A Season of Night Ian McNulty, 2009-10-20 For many months after Hurricane Katrina life in New Orleans meant negotiating streets strewn with debris and patrolled by the United States Army Most of the city was without power Emptied and ruined houses businesses schools and churches stretched for miles through once thriving neighborhoods Almost immediately however the hard New Orleanians began a homeward journey A travelogue through this surreal landscape A Season of Night New Orleans Life after Katrina offers a deeply intimate firsthand account of that homecoming After the floodwaters drained author Ian McNulty returned to live on the second floor of his wrecked house without electricity or neighbors For months his sanity was writing this book on a laptop by candlelight By turns haunting inspiring and darkly comic this memoir offers a behind the headlines story of resilience and renewal From bittersweet camaraderie in the wreckage to depression and violent rampages in the lawless night to the first flickers of cultural revival and the explosive joy of a post Katrina Mardi Gras A Season of Night delivers an unprecedented tale from the wounded but always enthralling Crescent City Learn more about the book and its author at <http://www.seasonofnight.com> *Coming Home to New Orleans* Karl F. The Southern Register ,2008 *Popular Memories* Ekaterina V. Haskins,2015-03-11 A critical exploration of the ways public participation has transformed commemoration and civic engagement in the United States In the last three decades ordinary Americans launched numerous grassroots commemorations and official historical institutions became more open to popular participation In this first book length study of participatory memory practices Ekaterina V Haskins critically examines this trend by asking how and with what consequences participatory forms of commemoration have reshaped the rhetoric of democratic citizenship Approaching commemorations as both representations of civic identity and politically consequential sites of stranger interaction Popular Memories investigates four distinct examples of participatory commemoration the United States Postal Service s Celebrate

the Century stamp and education program the September 11 Digital Archive the first post Katrina Carnival in New Orleans and a traveling memorial to the human cost of the Iraq War Despite differences in sponsorship genre historical scope and political purpose all of these commemorations relied on voluntary participation of ordinary citizens in selecting producing or performing interpretations of distant or recent historical events These collectively produced interpretations or popular memories in turn prompted interactions between people inviting them to celebrate to mourn or to bear witness The book's comparison of the four case studies suggests that popular memories make for stronger or weaker sites of civic engagement depending on whether or not they allow for public affirmation of the individual citizen's contribution and for experiencing alternative identities and perspectives By systematically accounting for grassroots memory practices consumerism tourism and rituals of popular identity Haskins's study enriches our understanding of contemporary memory culture and citizenship
