Sentences Gary M. Burge, 2019-10-08 To understand the breadth of the gospel s message we need to perceive the full tapestry of Scripture Using seven key sentences from the New Testament Gary M Burge demonstrates how the themes of fulfillment kingdom cross grace covenant spirit and completion set a theological rhythm for our faith outlining the broader pattern of Scripture that illustrates what God has done and is bringing to fulfillment in Christ Believing is Seeing Bruce McNab, 2016-08-22 What are you looking for These are Jesus s first words in John s Gospel and he asks us the same question when we decide to follow him We read John s Gospel because it helps us get closer to Jesus We re like the first disciples who answer his question with their own Master where can we find you Only near the end of John s story do we learn the answer Jesus lives in the hearts of all who love him Believing is Seeing guides readers to believe more deeply in Jesus of Nazareth as the human face of God seen through the eyes of his beloved disciple It beckons us to bring to his gospel our soul searching questions Do Jesus s words stake a claim on my life Does John s gospel test me intellectually spiritually or morally Does John s portrait of Jesus make me see him a new way pray differently even live differently Believing in Jesus the Son of God shapes how we perceive our own identity the world around us the nature of truth and our relationship with God To believe is to see with love s eyes **Sensemaking and Neuroaesthetics** James Hutson, Piper Hutson, Morgan Harper-Nichols, 2024-05-08

This book investigates the complex interrelationships between neuroscience arts technical design and the spectrum of neurodivergent conditions introducing the emerging topic of neuroarts It emphasizes the power of art and technologies as a multisensory tool for helping neurodivergent individuals discover their sensory preferences and for neurotypical individuals to broaden their understanding of the world by simulating different sensory experiences Drawing on the enactivism theory which posits that cognitive processes are inherently shaped through the dynamic interplay between an organism and its environmental context the authors discuss the applications of emerging technologies and propose a new theory to discuss and identify neurotribes based on their relation to sense making or the body A timely and well needed resource for scholars in the fields of neuroaesthetics and neurodiversity as well as art therapists clinical psychologists and medical practitioners specializing in neurodiversity and sensory perception disorders this book can also serve cultural institutions developing

inclusive experiences for a neurodiverse public and professionals in the tech industry focusing on AI augmented reality and sensory technology **The Untold Story of the New Testament Church [Revised and Expanded]** Frank

The Hermeneutics of Social Identity in Luke-Acts Nickolas A. Fox,2021-03-15 Luke Acts presents a vision of the kingdom of God and the early church in a program of decentralization that is a movement away from the centralized power structures of Judaism Decentralization of the temple land purity laws and even the people that seem to possess the power early in Acts i e Peter and the other apostles makes room for a move of radical inclusion Luke demonstrates the Holy Spirit as the prime initiator of outward expansion of the kingdom of God radically including and welcoming God fearers gentiles an Ethiopian eunuch and more Fox argues that Luke Acts is purposed to create social identity in God fearing readers using the rhetorical tools of the first century to communicate prescribed beliefs and norms promise and fulfillment and prototypes and exemplars Each of these elements is examined and traced through Luke s two volume work

Film Adaptation and Its Discontents Thomas Leitch, 2007-06-15 Most books on film adaptation the relation between films and their literary sources focus on a series of close one to one comparisons between specific films and canonical novels This volume identifies and investigates a far wider array of problems posed by the process of adaptation Beginning with an examination of why adaptation study has so often supported the institution of literature rather than fostering the practice of literacy Thomas Leitch considers how the creators of short silent films attempted to give them the weight of literature what sorts of fidelity are possible in an adaptation of sacred scripture what it means for an adaptation to pose as an introduction to rather than a transcription of a literary classic and why and how some

films have sought impossibly close fidelity to their sources After examining the surprisingly divergent fidelity claims made by three different kinds of canonical adaptations Leitch s analysis moves beyond literary sources to consider why a small number of adapters have risen to the status of auteurs and how illustrated books comic strips video games and true stories have been adapted to the screen The range of films studied from silent Shakespeare to Sherlock Holmes to The Lord of the Rings is as broad as the problems that come under review *Scottish sabbath school teachers' magazine* Edinburgh sabbath school teachers' union,1861
