Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are

most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Culturally Savvy Christian Dick Staub, 2008-09-09 In *The Culturally Savvy Christian* his incisive critique of contemporary culture and religion Dick Staub concludes that though it is influential American popular culture is generally superficial diversionary mindless and celebrity driven spiritually delusional moralistic therapeutic and deistic and soulless sustained not by art craft and ideas but by the mad pursuit of profit propped up by marketing and technology Similarly American Christianity has devolved into its own mindless diversionary and celebrity driven superficiality Because humans are created in God's image with spiritual intellectual creative moral and relational capacities we long for more yet the true seeker faces the lose lose alternatives of a soul numbing culture and a vacuous Christianity lite The renaissance we need in both faith and culture will originate in a deep spiritual renewal that restores God's image in us and creates a new breed of culturally savvy thoughtful creatives who rekindle the spiritual intellectual and creative legacy of Christians as enrichers of culture
