FRANCE

1789–1914

SECOND EDITION

PETER MCPHEE

A Social History Of France 1780 1914 Second Edition

R. S. Alexander

A Social History Of France 1780 1914 Second Edition:

A Social History of France 1780-1880 Peter McPhee, 1992 This book is the first to synthesize in English the most recent research into the social history of France from the collapse of the Ancien Regime to the consolidation of the Third Republic By placing relations of power at the heart of his analysis the author offers a new and coherent perspective on the relationship between political upheaval economic change the construction of new ideologies of gender and ethnicity and daily life The book offers to students a lively and clear introduction to this complex and fascinating society and provides specialists with a model for the interpretation of French social history pub desc

A Social History of France 1780-1914 Peter McPhee, 2017-03-03 This volume provides a lively and authoritative synthesis of recent work on the social history of France and is now thoroughly updated to cover the long nineteenth century from 1789 1914 Peter McPhee offers both a readable narrative and a distinctive coherent argument about this remarkable century and explores key themes such as Peasant interaction with the environment The changing experience of work and leisure The nature of crime and protest Changing demographic patterns and family structures The religious practices of workers and peasants The ideology and internal repercussions of colonisation At the core of this social history is the exercise and experience of social relations of power not only because in these years there were four periods of protracted upheaval but also because the history of the workplace of relations between women and men adults and children is all about human interaction Stimulating and enjoyable to read this indispensable introduction to nineteenth century France will help readers to make sense of the often bewildering story of these years while giving them a better understanding of what it meant to be an inhabitant of France during that turbulent time

A Concise History of France Roger Price, 2005-07-14 This book provides a clear and up to date guide to French history from the early middle ages to the present from Charlemagne to Chirac Among the book s central themes are the relationship between state and society the impact of war and the use of political power This second edition substantially re written to take account of recent research includes a new chapter on contemporary France a society and political system in crisis as a result of globalisation international terrorism racial tension and a loss of confidence in political leaders

Mme de Staël and Political Liberalism in France Chinatsu Takeda, 2018-07-31 This book sheds light on the unique aspects of communal liberalism in Mme de Staël s writings and considers her contribution to nineteenth century French liberal political thought Focusing notably on the *Considérations sur les principaux événements de la Révolution française* it examines the originality of Staël s liberal philosophy Rather than contrasting liberalism with either multiculturalism or republicanism the book argues that Staël s communal liberalism challenges the conventions of nineteenth century political thought notably through her assertion of the need to institutionalize an organic intermediary connecting the two spheres an idea later advanced by thinkers such as Jürgen Habermas Offering a critical reappraisal of Staël s multifaceted work this book assesses the political impact of her work arguing that the political influence of the *Considérations* permeates the liberal historiography

of the French Revolution up to the present day Living the French Revolution, 1789-1799 P. McPhee, 2006-10-10 What did it mean to live through the French Revolution This volume provides a coherent and expansive portrait of revolutionary life by exploring the lived experience of the people of France's villages and country towns revealing how The Revolution had a dramatic impact on daily life from family relations to religious practices **The Routledge Companion to the French Revolution in World History** Alan Forrest, Matthias Middell, 2015-09-16 The Routledge Companion to the French Revolution in World History engages with some of the most recent trends in French revolutionary scholarship by considering the Revolution in its global context Across seventeen chapters an international team of contributors examine the impact of the Revolution not only on its European neighbours but on Latin America North America and Africa assess how far events there impacted on the Revolution in France and suggest something of the Revolution's enduring legacy in the modern world The Companion views the French Revolution through a deliberately wide lens The first section deals with its global repercussions from the Mediterranean to the Caribbean and includes a discussion of major insurrections such as those in Haiti and Venezuela Three chapters then dissect the often complex and entangled relations with other revolutionary movements in seventeenth century Britain the American colonies and Meiji Japan The focus then switches to international involvement in the events of 1789 and the circulation of ideas people goods and capital In a final section contributors throw light on how the Revolution was and is still remembered across the globe with chapters on Russia China and Australasia An introduction by the editors places the Revolution in its political historical and historiographical context The Routledge Companion to the French Revolution in World History is a timely and important contribution to scholarship of the French Revolution **A Social History of England 1851-1990** Francois Bedarida, 2013-06-17 In this the second edition of A Social History of England Francois Bedarida has added a new final chapter on the last fifteen years The book now traces the evolution of English society from the height of the British Empire to the dawn of the single European market Making full use of the Annales school of French historiography Bedarida takes his inquiry beyond conventional views to penetrate the attitudes behaviour and psychology of the British people *Europe's Uncertain Path 1814-1914* R. S. Alexander, 2012-01-30 Europe's Uncertain Path is an introduction to Europe's turbulent history from 1814 to 1914 It presents a clear narrative of the major political events set against the backdrop of social economic and cultural change An introduction to Europe's turbulent history from 1814 to 1914 Provides students with a solid grounding in the main political events and social changes of the period Explains the causes and outcomes of major events the effect of the emergence of mass politics the evolution of political ideologies and the link between foreign and domestic policy Offers balanced coverage of Eastern Western and Central Europe Illustrations maps and figures enhance student understanding **Napoleon III and the Second Empire** Roger D. Price, 2002-09-11 In Napoleon III and the Second Empire Roger D Price considers the mid century crisis which provided Louis Napoleon Bonaparte with the opportunity to gain elective office as President The author outlines the

objectives of Napoleon III and provides A historiographical review of the ruler and his regime Details of changing historical attitudes to the period A survey of Napoleon III s economic social and political impact An outline of the man s reign and his achievements *British Economic and Social History* R. C. Richardson, William Henry Chaloner, 1996 *The Age of Manufactures, 1700-1820* Dr Maxine Berg, Maxine Berg, 2005-09-20 This new edition of *The Age of Manufactures* provides an exciting alternative overview of the eighteenth century British economy Statistical summaries and a thorough revision of the whole text have enhanced this important book **An Environmental History of France** Peter McPhee, 2024-11-14 The French countryside is as beloved by the many millions of tourists who visit it each year as it is of French people themselves But it has not always looked like it does today *An Environmental History of France* instead presents the countryside in which people live and work and through which they travel as a human creation across 250 years of economic and cultural change war and revolution It is a book about the making of the French landscape and an engrossing story linking human geography history agriculture and culture Showing an awareness of the origins and nature of current ecological and social challenges Peter McPhee uses a blend of environmental and cultural approaches to paint a vivid picture of rural France s modern history From the aristocratic control of agrarian resources in the 1770s to widespread mechanisation in the 19th century through to the impact of the World Wars and an intriguing discussion about the uncertain future of French rural communities McPhee provides a nuanced detailed and absorbing account of a distinctive version of France that is essential to the country s identity

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The *Encyclopedia of Historians and Historical Writing* contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the *Encyclopedia* includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies *Thomas Jefferson* Thomas S. Kidd, 2022-05-10 A revelatory new biography of Thomas Jefferson focusing on his ethical and spiritual life Set aside everything you think you know about Thomas Jefferson and religion and read this book This is the definitive account It is well written well researched judicious and entirely convincing Timothy Larsen Wheaton College Thomas Jefferson was arguably the most brilliant and inspiring political writer in American history But the ethical realities of his personal life and political career did not live up to his soaring rhetoric Indeed three tensions defined Jefferson s moral life democracy versus slavery republican virtue versus dissolute consumption and veneration for Jesus versus skepticism about Christianity In this book Thomas S Kidd tells the story of Jefferson s ethical life through the lens of these tensions including an unapologetic focus on the issue where Jefferson

s idealistic philosophy and lived reality clashed most obviously his sexual relationship with his enslaved woman Sally Hemings In doing so he offers a unique perspective on one of American history's most studied figures **People and Politics in France, 1848-1870** Roger Price, 2004-06-17 This 2004 book is about politicisation and political choice in the aftermath of the February Revolution of 1848 and the emergence of democracy in France The introduction of male suffrage both encouraged expectations of social transformation and aroused intense fear In these circumstances the election of Louis Napoleon Bonaparte as President of the Republic and his subsequent coup d'état were the essential features of a counter-revolutionary process which involved the creation of a system of democracy as the basis of regime legitimacy and as a prelude to greater liberalisation The state positively encouraged the act of voting But what did it mean How did people perceive politics How did communities and groups participate in political activity These and many other questions concern the relationships between local issues and personalities and the national political culture all of which impinged on communities increasingly as a result of substantial social and political change **Bibliography of European Economic and Social History** Derek Howard Aldcroft, Richard Rodger, 1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700-1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily **Themes in Modern European History 1830-1890** Bruce Waller, 2002-09-11 Providing a series of lively essays which reflect the skills that historians have to master when challenged by problems of evidence interpretation and presentation this important new text covers the topics of France Germany Italy Austria and Russia as well as analyzing the themes of political thought cultural trends the economy and warfare international relations and imperialism Six distinguished scholars all of whom are regularly involved in student teaching provide an authoritative student guide to the main contours of nineteenth century European history when the continent's standing was at its highest and its influence spanned the globe **Modern Europe, 1789-Present** Asa Briggs, Patricia Clavin, 2014-06-06 Now covering the whole of Europe from the French Revolution to the present day this major new edition has been completely revised and brought up to date The approach embraces the whole continent from both national and regional perspectives and combines political survey with grass roots people history Bringing this history vividly to life the authors use a very broad range of sources including memoirs archives letters songs and newspapers In particular there is new treatment of the following themes Religion and the modern Papacy Immigration in Europe and relationships between minority and majority groups UNESCO The European Bill of Rights The seeds of conflict in Bosnia and Croatia Europe's relations with the wider world with particular attention to the Middle East and Japan **Beyond the Reproductive Body** Marjorie Levine-Clark, 2004 Investigates the politics of women's health and work in early Victorian

England where government officials and reformers surveying the laboring population became convinced that the female body would be ruined by employment **From Knowledge to Power** Harry W. Paul, 1985 The first full scale treatment of a period of dramatic expansion in French science

A Social History Of France 1780 1914 Second Edition Introduction

In today's digital age, the availability of A Social History Of France 1780 1914 Second Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Social History Of France 1780 1914 Second Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Social History Of France 1780 1914 Second Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Social History Of France 1780 1914 Second Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Social History Of France 1780 1914 Second Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Social History Of France 1780 1914 Second Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Social History Of France 1780 1914 Second Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Social History Of France 1780 1914 Second Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Social History Of France 1780 1914 Second Edition books and manuals for download and embark on your journey of knowledge?

FAQs About A Social History Of France 1780 1914 Second Edition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
