A Violent God Image An Introduction To The Work Of Eugen Drewermann:

A Violent God-Image Matthias Beier, 2004-04-30 Theologian and psychotherapist Eugen Drewermann has been the most significant the most prolific and the best selling theological writer in the German language over the past quarter century Drewermann shows that religion including Christianity turns violent mentally spiritually and even physically if it uses fear as a motive for faith fear of exclusion from the group fear of hell and fear of God At the heart of Drewermann's nonviolent interpretation of key Christian beliefs is his analysis of a violent image of God that characterizes traditional interpretations of sin and the cross It is this God image opposed to human desires and self realization that sanctified the killings of millions of peoples in wars declared to be just and legitimated the violent exploitation of nonhuman nature and the aggressive economic exploitation of non Christian cultures The sheer enormity of Drewermann's principal books has thwarted publication of his works in English translation to date His empathic critique of the clerical mentality ideology and culture *The Cleric* based on his psychotherapeutic work with clergy led to his being silenced by Roman Catholic authorities in 1991 and suspended from the priesthood in 1992 This is the first full length introduction to Drewermann in English and includes extensive quotations from his works [A Violent God-Image](#) Matthias Beier, 2006-06-02 At the heart of

Drewermann's non violent interpretation of key Christian beliefs is his analysis of a violent image of God that characterizes traditional interpretations of sin and the cross His empathic critique of the clerical mentality ideology and culture *The Cleric* led to his being silenced by Roman Catholic authorities in 1991 **Analyzing a Violent God-image** Matthias Beier, 2002

A Cry Instead of Justice Dereck Daschke, Andrew Kille, D. Andrew Kille, 2010-07-01 [Religious Life](#) Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live

Jesus Risen in Our Midst Sandra Marie Schneiders, 2013 A collection of essays on the Resurrection of Jesus as it is

presented in the Gospel of John All the essays with the exception of the first chapter appeared between 2005 and 2011 in various academic journals or books **The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God Not in His Image John Lash, 2006 Basing much of Not in His Image on the Nag Hammadi and other Gnostic writings John Lamb Lash explains how a little known messianic sect propelled itself into a dominant world power systematically wiping out the great Gnostic spiritual teachers the Druid priests and the shamanistic healers of Europe and North Africa **Not in His Image (15th Anniversary Edition)** John Lamb Lash, 2021-09-18 Lash is capable of explaining the mind bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight His arguments are often lively and entertaining Los Angeles Times Fully revised and with a new preface by the author this timely update is perfect for readers of The Immortality Key Since its initial release to wide acclaim in 2006 Not in His Image has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed With clarity author John Lamb Lash explains how a little known messianic sect propelled itself into a dominant world power systematically wiping out the great Gnostic spiritual teachers the Druid priests and the shamanistic healers of Europe and North Africa Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth tellers and keep their own secrets Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history exploring the richness of the ancient European Pagan spirituality the Pagan Mysteries the Great Goddess Gnosis the myths of Sophia and Gaia In the 15th Anniversary Edition Lash doubles down on his original argument against redemptive ideology and authoritarian deceit He shows how the Gnostics clearly foresaw the current program of salvation by syringe and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism making this well timed update more relevant than ever Sometimes a book changes the world Not in His Image is such a book It is clear stimulating well researched and sure to outrage the experts Get it Improve not just your own life but civilization s chances for survival Roger Payne author of Among Whales Buying the Field Sandra Marie Schneiders, 2013 *Transforming Wisdom* Felicity Kelcourse, K. Brynolf Lyon, 2015-10-09 Transforming Wisdom offers an extensive multidisciplinary introduction to pastoral psychotherapy from some of the most respected practitioners in the field With special attention to theological perspectives on the practice of psychotherapy this collection of essays will be useful to students seeking an orientation to the art and science of pastoral psychotherapy as well as to seasoned professionals looking to refresh and renew their practice As the subtitle Pastoral Psychotherapy in Theological

Perspective suggests this book is intended to represent the field of pastoral psychotherapy as a mental health discipline that maintains intentional dialogue with its theological roots Even as pastoral psychotherapy has developed from the ancient notion of the cure of souls to the current search for a psychology of happiness therapists grounded in faith communities seek a practice that is respectful of all persons mindful of the deep wisdom that emanates from the true self or soul While many contributors write from a psychoanalytic or psychodynamic perspective grounded in Christian theological idioms diverse theoretical perspectives including Emotionally Focused Couples Therapy Narrative Therapy Buddhist Mindfulness and Jungian understanding of individuation are represented

Options on Atonement in

Christian Thought Stephen Finlan, 2007 In his previous book *Problems with Atonement* Stephen Finlan compellingly argues that the doctrine of atonement has been more a stumbling block to a true understanding of the relationship between God and humanity than a genuine explanation of how we relate to God and God to us *Options on Atonement* reprises these arguments briefly then looks more closely at the solutions to the problem offered by a variety of modern interpreters Finlan s focus in this volume is on revelation on the gradual human absorption of and interpretation of revelation received from God the maturing of human cultures and especially the light shed by modern family systems psychology At a time when public debates rage over the notion of evolution in the natural world this book asserts that our understanding of divine revelation is likewise subject to evolution If religion itself does not evolve the author asserts we are left only with an unsatisfactory choice to remain mired in the past or to repudiate all that is past including our Scriptures Will that be our choice Or can we resolve to examine our traditions including that of the atonement in the light of new knowledge Stephen Finlan chooses to do just that

Psychological Hermeneutics for Biblical Themes and Texts: HAROLD J. ELLENS, J. Harold Ellens, 2012-04-26

An assessment of the development and achievements of the field of Psychological Hermeneutics

Love, Violence, and the Cross Gregory Anderson Love, 2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In *Love Violence and the Cross* Gregory Love dialogues

with two responses to this question while presenting a third alternative in which Jesus's death is simultaneously a crime and an element of God's saving actions Through familiar stories in history literature and film Love presents five constructive models that cumulatively affirm God's saving act in the person and work of Christ while letting go the myth of redemptive violence They affirm redemption but one with a different shape Instead of exacting the absolute punishment God redeems by making good God's promise to humanity to secure human life Love argues that God is nonviolent while retaining the core idea presented in the New Testament witnesses that reconciliation occurs in the work of Christ and that the cross plays a role in that divine work *Honest Faith for Our Time* Jay Harold Ellens, 2010-09-13 This volume is a biblical theological critique of the Apostles Creed and a development of the role of the Holy Spirit in the church the world and the personal experience of Christian faith It addresses the creed as a historic document an artifact of early Christian theological development and a long standing guide for the form and content of that faith tradition This book is an appreciation of the Apostles Creed in terms of its persistent pastoral effect in the church It is also a criticism of aspects of the creed that are unbiblical and crafted for political or extraneous theological reasons by the bishops of the ancient ecumenical councils
