of purpose Many who have a job work for managers who treat them like gears in a machine Yet most people hope that there is something higher about personhood that cannot be taken away Most people want to hold their heads up     **Crisis** ,2006 A journal of lay Catholic opinion     *Social Analysis for the 21st Century* Cimperman, Maria ,2015-09-30     *Reluctant Prophet* Mike Deeb,Philippe Denis,Mark James,2023-07-01 This book is a collection of essays in honour of Albert Nolan OP who died in October 2022 at the age of 88 Awarded the Order of Luthuli in Silver by then President Thabo Mbeki in 2003 for his life long dedication to the struggle for democracy human rights and justice and for challenging the religious dogma especially the theological justification for apartheid Nolan inspired a generation of Christian activists and theologians From 1973 1980 he served as national chaplain for the National

**Why the Church?** Hans Joas, 2024-10-01 Why did Christianity produce the special organizational form church in the first place Is it possible to be a Christian without the church To what extent is Christian faith in community with other believers an alternative to the mere self optimization of individuals In this accessible and questioning new work Hans Joas traverses theological church historical sociological and ethical territory in search of a viable conception of the church adequate to contemporary globalized societies Across eleven essays that draw on work by Ernst Troeltsch Max Weber Emile Durkheim H Richard Niebuhr Leszek Kolakowski and others Joas reflects on key debates from the failure of so called secularization theory to explain religiosity in modern society to the role of Christianity and the church in relation to rampant nationalism and refugee crises and to the question of whether or not human dignity ever was or still is the highest value in the West Addressing the sociology of the church as the distinctive communal formation of Christianity for the last two millennia Joas underscores the need for Christian conceptions of church to balance theological sensibility with concrete sociological grounding In the process he considers the relation of a community of faith to contemporary ideas about the optimization of life

*Theology After Christendom* Joshua T. Searle, 2018-02-14 Christianity must be understood not as a religion of private salvation but as a gospel movement of universal compassion which transforms the world in the power of God's truth Amid several major global crises including the rise of terrorism and religious fundamentalism and a sudden resurgence of political extremism Christians must now face up fearlessly to the challenges of living in a post truth age in which deceitful politicians present their media spun fabrications as alternative facts This book is an attempt to enact a transformative theology for these changing times that will equip the global Christian community to take a stand for the gospel in an age of cultural despair and moral fragmentation The emerging post Christendom era calls for a new vision of Christianity that has come of age and connects with the spiritual crisis of our times In helping to make this vision a reality Searle insists that theology is not merely an academic discipline but a transformative enterprise that changes the world Theology is to be experienced not just behind a desk in an armchair or in a church but also in hospitals in foodbanks in workplaces and on the streets Theology is to be lived as well as read

**A Dictionary of Christ and the Gospels**  
 James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
